What's Happening!

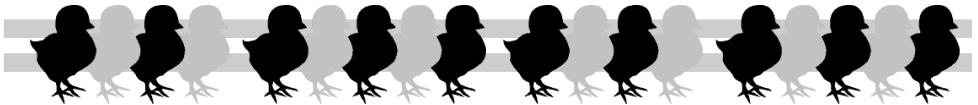

Welcome to this month's edition of the Australian Square Dance Review

This month we have reports from the Clogging Association, Round Dance Association, Behind the Mike (ACF) and the Solo Dancers. Also there is a reprint of a Dancing with Dozy article about where the square dance term Acey Deucey came from-what do you think? Is Dozy telling the truth or is it all made up - you be the judge?. There is also a great recipe for Bacon and Chive tarts that would be a scrumptious suppertime treat.

Congratulations to all those clubs celebrating birthdays. Keep up the good work!

Already Easter, try not to overindulge with the chocolate but if you do lots of extra dancing should help keep you trim. If you are travelling over the Easter break or off to a convention-drive safely.

Till next time
Rosalind

BEHIND THE MIKE

Gary Petersen – A.C.F. Public Relations

Hello again, I was asked a question the other day, Gary where do callers come from? I thought for a while before I answered. So I said, depending on your age and understanding there are different answers I could give. If you are young and naive the answer would be from under a cabbage leaf. If you are more mature I would tell you about the birds and bees and how callers meet, get married and soon after are proud parents of a new baby caller or two. What a load of RUBBISH! Callers are beamed down from outer space and have the ability to understand heavy duty terms about Square Dancing and all the technical stuff about equipment for Square Dancing.

Seriously, the correct answer is that callers come from dancers! I have not met one yet that started calling before they started square dancing! I always say dancers can get by without callers but callers can't get by without dancers. Worldwide our dancer numbers are dwindling and we are all struggling to entice new dancers and in today's society we have more competition than ever before. There is an old saying with Fashion; "If you keep something long enough, it comes back into fashion!" Another I read "Square dancing is the best kept secret in the world".

I believe that Square Dancing still has a big role to play in society and has so much to offer. We have to fight the negativity with POSITIVITY.

Anyhow back to callers. If dancer numbers are dwindling then the caller numbers are doing the same. Remember callers come from dancers. The more dancers we get then the more chance we have of getting callers. I have a formula I have spoken about with some other callers, but it is not very pretty. However, it helps put things into some sort of perspective.

Graduate ten dancers, of that four stay about three years, and of them one or two long term. Pretty much callers will come from the three year or long term ones. Out of 100 of these three year to long term dancers we could get five or so to try calling. Out of every twenty callers who give it a go we may end up with

Australian Clogging Association Inc. Report

It has been pleasing to hear of a goodly number of cloggers, who after taking a break from our activity for a number of reasons, are now back enjoying the company of, and reliving the good times with their dancing friends. Sometimes when participants in a particular activity give it up, they feel they are not welcome back. Believe-you-me, gently mentioning it to friends who may be having a break that there is always a place on the clogging dance floor for them works wonders.

A very pleasant surprise also are the number of dancers who have braved the storms, heat and traffic to get attendance levels up and going right from day one of this year's club days and nights.

With emails of cue sheets flying each-and-every-which-way, it's great to see the new additions to the National Dance List, as printed in last month's REVIEW, seem to have caught the imagination of many dancers.

The Storm King Clogging Camp was it's usual entertaining, instructive and fun weekend. Sincere thanks to Jenny, Dennis, Edith and the other willing hands who made it a joy for us all.

Get Rhythm have teamed up with a popular entertainment group led by Terry Scott, so maybe you will see them in action at a venue near you.

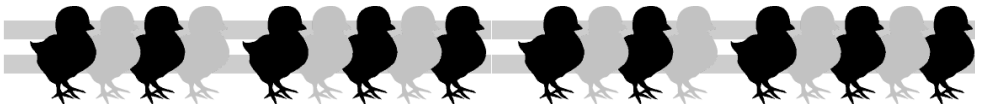

Enjoy the day,
Frances

four who succeed in starting a new club. Out of the four we may end up with one or two that really get hooked and call at National Conventions and club gigs etc. Could you imagine a National Convention dancing to records and tapes?? Real live callers make a difference, GIVE IT a GO! Bye 4 Now!!!

salt and pepper, 1 tablespoon chopped chives, 2 sheets ready rolled short crust
pastry, thawed

HAVE YOUR SAY- Voting for Dancers' Choice List 2012.

The Dancers' Choice List consists of easy level waltz and twostep dances that have been nominated by the dancer community. It exists so that there are enough easy level dances to be programmed at large functions such as the National Convention. This list of round dances was formed with suggestions from YOU, the dancer. It is maintained by ARDA with input annually from YOU, the dancer. All State Square Dance and Round Dance Associations will be receiving voting forms to be distributed throughout their member clubs for all those who are interested in having their say. This will be the current list and YOUR input is required no later than the final day of the 53rd National Square Dance Convention. The voting form will ask that you indicate the dances that you want retained on the current list.

Please indicate the dances YOU wish to RETAIN. This list has been distributed to Square Dance and Round Dance Clubs AUSTRALIA WIDE. Not attending the National? Then please hand to your caller/cuer and / or post list to ARDA Secretary, P O Box 26, Lower Plenty Vic 3093. The voting form will also be on the QRDA web site. You can download it and then hand it in at the National to any of the ARDA members or your Caller. QRDA – www.rounddanceqld.com .

National Convention and the ARDA Seminar-Hobart, 2012

At the National this year there will be an educational seminar starting on the Tuesday leading into the National. The first two days cover topics for teachers, cuers and any enthusiastic dancers. On the Thursday during the day there will sessions in the main hall that will interest a lot of dancers. Unfortunately this will not be part of your Convention ticket but you can pay at the door on a session by session basis. The content of the sessions will be a clinic on Phase III Two Step movements such as fishtail, strolling vine and whaletail, an introduction to Tango for beginners, smooth dancing techniques to move from Phase III to Phase IV Waltz, and introducing a new rhythm of Slow Two Step. The programme outlining these session times will be on the QRDA website as well being distributed to your State Square and Round Dance Associations.

As part of the National Programme there will be an introduction to Foxtrot Session. This is designed to introduce dancers to this rhythm at an easy Showcase level. As part of the National Programme this will be free for anyone with a Convention ticket.

N.S.W. President's Report

Isn't Kiama a lovely place to stay? I hope you all enjoyed the State Convention and our few innovative changes. We had some headaches but still a lot of fun organizing it for you. I would like to publicly thank all the committee members for their dedication and hard work and continued support in running the 34th State Convention. I know it is a lot of hard work over the year before the actual event and I really appreciate each and every one of you and all you did to make it a success.

Our sincere thanks to our outgoing executive members and a big welcome to our newcomers. I'm sure you will enjoy working with the rest of us over the next couple of years. Those of you who think you might like to help in the running of your Society, please do not be shy, speak to one of the existing executive and let us know of your interest. I know over the next couple of years there will be others who would like to stand down but feel they would not like to let the Society down so volunteer replacements could work alongside those already doing a job and learn the ropes.

Hope you all have a lovely Easter and don't eat too many chocolates. I believe the dark chocolate is supposed to be good for you so maybe we should try that. I guess anything in moderation can be good, it's the moderation that is hard to do.

Congratulations to all the clubs celebrating various milestones and a big thanks to the callers and committees who have dedicated so much of their time in the running of the clubs. Hope you all had a few beginners last month, Square Dance Month, and will show them how enjoyable and how much fun our favourite pastime can be.

More than a square went to Armidale for Saintly Devils birthday party. A severe storm with hail forced the bbq to be inside the woolshed, but all was well. Our own 4th birthday party attracted a number of visitors, all of whom had visited us before. Planning to dance at the Kootingal Bowling Club on St. Patrick's day evening preceded by a chinese meal (just to be different). Welcome to new dancer Bob Forrester.

This month, to coincide with Merimbula's Centenary (100 years since officially being gazetted as a town), we are having a "Free Come, See and Try Night" - hope it brings us some new dancers. Newer dancers fitting in very well, learning fast and are wonderful club members. Happy birthday George, and congratulations Wendy & Alan on your golden wedding anniversary.

Top Cats Celebrate!

During February Top Cats celebrated its 16th birthday with an extravagant afternoon and evening dance held at Engadine. The hall was beautifully decorated by a loyal band of volunteers.

The feature caller, Graham Elliott from South Australia and Brett delighted the excellent crowd with quality calling interspersed with Graham's novelty numbers. Many of the dancers travelled significant distances to dance to Graham and Brett. A handful of the dancers were founding members of the club.

The afternoon program stimulated dancers with Plus and A2 for those dedicated enough. The evening crowd danced enthusiastically to rounds, mainstream and plus followed by a sumptuous supper.

The 16th birthday of the club coincided with Brett celebrating 20 years of calling. Proud mum, Wendy and Alan presented him with a wall plaque to commemorate this milestone. Brett started dancing at 13 and calling at 15. In 1996 he started his own club, Top Cats and today still retains his enthusiasm and hunger to keep expanding his choreography.

Good calling, good venue and a large crowd made for a fantastic event and a big thanks to all who made it possible.

Solo Dancers

At the time of writing, New South Wales is being inundated with rain and flooding, so it is hoped all those heading to Kiama made it OK and that a good time was had by all.

After Kiama, yours truly, is continuing along the road south to reach Hobart in time for the 53rd Australian National Square Dance Convention on 7th – 11th June. It must be remembered that one of the reasons for holding the National in a different State each year is to allow more people the opportunity of attending and experiencing the fun of Square Dancing. There will be a lot of new faces in Hobart, but they will not necessarily be new to Square Dancing. However, many will need encouragement so wear a smile on your face and let's all have a great time.

Hopefully a Solo "get together" will be arranged so keep a look out for notices. To all those dancers who are attending their very first National Convention, welcome, and if you need help with getting a dance, look for the "Smiley Badge" wearers. Hopefully, I will be there, provided nothing untoward happens on the way – so many kilometres to cover.

Take care with your own travelling – looking forward to HOBART – and "Stepping Back in Time to Black & White".

Hello From The Hunter

Dancing - Friends - Laughter

What more do you want? Last night we celebrated Bev Ranclaud's special "0" birthday, one week early so it would be a complete surprise.

Of course when Bev saw twice as many cars as normal for our club night she was very suspicious. She didn't realize that hiding in the kitchen were a group of friends with whom she square danced 50 years earlier, (including Brian Hotchkies) most of whom she had not seen for over 40 years. Each person emerged

from the kitchen on cue to greet Bev. The look on Bev's face was incredulous. Bev is Secretary of the Hunter Valley Square Dance Society and Secretary / Co Convenor of the 35th NSW State Convention. She is the person normally organizing the event, so it was nice to see her enjoying herself, without all the worry.

Keith Howard and Brian catered for all the dancing levels. Brian called some moves that were popular in that era. After a break of 40+ years, Bev's friends still enjoyed the dancing, with minimal help from the regulars. Some of Bev's friends had so much fun, they are considering returning to our favourite past time. What a way to attract new dancers !

UPBEAT CH.A.O.S.

Caller: Gary Petersen

They say time flies when you are having FUN! Our 12th Birthday on 27th Feb. saw 2 sets having a great night with a 'TropiCOOL' Theme. Interstate dancers visited again recently, Aubrey and Joyce from Adelaide. Feb has been a hot month for dancing and numbers low. We are all looking forward to autumn. Dare to be Square, It's Fun with Flair!

Qld Club News

BRIBIE ISLAND SQUARES

Caller: Gary Petersen

Our long time club caller, Brian Horsey retired in July 2011 handing the club to Gary Petersen. We are really noticing differences between the old and new. But with some careful nurturing from Gary we are really enjoying the dance experience, musical variety and less time to talk {even while dancing!} We are dancing 4 squares regularly in air conditioned comfort!

BURLEIGH SQUARES

Caller: Alan Evans

We have had a great start to the year. Our successful Australia Day celebration in January gave way to "Learn to Square Dance" in late February. With 5 sets on the floor there was plenty of dancing as well as some social time to meet new friends. Visitors are always welcome.

GUMDALE GRANSDSLIDERS

Caller Alan Evans

2012 has started well with more new beginners and positive numbers at our Tuesday mainstream and plus workshops and Wednesday night Club dances. While Alan is on sick leave, (March), Gary Petersen will be beating up a storm in his place. All our dancers wish Alan a speedy recovery. Our 2012 Committee consists of: President-Harold Liley, Vice President-Fay Moore, Secretary-Bev Liley, Treasurer-Heather Pennington.

HERVEY BAY SQUARE DANCERS INC.

Frenzied fingers feverishly fashion frocks for Qld's State Convention. Excellent excuse for more exposure by advertising and interviews on the radio. Expect to engender much interest for the Come & Try session held in March. Anticipating both beginners classes to 'burst at the seams It's all systems go, here at Hervey Bay! www.squaredancingherveybay.com.au

NORTHSIDE PROMENADERS

Caller: Glenn Wilson

Despite a bigger advertising effort, we have no new beginners this year. However our new Plus class has already started with everyone enjoying learning the new movements. Our 8th birthday party went well on the 23rd of February. It was great to have Helen & Russell, who started the club, with us to celebrate. We are all looking forward the upcoming Society AGM dance.

RAMBLING EIGHTS

Caller: David Pearce

At our club BBQ the condition of the floor was discussed and club agreed to repair and recoat and now it is done! Hope all legs and feet find dancing on the new surface more enjoyable. We have been dancing to new numbers from David, as well as some plus. Birthday greetings to Mary Wright and Arthur.

SUNCOASTERS

More than 100 Suncoasters and friends attended the Christmas Party and had a thoroughly enjoyable night, with our new Vice-President, Cath Fox providing hilarious entertainment. Cath is an entrant in the annual Seniors Talent Quest, and we wish her well. While Nev and Bev were away with the turtles (for an extended time this year because of the floods), Gary Petersen kept the Suncoasters up on their feet having fun on Tuesdays and Wednesdays. We started a facebook page, www.facebook.com/suncoasters, and twitter at www.twitter/suncoasting, for anyone who would like to catch up with our latest news and photos.

WA Delegate Report

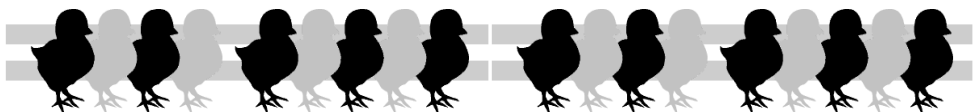

Not a lot of news from WA this month. We do have some processes in place for this month and the results of these will help determine our way forward in a number of areas into the future.

Planning is well under way for this year's State Convention on 13th and 14th October at the Loftus Centre. The theme this year will be "Spring". A Flyer and registration form is available on the web at <http://squaredance.org.au/Associations/State-Societies/Western-Australia/Calendar-of-Events/2012-WA-SDC-FLYER> and <http://squaredance.org.au/Associations/State-Societies/Western-Australia/Calendar-of-Events/2012-WA-SDC-REGISTRATION> respectively.

A dance and "think tank" Sunday is being held by the WA State Society on Sunday 18th March commencing at 10.00 am with a dance to be followed by a luncheon and "ideas forum". We hope many of our dancers will make the effort to attend and contribute their ideas. Keep a lookout in the next report as to what ideas our people have to enhance and enliven the Square Dance world into the future.

The Beginners' classes held by the Society continue to be well supported and encouraging some new people to join into Square Dancing. The North Perth classes are dancing four sets on a Wednesday night with 18 of those being beginners and the rest Angels. This class graduate next month so we look forward to them joining clubs close to them in the near future and returning to help out at the next intake of beginners to act as the class angels. Como is well into it's programme begun several months ago and from all reports has a good number of beginners eager to learn. What the future of these classes hold will be one of the matters discussed at the "Think Tank".

Happy Birthday to Dianella Rangers this month who celebrate their birthday. Cloverleaf achieve another milestone with their 31st Birthday this month as well. 31 and still going strong.

Welcome from South Australia

2012 is destined to be the year that SA brings square dancing back into the news with the appointment of our very own Publicity Officer, the first in a long time! We are all looking forward to our first social function - a wonderful dolphin cruise and dinner.

Last year we welcomed Dawn Elliott as a life member to the SA Society acknowledging her long and tireless commitment to square dancing. Well done, Dawn!

Christmas/New Year has brought more than its fair share of dancers who have passed away. Our condolences are extended to their families and friends.

Congratulations to Danae Wheeler on her appointment as State Convention Convenor for this year's convention. Planning is well advanced with the 2012 theme "Out of this World" and hopes for some exciting dress sets.

Take a look at our new website: www.squaredancingsa.com and happy dancing!

April Nicholls
Publicity Officer

Dancing with Dozy

Between us my brother and I know just about everything there is to know in this old world. Don't take my word for it. Ask me anything. I'll probably refer you to Dizzy, but that's how it goes.

So, when a dancer asked me where the term Acey-Deucey originated I called Dizzy on the eau-de-cologne and this is what he said.

In 1950 it wasn't clear whether Joe Lewis or Jim Yorke was going to come to Australia to promote square dancing and being buddies (American mates) they played a hand of blackjack to decide.

In blackjack (American pontoon) the hand closest to 21 wins but, if you go past 21, no matter what the other person has, you lose.

Joe dealt and Jim got a 10. Only an Ace (which counts as either 1 or 11) would have been better. Joe got an 8, normally a bad card, but he was philosophical. "It's an omen," he said. "There are eight dancers in a square."

The next card Jim got was another 10 which gave him the almost unbeatable score of 20, but Joe cheerfully turned up two more cards, an Ace and a 2. "Hey, look at that," he said. "Acey-Deucey!" And since $8 + 11 + 2 = 21$ he won the trip to Australia.

Years later Joe told Jon Jones of Caller Lab about it and Jon said, "That'd make a nice name for a square dance movement," and the Acey-Deucey was born.

I couldn't wait to get to the dance next week to tell my friend. He was less than impressed and asked if it was a true story. I pointed out that, if not, somebody went to a lot of trouble to invent it.

So he trusted me. (I have an honest face and people are apt to believe me if I can avoid grinning while I talk.) Dizzy has an honest face too and he never smiles when he talks, so I always believe him.

What do you think?
