2016 Caller / Cuer Conference

Calling Queensland Callers, Trainees and would like to be Callers.

Did you know that the Australian Callers Federation (ACF) is hosting a Caller Cuer Conference prior to the National Convention?

Paul Bristow (UK), Ken Ritucci (USA) and Steve Turner (Australia) will be featured presenters.

Qld. Square Dance Society is offering subsidies to callers/cuers who are the listed as Caller/Cuer for Society Affiliated clubs e.g. those that are listed on the club's affiliation form are eligible to receive $50.00 for full time callers and $30.00 for Trainee callers.

Application forms are available from the Square Dancing Society, the QCA, or from the conference website: http://acfcallercuerconference2016.weebly.com

To apply for this subsidy the caller is asked to forward to Society Secretary their receipt for payment to register to attend the Caller Conference. The Secretary will then forward a letter either advising of the acceptance or otherwise. If accepted then the letter will state required details e.g. their bank account so that the Treasurer can transfer the money.

Be part of the National and attend the Conference to learn from some of the best Callers.

David Pearce. Publicity officer.
Hi Everyone,

Thanks to our enthusiastic teacher and a very dedicated band of angels who come every Saturday morning, our six learners are progressing well with the basics. They seem happy with how they're dancing so much so that they have all joined our club and are proudly wearing their badges.

Gary Petersen was up for our Something Old, New, Borrowed, Blue Dance. The hall was adorned with old wedding dresses and veils and blue drapes. There was a mother-of-the-bride, bridegroom, flower girls and lots of wedding guests. We even organized a "bride" for Gary which caused a lot of laughter. The dancing was excellent as always and a good night was had by all.

Next weekend we go to Maryborough to "Christmas in July" with Glen Wilson. We are looking forward to Christmas dinner and all the trimmings and dancing to Christmas tunes.

On 29th August, Hervey Bay are hosting Matthew Mills as caller for their Plus dance at 2pm and Mainstream at 7pm. Matthew is an excellent caller so the club is looking forward to a big night. Unfortunately, two will be missing as they are going to Germany for the 60th EAASDC to be held in Gelsenkirchen on 4-6th September. A few other dances have been organized, one being the Wolfgang Mozart Dance in Salsburg, Austria.

Bye for now, Glenda
Dancer Recognition Certificates

Recently, at our Society Meetings, we have had discussions on how we can acknowledge the commitment that Dancers make to our activity.

We know that each and every Dancer is needed, respected and appreciated by the clubs that you attend - without you, there would be NO Square Dancing.

The Square Dancing Society of Queensland Inc. would like to present long-term Dancers with Recognition Certificates.

If you have been dancing for 10 years or more we would like to hear from you. Certificates will be issued for 10 Years, 15 Years, 20 Years, 25 Years and upwards. I believe that we will even have some 50 Years certificates issued.

Please fill out the Data Collection form in this Bugle and return it to our Secretary. Don’t forget to get it validated by your Club Caller or Representative. Certificates will then be presented to Dancers at an appropriate Society function.

GUMDALE GRANDSLIDERS SQUARE DANCE CLUB

Bastille Day (July 14th) saw over 5 squares of dancers enjoy a party day, that included 8 pots of soup and French sticks. Many dancers dressed in French style, which added to the atmosphere. Congratulations to Carina Carousels on achieving 23 years of dancing, and great to catch up with Graham and Margaret Brandon, and also to Alan’s Allamanders 40th Birthday- it has made for a very busy month of dancing. We welcomed Brian Hotchkies as a visitor to our Wednesday night dance

Our next event is on August 12th, when we celebrate Ekka day with hot dogs, ice-cream and strawberries and of course, some very good dancing with our caller Alan Evans. Everyone is very welcome to come and share in the fun.
SUNSHINE SQUARES

We have had some fantastic nights recently with great attendance and lots of variety. Having fun with some different movements like Grand Sweep, Grand Parade and Carousel Promenade. Lovely to have Michael and Ann visit us. Also great to have Gloria coming along each week. Lyn has been running clubs in our hall at Clontarf since 1989 but Friday 17th July was the coldest night that we have ever endured in that hall. Well done and thank-you to everyone who braved the cold and came out that night.

WAVELL WHIRLAWAYS, WHIRL AWAY !!!!

The start of a new year can often brings change, so it is with Wavell Whirlaways Square Dance Club. The Club started this year at a new venue the Enoggera Bowls Club after having danced for 45 years at the Wavell Heights Community Hall.

Wavell Whirlaways Square Dance Club started dancing at the Wavell Heights hall on the 19th of March 1969 with Sid Leighton as their caller, and Betty his wife welcoming dancers as they arrived. Dances were held in a wooden hall with a tin roof. Dancing on rainy nights proved difficult as the roof leaked. A committee of local people who ran the hall, soon decided to build a new hall and plans were formed and a new hall built. The present hall was completed around 1971 and dancing continued there until December 2014. Did you know that Sid helped to lay the floor in his spare time from his own building business?

I would like to share with you some of the changes over the past 45 years. Supper was served in china cup and saucers and dancers sat at tables with cotton tablecloths. We now use melamine cups and stand around talking and eating. Decorations have also changed. Who can remember dear Harry Lightfoot? Harry danced well into his eighties and made the most wonderful posters for our birthday dances complete with the number and special themes. Keith Bowden was another dancer who helped with the decorations. In 1983 Keith helped organised the Monster Fair. Wavell Whirlaways entered a float which was part of a street procession from Rode and Bilsen Roads into Shaw Road, Edinburgh Castle Road and to the Community Centre. In conjunction with the fair a Miss Northern Suburbs Quest was held with the Club’s entrant being Kim McSweeny.

Chris Holmes now makes our wonderful decorations which most dancers have seen. A few events at which Chris has created a wonderful atmosphere with her decorations include the 33rd Queensland State Convention, the Flood Appeal Dance 2011, Sunshine State Round up and the Queensland Society Christmas party. There have been many happy moments shared during the club time at the Wavell Heights hall some which you may have attended Club birthday dances, fundraising dances, B.B.Qs, Annual General Meeting dances and Society Christmas Dances.

We have three life members those being: Margaret Casey and Graham and Shirley Strickland. Other members of the club have been involved with Wavell Whirlaways between 30 to 40 years, including Robyn Harris who has been committed to the role of Secretary / Treasurer during that time.

We have said farewell to our old dance venue and look forward to making many more happy memories at our new venue, the Enoggera Bowls Club. Why not come and join us sometime. Our new venue has a beautiful polished wooden floor and lovely surroundings, where you will enjoy good calling and dancing with Sid and Betty, and the Wavell Whirlaways Dancers.

Friday 17th July was an "Anything Goes" night and it certainly turned out true to its theme. Wearing pyjamas and dressing gown saved having to change before bed on such a cold night. There were a few Ugg boots and beanies worn to keep the feet and head warm. One member wore his Tai Kwando outfit complete with his well earned black belt. It was snowing down south so one male brought along his ski goggles and skis - sorry it didn't snow in Bundy that night.

Matthew used the set numbers to change couples around into different sets and formations. Ask Matthew how he made a right angle formation and then brought us back into a circle or how he had a line of six opposite two and reformed the circle.

It is nice to see members enjoying the fellowship during suppers again.

TAIGUM TWIRLERS

We are happily dancing 4 squares most Saturday nights with lots of learning and variety. Nice to have Michael, Di & Courtney pop in for a visit. Also great to see Russell on our coldest night last week. We recently had an impromptu Clogging demonstration when Jason, Hazel and the girls came along for the night. Who would have thought that we would see 9 Cloggers on the floor.

Our afternoon Round Dance session is very popular with 8 or 10 couples attending each week. Dancers are enjoying learning some nice little Two-steps and Waltzes, including Seven Little Girls and Blue Side of Lonesome. New favourite is Frenchy Brown.

Our beginners are also coming along nicely and enjoying the variety of our afternoon sessions which include Square Dancing, Line Dancing, Mixers and Old-Time Dancing.

SUNCOASTERS SQUARE DANCE CLUB

On 4 July, being American Independence Day, we enjoyed a pre-dance social with a Red, White and Blue theme. We had red, white and blue dips, red, white and blue jelly beans, hot dogs and sweets and for the night of dancing, Nev had chosen music from different States of America which was interesting.

We have welcomed two couples from Adelaide, Eddie and Rosalie and Adrian and Rosemarie escaping the cold weather at home, but we have had a couple of very cold weeks here as well.
STEPPING OUT WITH CLOGGING

One of the big excitements of July was the re-opening of the 50 Plus Activity Centre’s dance floor.
Located, as you know, in the lower ground floor of the Brisbane City Hall, water damage required the floor be replaced, and once again the Brisbane City Council have done an excellent job.

We are all still getting our breath back from the fun and output of energy which are part and parcel of AUSSIE CLOG.
Three cheers for all those performing at the After Party.
Sincere thanks from Olive and her team of helpers for once again organising a great weekend at Kindilan, Redland Bay.
This was AUSSIE CLOG’S twentieth year- what an achievement.
It was wonderful the number of Cloggers who travelled from all over Queensland, plus those who joined us from interstate, including Melbourne and Darwin: the support of everyone who took to the floor, responding to the great Cueing, and cementing our friendships further, made it yet another happy memory to store away.

Spreading the Clogging message via demos. and public performances seems to be growing, with groups pleased with the response they have been, and are receiving. The Get Rhythm Dance Team will be out doing what comes naturally on three Wednesdays in a row at three different venues during August, with more invites already in the diary over the rest of 2015.

The ACA National Clogging Convention, this year being held in Gosford on New South Wales’ Central Coast on the weekend of the 11th, 12th and 13th September, has registration numbers moving along nicely.
If you haven’t registered yet, do it today as registrations are closing. Just email: 2015enquiries@gmail.com or telephone 0408 429 270.

Enjoy the day as you Clogg away,
Best Wishes,
Frances

How different has this last month been? At the end of June we had our regular mid-year get together, with a difference. Thirty six of our club dancers came to the meeting, followed by dinner and for those who wished to linger longer, Darryl got out his guitar and led a sing along around the bonfire. Yes, there were some toasted marshmallows and maybe some glasses of wine. At the meeting we covered many topics, from music to door rosters, and the move to a new venue. Lynndon Bowl’s club in Holland Park West had a lovely room available for us. Normally used for special events such as wedding receptions, we have managed to secure a regular Friday night booking, from 7pm to 10pm. We now have a polished wooden floor for comfort of dancer’s feet and legs and upholstered chairs instead of plastic. The only drawback is that the men must walk through the bar area to their room, and resist any temptation to stop midway. For those who wish to plan ahead, light meals are sometimes available on Friday nights, but it is advisable to phone the Bowls club first, on (07) 3349 4755 to check what is on offer and the times.

We say a big thank-you to all dancers who have made themselves available to help with the many small, and occasionally big tasks that keep our club going. Those who help each week with setting up, supper, and packing up. We welcome Dianne to our club on a regular basis. As a non-dancer Dianne has volunteered to cover the door, meaning we will always have one person who is familiar with the process, with one other to assist. Dianne is married to Darryl, who has been dancing with Noel for many years, and while they are both well known to Town and Country dancers, we are pleased get to know Dianne as well as we know Darryl at Rambling Eights.

We had a fantastic night for our Christmas in July. We thank all who donated as the many helpers our regular dancers were swelled by the visitors. With six sets, full, but not crowded, the and surely everyone went faces.

Dancer Medical History Forms

In this edition of the Bugle you will see a Medical History form that Sid Leighton and I have introduced at our clubs.

It has been suggested that we make this form available on the Society Website for any Caller / Club that might like to use it.

We recently had an incident at our Taigum club which ended up with one of our ladies being taken to hospital. When the ambulance arrived, she was unable to give them any medical information because of her condition. Thankfully, we were able to gain the necessary information eg illnesses, medication etc from her before she fell unconscious and we were able to relay that to the paramedics. This is what has prompted the forms.

Our dancers have been very happy to fill out the forms and are quite pleased that we have taken these steps to ensure their well-being if there is an incident. The forms will now be available each week at our clubs in case of an emergency. All of the information will obviously be kept confidential, sighted by only myself and Sid. A copy of each form will be made so that should an ambulance be required, that copy can be given to the Paramedics on arrival.

This form is now on the Society Website and we invite Callers and Clubs to take advantage of this if you wish. We would also be interested in hearing from other callers / clubs with regards to whether you already collect ‘medical data’ or have an “emergency procedure’ in place.
