What’s Happening!

Welcome to this month’s edition of the Australian Square Dance Review. By now most clubs have resumed their regular dances and I am sure dancers are looking forward to a year of fun and friendship set to music.

Traditionally March is Square Dance month when we encourage our non square dancing friends to come and join in the fun. This month’s Review has an excellent article about why we should all be dancing frequently and the physical and mental advantages those who participate in dance have over other non dancers. The article starts on page six. There are lots of updates for conventions and various associations to keep you informed about what is happening at national and state level.

Some states will also have their AGM’s and are always keen to have new members on the committee to develop fresh innovative ideas. Don’t sit back and ask what is the organisation doing for me, ask what can I do to make it better for everyone.

Till next time
Rosalind

Hello again, I have made mention in the past about the ‘Big Daddy’ of caller associations, Callerlab (website, callerlab.org). Many callers worldwide are members and many are members of committees within Callerlab. Graeme Elliott is the ACF’s Callerlab Liaison Officer. Anyone interested in Callerlab could contact Graeme.

There is a wealth of information easily accessible to anyone interested and you don’t need to be a member to get it. You only need the time, the inclination and a computer with Internet access {then go crazy and see what you can find}. As callers we should be aware that there may have been changes in the programs we use. We need to know if something has been altered so we as leaders can be informative and accurate when calling and teaching the programs to our dancers. The definitions may have been altered. There may be subtle changes in the wording, the styling, the starting formation or even the dance action. We need to stay in touch with any changes so we can advise the dancers of these as soon as possible to hopefully alleviate confusion.

It is OK to use the little handbook for the dancers but they are not updated that regularly. The current update on ‘Basic / Mainstream Definitions’ was posted to the website 03/11/2011. Another VERY useful document is ‘Basic / Mainstream Standard Applications’ posted 20/01/2012. Also available ‘Plus Definitions’ posted 27/09/2011 and ‘Plus Standard Applications’ posted 20/01/2012. By having a good read through these you may understand better the reasons why dancers can have trouble with certain calls from the situations you put them in. Dancers can be creatures of habit. If you are trying something a bit different you need to fully understand both sides of the situation to be able to nurture the dancers to success. I have found that calls don’t have to be that different to be difficult for the dancers. The bottom line is don’t call anything you don’t understand fully! Let the dancers succeed and watch their big smiles!

Till next time, Happy Dancing, Bye Bye !!!!!
Some of us did, and some of us didn’t: put on a few extra points in the weight factor, but WOW! did the early February start get the perspiration and adrenalin flowing with some amazingly high temperatures. Nevertheless, we were pleased to be back amongst our clogging friends, enjoying the beat of the music as we danced into two-thousand-and-twelve.

This year promises to be a BIGGY, with a number of events we will be reporting on in forthcoming Reviews. “Where’s Mary?” has been an oft asked question this year as the many friends of Mary T., a keen devotee of clogging who, though a little older than most of us, dances the night away with a marvellous sense of fun, and her husband, Gentleman John (call him Jack if you like, he doesn’t mind), wonder where they are. Well, they have moved to their own patch of heaven at Hastings Point in northern NSW, but will be making regular trips to both Chug-a-Lugs and Sunstate Cloggers in Brisbane. Hurrah! for Mary and John, both of whom were square dancers and round dancers of reknown.

The Get Rhythm Dance Team are back rehearsing for the many events they have already been invited to in the coming months. More on that, too, later.

The ACA National Dance List for 2011/2012 is out. Basic dances we lost from the list were ‘All That Jazz’, ‘Fred Brophy’s in Town’, ‘Turn Your Radio On’ and ‘Girls Night Out’. They were replaced by ‘Better Life’, ‘Favourite Boyfriend of the Year’, ‘It’s All over Now’ and ‘Little Piece of Heaven’.

Help Wanted – Convention First Aid

Due to the increasing cost of First Aid attendance at conventions and following on from the successful trial in Darwin the 53rd National Convention will again provide coverage by interested and qualified square dancers. In an endeavour to do this however we need names of those interested in assisting the national convention who have CURRENT FIRST AID certification and would be interested in going on a roster to contact James Fellows at xambo4u@optusnet.com.au. Please help out by contacting James as soon as possible, many thanks.

Dressed Set Parade

Change of procedure
Following a number of concerns and queries raised in the Convention surveys as well as general discussions held by the National Convention Board it was thought that there needed to be a new and fresh approach to the Dressed Set Parade.

At the 53rd Australian National Square Dance Convention to be held in Hobart in June 2012 it has been decided to try a fresh and different format for the Dressed Set Parade.

Therefore for this years Convention the procedure will be:
1. Each Dressed Set will be allocated a place on the dance floor.
2. Dressed Sets will form their own square on the dance floor. (in the same way as Form your own Square)
3. At the conclusion of the Dressed Set numbers the sets will ‘parade’ off the floor in a designated order where all sets will be announced individually to the audience.

It is hoped that this format will alleviate a lot of waiting time before a Dressed Set parade as has been the case in previous years. It also means that everyone can dance all dances prior to the Dressed Set parade.

So please REGISTER your Dressed Sets now and help make this a spectacular and enjoyable display.
Use It or Lose It: Dancing Makes You Smarter

For centuries, dance manuals and other writings have lauded the health benefits of dancing, usually as physical exercise. More recently research by the Albert Einstein College of Medicine in New York City (www.nejm.org/doi/full/10.1056/NEJMoa022252) has shown further health benefits of dancing, such as stress reduction and increased serotonin level, with its sense of well-being and growing evidence for warding off Alzheimer’s disease and other dementia.

In terms of this latter area, physical activities like playing tennis or golf, swimming, bicycling, walking for exercise and doing housework were studied appearing to offer no protection against dementia. Yet, the risk of dementia was reduced by reading (35%), crosswords four days a week (47%) but 76% by dancing frequently.

You immediately think: Why is dancing better than other activities for improving mental capabilities? Does this mean all kinds of dancing, or is one kind of dancing better than another?

That’s where this particular study falls short. It doesn’t answer these questions as a stand-alone study. Fortunately, it isn’t a stand-alone study. It’s one of many studies, over decades, which have shown that if we increase our mental capacity by exercising our cognitive processes. Intelligence: Use it or lose it.

We hope everyone enjoys learning all the new routines.

One of our keen dancers has a very interesting cure for any little worries that come into her mind- visualise you are clogging and you soon push your troubles away and put a smile back on your face. Worth a try.

Until next month,
Take care, enjoy yourself,

Update from the Webmaster

Hi everyone, welcome aboard to the latest square dance club - Australiana Squares with caller Jaden Frigo which fires up on the 29th April in Somerville Victoria. We wish them all a terrific journey of fun & friendship set to music.

Please recheck phone numbers, times and of course email addresses for your state as these are so important when a travelling dancer wishes to make contact quickly when they are visiting clubs for the first time. The same applies for people who are making enquiries for the first time, let’s try and enable them to get to the nearest club or beginners’ classes as quickly as possible.

For those trying to promote square dance – take a look at the 10 minute video clip ‘Why Square Dance’ and read Square Dance Information on WWW.C-P-S-D.ORG it is professionally done and a great ‘sales aid’.

The club web pages are looking great with photos of their club banners or logos for all to admire Many thanks to all those who have assisted us with photos of their club callers and banners/logos for inclusion on the national web pages.

Some photos from Darwin have now been loaded on the web pages – follow the links on WWW.SQUAREDANCE.ORG.AU

N.S.W. President’s Report

Well, do we all remember what March means? Yes, it is Square Dance Month. The time to start talking to all our friends, relatives and enemies about our great recreational activity. Most callers will be looking for beginners to teach and even those dancers that have had a break may like to come back for a refresher. Check with your caller to see if they intend to start beginner classes in Square Dance Month.

Are we all ready for the State Convention? Have you remembered to register yet? It is not long now just at the end of this month. We have lots of ideas for your enjoyment. Also a masked night on the Sunday. Get yourself a mask to wear and see if everyone knows who you are. Could be a lot of fun.

A big 21st coming up this month. Do you know which club it is? Check with your caller, it should be a good night as I think all dances are. My congratulations to any and all clubs celebrating milestones in this super pastime of ours. Keep smiling and enjoying each and every dance.

## N.S.W. Club News

### Newport Ocean Waves

The Newport Waves began the 2012 year with a gathering at the Bayview home of Jan Cudmore, one of our newer members. Everyone enjoyed catching up and all are looking forward to a year of fun.

### Guys & Dolls

Corrimal & Woonona

Marion & Tedda

New Year started with talented new beginners joining us for daytime dancing. Last year’s beginners have progressed well with some now joining us on a Wednesday night whilst continuing to enjoy their Tuesday dancing. We continue to appreciate our new dancers as the ravages of time see some of our most devoted members having to retire from actively participating.

### Carpenter & Co.

Caller: Gary Carpenter

First dance back was fantastic, Australia Day, dress-ups, sausage sizzle, 3 squares +, Nice seeing Ron & Ros, surprise visit from Bill & Linda who we haven’t seen much of since the old days at Tumbi. Everyone is gearing up for our Birthday weekend, State and National Conventions & theme costumes. The hall’s just buzzing with excitement and it’s wonderful.

### Sapphire Squares

Pam & George Pitt

Some of us have a couple of trips away this month, firstly dancing to Barry Wonson at Batemans Bay and then the State Convention at Kiama. Sadly Pam Sims has returned to Queensland. Nice to have had her dancing with us for a few weeks. Birthday wishes go to Alan and congratulations to Pam & George on their 56th WA.

Letter to the Editor

Dear Rosalind

I would like to bring to the attention of Society members the fact, that they may not be covered in the event of an accident at a Square Dance.

In June 2011 I had a fall at a dance resulting in broken wrist requiring surgery. I submitted my expenses to the Insurance company and was advised that I was not covered as I do not have Private Health Insurance. This was not what members were told when the scheme was being introduced.

June Eisenhuth
Panther Squares
Mountain Devils

Personal Accident Insurance

In response to June’s letter I wish to clarify some points about the Dance and Performing Arts Policy taken up on behalf of members of the Square Dance Society of NSW. An information sheet from DanceSurance International is attached on page 10 and will be available to members as hard copy or electronically from the Society Executive.

This policy only covers items which are **NOT covered by Medicare** (this is legislated by government) irrespective of the type of health insurance members may have. This policy covers you for up to 80% of all **Non-Medicare** medical expenses **up to $2000** per injury.

The difference being those members who do NOT have private health cover incur a $50 excess per claim on Non-Medicare related medical expenses. Members who have private health cover must claim first through their private health insurance before submitting a claim for the gap to the insurer. There is no excess if you have private health insurance.

So for between 21 and 30 cents a week (depending on your level of membership) NSW Society Members receive personal accident insurance on Non-Medicare related items, discounts at Society functions and in some cases The Australian Square Dance Review.

David Todd
Executive Officer  Square Dance Society of NSW
**Procedure for making a claim**

*It is important that members who need to claim contact the Society Secretary giving their full name and membership number to report the accident and obtain a claim form. This notification needs to be made within 30 days of the accident.*

*The Secretary will then fill out page 5 of the claim form asking the member for relevant details.*

*The Society will contact DanceSurance to advise that a claim is pending.*

*The Secretary will then send the claim form with the relevant information completed to the member.*

*The Society member needs to fill out their section with the relevant details and forward to DanceSurance directly NOT their underwriters.*

*DanceSurance will liaise directly with the member.*
Solo Dancers

If you are a Solo Dancer, attending the 34th NSW State Convention in Kiama, there will be many opportunities for you to dance. Square-ups and general Round-ups are easy to access, just join in and have fun. If a partner is necessary, do not be shy – look around and ask “anyone” for a dance. If they decline your request don’t feel rejected, just keep asking until someone says “yes”, but you may have to be quick as there will be lots of other dancers doing the same. Think positive at all times and remember, by doing the asking, you are enabling another person to have a dance.

Why does it take so long to gain confidence? What is there to be afraid of? It can be quite daunting to venture into a square with seven other people, who are often strangers. It does take time to overcome nervousness. Square dancers, in general, are very helpful and supportive of each other but unfortunately a few can be intolerant. Strength develops with perseverance and enjoyment will eventually overcome fear. Square Dancing is good for health and also personal development.

At Kiama keep a look out for the Smiley Badge wearers at the Trail-in Dance on Thursday 29th March and also during the Convention. If it is possible to arrange a Solo Dancers “meet and greet” session, or a special “Solo” area, a relevant notice will be displayed. Travel safely to Kiama and have a good time.

“Fifty Years of Square Dancing and Still Going Strong”

The Guys & Dolls square dancers were honoured with a visit by the President of our Society at our Christmas dance last year. Later in the night we found it was a double honour when Roslyn presented one of our favourite members with a special award for fifty years of square dancing. Ralph Quimby has been dancing with us for the past twenty one years.

Ralph & his wife Doris commenced square dancing to Bev Pickworh at the “Circle 8” Club in Lakemba NSW in 1961. This was after seeing a Square Dance demonstration at their local monthly family “Old Time Dance”. After Bev moved to Port Macquarie they continued square dancing, first with Bob Woollcott, followed by Arthur Gates then Paul Johnson (both with “Sutherland Swinging Squares”) and finally with Tedda and the “Guys & Dolls.”

They also attended National and State Conventions and many other Society events. Sadly Doris passed away a few years back but Ralph, who will turn ninety in April this year still continues to dance regularly twice a week, always perfectly turned out and a great help to all those around him. His advice to all is “Listen to the Caller!”

Queensland President’s Report

Clubs are up and operating and it is good to see an increase in new dancers in some clubs. Unfortunately 2011 was the last year for Moreton Bay Square Dance Club which held its last dance in December.

March is the month for Queensland Society AGM and there will be a changing of the guard in some positions. It would be wonderful to see competition for the situations declared vacant. A few new faces on the Committee would be well received.

We have some enthusiastic members on the committee and the Queensland Editor for the Review is certainly one of them. Bev Liley has increased our state’s input in the Review and has really worked hard to get more dancers supporting this publication. Thanks Bev.

Clubs who are hosts of functions for the Society in 2012 have high quality acts to follow. A lot of work went into the functions in the past twelve months and dancers were not slow in making known their appreciation.

I will not be nominating for President again. I thank the members who have served with me and I wish the new committee all the success in the world.

Noel Miller.

SALAD BOWL SQUARES
We had a wonderful first night back with 4+ squares. Noel Mackenzie was our substitute caller for the evening. He did a great job. His lovely wife Merle accompanied him. We celebrated George Stevens’ 75th birthday with a large sponge cake provided by his wife, Ann. It was also a bonus to share our evening with so many visitors.

HERVEY BAY SQUARE DANCERS INC
Ides of March? Nothing half-half about it. Busy, busy the whole month through. Bundaberg with Mike Davies, Lake Perseverance with David Pearce, Maryborough’s Birthday Bash with Matthew Mills between Brian Hatchkies’ calling at Hervey Bay on our Wednesday and Monday club nights. WOW, no wonder some of us get rather tired out with all that travelling and dancing, but hey, what a way to go! Meet you on the floor!

GUMDALE GRANDSLIDERS
Caller: Alan Evans
Defying the very wet weather, our Tuesday workshops have been very well attended. New dancers were unexpected but most welcome and as a result Beginner classes are in full swing. Unfortunately, Australia Day’s dance scheduled for 25th Jan was cancelled due to threat of more very heavy rain. We look forward to another year of fun, friendship and lots of dancing.

BURLEIGH SQUARES
Caller: Alan Evans
Burleigh Squares celebrated Australia Day in great style. Visitors from Gumdale Grandsliders, and Alan’s Allemanders joined with Burleigh members for a great night of dancing. Saturday 28th January was our first night of dancing for 2012 and provided an excellent opportunity to renew friendships after our recess over the Christmas & New Year holidays. Beginners/Learners classes begin in March.

RAMBLING EIGHTS
Caller: David Pearce
New year off to a great start with welcome to visitors at our club’s 26th birthday and also at annual camp. Photos are available on Friday nights – have a look – there are some beauties. Last years new dancers have progressed really well into mainstream. Birthday greetings to Ina and Pam S.

Use It or Lose It: Dancing Makes You Smarter Cont.

The essence of intelligence is making decisions. When it comes to improving your mental acuity, involve yourself in activities which require split-second rapid-fire decision making, as opposed to rote memory (retracing the same well-worn paths), or just working on your physical style. Take a class to challenge your mind. It will stimulate the connectivity of your brain by generating the need for new pathways. Difficult and even frustrating classes are better for you, as they will create a greater need for new neural pathways.

Then take a dance class, which can be even better. Dancing integrates several brain functions at once, increasing your connectivity. Dancing simultaneously involves kinesthetic, rational, musical and emotional processes. However, you need to select the kinds of dance where you must make as many split-second decisions as possible. That’s the key to maintaining true intelligence.
Finally, remember that this study made another suggestion: do it often. Seniors who did crossword puzzles four days a week had a measurably lower risk of dementia than those who did the puzzles once a week. If you can’t take classes or go out dancing four times a week, then dance as much as you can. More is better.

And do it now, the sooner the better. It’s essential to start building your cognitive reserve now. Some day you’ll need as many of those stepping stones across the creek as possible. Don’t wait — start building them now.

W.A. Delegate’s Report

The WA 2012 Square Dance year got off to a hot start in January, both metaphorically and literally speaking.

Margaret River once again turned on a hot weekend dance as they always do. Not only that they also managed a hot weather weekend with temperatures nearing the 40’s but that didn’t dampen the enthusiasm of all those attending and the organisers. Approximately 150 dancers attended the weekend and were treated to a well balanced program around the theme of “Your favourite hat” to celebrate the club’s 31st Birthday. How does a small club turn on such a fantastic event year after year? Enthusiasm and commitment! Well done Margaret River we all look forward to 2013.

Dianella Rangers also hopped on the warm bandwagon and turned on a scorcher of an evening for their Australia Day dance on Wednesday 25th January. With the hall resplendently decorated in Australiana and flags galore. Dancers were treated to a full programme of entertaining dances with Australian themed songs. A fine evening of fun and friendship for all.

Beginners continue to show results in this state with the state run classes at North Perth coming close to graduation with what looks like maybe up to 20 dancers graduating. They are coming along in leaps and bounds to the excellent tutoring of Steve Turner and the great help given by the angels who turn up each week. The class at Como is well underway and more are planned for the rest of the year. Allemanders in Mindarie are commencing a beginners class on Sunday 26th February.

A 60th birthday is an achievement and Kevin Kelly made no exception to this on Thursday 9th February. He even threw his own birthday party on Friday 10th at Eden Hill with a free party square dance. A wonderful night was had by all. Pre-dance drinks and nibbles, loads of great dancing followed by a supper fit for a birthday boy. To top the evening off Kev’s club presented him with a gift of the traditional bottle of fermented grapes and a surprise presentation of a suitably

**Augusta Squares**

Augusta Squares once again put on a magnificent square dance weekend to celebrate their 31st birthday. Brendan Jordon along with Don Gauci masterminded a great balance of quality dancing for ~150 people to enjoy. Richard Muir and Jim Buckingham helped along the way and made a foursome to complete each days dancing to everyone’s delight.

Pat Mori provided a good range of dance for all the rounds dancers and also did a mini workshop on Saturday afternoon. To add variety there were the other callers that contributed to the weekend as well thanks to you all.

The committee and club members followed through on all their preparation to complete another fantastic weekend with a theme of ‘Your favourite hat’.

It was my pleasure to formerly present Peg Breadsell and Lynn Jones with their Long Service Awards – well done both of you.

We all now look forward to returning again this time next year to once again enjoy much fun and friendship set to music.

Steve & Julie Longwood
W.A. Delegate’s Report Cont.

inscribed framed “gold record” of Kev’s hit square dance record “Song and Dance Man”.

Kev was somewhat taken a back and well what can you say he “sure was chuffed”. Congratulations to Kev on becoming a Senior Citizen. Of course it brings with it responsibility of maturity now so I guess we’ll be seeing some changes in his behaviour in the future!!

Planning is well under way for this year’s State Convention on 13th and 14th October at the Loftus Centre. The theme this year will be “Spring”. Currently we are surveying our club membership for input into what they would like to see included in a State Convention to make it more inclusive and fun for all. Hopefully the survey will provide us with ideas to support dancers and enhance conventions. A Flyer and registration form is available on the web at http://squaredance.org.au/Associations/State-Societies/Western-Australia/Calendar-of-Events/2012-WA-SDC-FLYER and http://squaredance.org.au/Associations/State-Societies/Western-Australia/Calendar-of-Events/2012-WA-SDC-REGISTRATION respectively.

A dance and “think tank” Sunday is being planned by the WA State Society on Sunday 18th March commencing at 10.00 am with a dance to be followed by a luncheon and “ideas forum” to investigate ideas as to how we can promote square dancing and increase the membership as well as input into how to further manage beginners classes throughout the state. It is anticipated that this will provide some positive ideas for future planning of square dancing in WA. We hope many of our dancers will make the effort to attend and contribute their ideas.

Well as you can see WA is alive and well. We look forward to the rest of 2012 with enthusiasm.
