What's Happening!

Welcome to this month's edition of the Australian Square Dance Review. This edition is full of interesting reports and news of upcoming events.

I am amazed at the number of clubs that have celebrated or going to celebrate running for fifty years. It is a remarkable achievement and one that should be celebrated. Square dancing has stood the test of time. Yes, I know you're all going to say but our numbers are declining and that is true. However, square dancing is good for our body, mind and emotional well being. How many activities do you know that can tick all those boxes while you are having a great time. We need to constantly spread the word about an activity we enjoy instead of mourning the end of square dancing. So what can you do to help and promote square dancing? Think about it! If we all introduce one new member to our club in no time at all our numbers will begin to increase.

Thank you to everyone who has been sending in photos of their club and society activities. They say a picture is worth a thousand words so keep sending them.

Till next time
Rosalind

BEHIND THE MIKE

Gary Petersen – A.C.F. Public Relations

Hello everyone, The ACF held three meetings on the Friday of the recent ANSDC in Gosford. The only changes to note are that our new Chairman is Jeff Van Sambeeck and Vice Chairman is Steve Turner. There were some cosmetic changes needed to even out our ACF Board State Representatives and when their term falls due. This is very complicated and works on the ACF Membership per State etc.

Our Behind The Mike session in Gosford was well attended, even though it clashed with the Pancakes in the Park. Once again the ACF put on a very informative session for anyone interested in the magic of calling. Graham Elliott facilitated the session with speakers on many facets of calling. In no particular order they were, Les Heaton, Matthew Mills, Steve Turner, Nev McLachlan and Kevin Kelly nurtured interested prospective callers to have a go.

Another area the ACF are involved in at a ANSDC is offering an ACF Get-Together on the Monday morning. This is a relaxed gathering of like minded people with their partners. It is generally a catered or buffet style breakfast and during the session we have a couple of guest speakers. The other thing we have is a segment for ineligible callers to call to their peers. This can be a very frightening experience but at the same time very worthwhile for the newbies. Prior to the segment three experienced ACF boardmembers are chosen to offer 'developmental feedback' for the participants after their call. This year we actually had one of our participants from the Hobart Behind the Mike session call at the ACF Get-Together! Well done Frank Matthews from Tassie and the other four callers who gave us some nice calling!!

Bye 4 Now !!!!

Australian Clogging Association Inc. Report

Well, hard on the heels of the clogging report in last month's Review regarding CHUG-A-LUG'S 26th birthday celebrations, came the advice from Red Cross that the Greenslopes Hall, which has been a part of our dancing lives for the past nineteen years, will close at the end of September this year and will be demolished. After taking a couple of paracetamol with a cup of tea and having a good lay down following the shock news, members swung into action and a number of halls, clubs and other prospective venues have been listed and CHUGS are working through them.

True, there is about three months to go before the club does it's final 'thing' at the Red Cross hall, but lining up the club's requirements with an available possible new home will take a little time, so let's get to it for CHUGS!

Lorraine Taylor in Western Australia is experiencing the same predicament, losing a venue for her club, so please wish both clubs early success in their hall-hunting.

The Get Rhythm Dance team continued on their merry way in June, having been part of Terry Scott's Concert Party at Wynnum Manly Leagues Club. They also did a clogging demonstration for the RSL Veterans' Home at King Street, Caboolture.

Mike Salon is the new Webmaster for the ACA. Welcome Mike. Sincere thanks to David McGrath, our previous Webmaster, for all the time and effort he put into the website over many years.

Day And Night Clogging's Easy- DANCE!

Club News from Canberra

We started the year with a rush of activity. 20 dancers from Canberra joined some 700 others in late April at the 54th National Convention in Gosford. We mustered two dress sets with our startling multicoloured outfits, and our skit advertising our own 55th Convention next year livened up the closing ceremony.

Back home in Canberra it is pleasing to see our regular two or three squares and the group of enthusiastic beginners every Wednesday evening. For those wanting more dancing, there is an Advanced night on Monday evenings with Allen Kerr, alternating with Plus dancing with Terry Polleycutt's Daylight Diamonds.

At the recent AGM of the Canberra Square Dance Society, the following office bearers were elected Mike Rickard as President, Kay Walker as Treasurer, and Gail Giuliano as Secretary.

Kerr-Ly-Qs is now on its winter break and resumes dancing in early July as does the C1 Group although the A2 Group will continue to meet on alternate Tuesdays.

Being a Solo Dancer

John Webb was a dancer from England at the Gosford Convention and he attended the Solo Dancer's meeting.

I have been a solo dancer now for over twenty years and found that different countries treat me in different ways. The Australian system using the "round up's" as opposed to the "square up's" works well simply because you are used to it and dancers quickly move into line which allows its execution over a short period of time. The Americans and the UK use the "square up" system because it has become traditional. For us to move to "round up's" would cause confusion to dancers who are not young and spritely anymore.

The Europeans (including Swedes, Danes and Dutch) employ a system where anyone can ask anyone to dance not only your partner, so no dancer has a regular partner. The enjoyment I derive from square dancing is the friends I have made in different countries and the opportunity to dance to many different callers in different cultures, where we may not speak the same language but we all enjoy the same experience.

I can honestly say that I thoroughly enjoyed my holiday in Australia due to the warm and friendly reception I received from the Australian dancers, which I hope to repeat in 2014. I wish you all well for the future and look forward to dancing with you very soon. Keep smiling.

John Webb
President British Association of American Square Dance Clubs.

Tassie News

LAUNCESTON (Glenn MacLaren & Di Ashton)

Our newest member has arrived and we welcomed Charlie Alexander Mathews to the Club just 4 days old. Even with proud parents & grandparents present, there were plenty of other willing arms ready to nurse him. Missing Di, as she holidays in US visiting her son & family and getting in some dancing too. Keeping up to date with Jill & Brian in their travels into Queensland with regular Emails. Welcome back to Dietmar after his trip back to Germany & Austria.

Our Club turned 62 on 21st. June and we celebrated on 29th. with a combined night with the Tas. Square Dance Society Memorial Dance & Amateur Callers Night when we welcomed dancers from all around Tassie. The birthday cake was cut by caller Glenn & Launceston Club President, Heather.

Committee are rather taken with Shirley's Village new Community Centre where they held their recent meetings. Robyn has the plans for the Murder Mystery Night, in July, in hand. A Progressive Dinner is planned for August. Our AGM is at the end of July. All positions on the committee will be vacant and nominations wanted. Shirley C

N.S.W. President's Report

My apologies for my report printed in the June Review, it was the wrong one. That was my report to the Committee, hence the brief statements.

After the National Convention, which I feel was a wonderful success, Ron and I went for a short holiday to visit family in Queensland. On the way we called in to visit clubs in Coffs Harbour and Armidale. Our thanks for the great dancing at these clubs. It is great to be able to pop into clubs and feel so welcome and enjoy the company of so many people.

At the end of our trip, we decided to call in at Salamander Bay to see where we would be dancing at the State Convention next year. Unfortunately it was still school time so we did not actually see the hall but we did see the school area where it will be. As this was a busy built up area and we had booked into a caravan park, we needed our trusty map to find just where we would be staying. We went for a drive almost right around the bay and truly love the area. Looking forward to next year. We have had a bid for the 36th State Convention in 2015 and I will let you know a little more about it in the coming months. Actually a bid for 2016 should be presented at Salamander Bay, two years prior to the event. So if you have been thinking of having a go, please let us know all about it. It is really great to not have to just about beg people to run them. They can be a lot of fun to help organize and can lead to lasting friendships.

The NSW Callers Dance was successful although I thought a few more dancers may have attended. Congratulations to Hillbillies and Casino Willi Whirlers on their 30th club birthday and also Robert Fitzgibbon and Laurie Preller on having danced for over 50 years. What an achievement!

We are still running the Society committee without a Secretary. Remember the committee is made up of volunteers who are prepared to give a little time and effort back to the Society in appreciation of the enjoyment they receive from the activity. We don't ask very much of you and are always willing to lend a helping hand, however when some of the positions are left vacant, it makes a lot more work for those of us who are left. Think about it NSW dancers and try to give us a hand.

Remember to keep smiling everyone. It is free, contagious and requires only a little effort.

Roslyn

Plans already underway for the big 18 in early 2014. Check out this months review for our Xmas in July theme dance - We look forward to seeing you there.

The Albinism Fellowship of Australia Inc

Wish to thank the dancers and callers who attended the NSW Callers Association dance on Saturday 25th May for their support in raising \$150.00 from the raffle. The money will go towards the youth program at the AFA's conference in October 11th to 14th 2013.

Albinism is a genetic condition affecting one in 17000 Australians. Albinism is caused by a lack of the pigment melanin. People with albinism have white hair, pale skin and are at great risk of sun damage. Most people with albinism are legally blind. For further information check our web page www.albinismaustralia.org

BURLEIGH SQUARES

Caller: Alan Evans

With a wet and miserable night we still managed to get four squares on the floor. We were fortunate to be visited by Michael Mills and his wife, from Rockhampton. Michael did a couple of numbers as well as some shared with Alan. It is great for our newer dancers to have the opportunity of experiencing a different caller.

CANE COUNTRY SQUARES, BUNDABERG

Caller: Matthew Mills

CCS gave \$303.00 being the proceeds of our annual "Dance for Heart" held in May to Heart Support Aust, Bundaberg Branch. With so many donated items on the table for continuous raffle, everyone went home with something. Our AGM was held earlier in May.

EZ SQUARES CABOOLTURE

Caller: Glenn Wilson

What a great time was had by all who attended "Snakes Alive" on the 17th and 18th May. Both nights began with round dancing. Our feature caller David Cox then kept us on our toes with interesting square dance formations and moves. Saturday saw mainstream in the morning followed after lunch with a plus session then a basic segment.

HERVEY BAY

We had our own Show – well, no Ferris Wheel or Twister, but we did have fairy floss, popcorn, showbags, a fortune teller and plenty of patrons. Nev McLachlan was the show master with brilliant calling. Very welcome visitors from Buderim, Bundaberg, Gympie and Maryborough helped to make it another night to remember! Bundaberg stayed for Rounds on Sunday cued by Bev McLachlan.

ROCKY TWIRLERS and CAPRICORN WAVES

Callers Michael Mills and Bevan Titmarsh

Club nights have been well attended and Friday nights we have a number of young learners enjoying the dancing, we have a group learning A1 and Plus. On a Sunday afternoon once a month we have a brush up session on A1 and Plus following that we all go out to dinner and enjoy the social occasion.

SALAD BOWL SQUARES, Wellington Point

On 10th May we welcomed visitors Elaine & Rob Davis. Kay and Elaine renewed a friendship of old and proved to be a great combination in calling for us. Names of stray convicts who got the date wrong

are withheld. On 31st May our penal colony was populated with some quite unrepentant offenders including direct descendants from early convicts.

SUNCOASTERS

Caller: Nev McLachlan

Suncoasters celebrated their 43rd birthday in May and were pleased to present six of our members with their ten year badges – a great achievement. Some early members are still dancing so we must be doing something right. We still retain most of our beginners from the last intake and look forward to them joining us on dance nights soon.

CAIRNS CITY SQUARE DANCE CLUB

Jack continues to improve on the sick list. It's been good to have visitors Steve and Margaret from Hervey Bay, Renee from Sydney for 4 weeks and Bruce and Dal again. Dian and Henry are back from UK. Graham's U3A learners Kerry, Judy and Helen are doing well at our club nights amid much hilarity. Ron and Betty had birthdays with yummy cake.

RAMBLING EIGHTS

Caller: David Pearce

With so many new dancers swelling the numbers lately its hard to realise how many of our regulars are away. We miss them, but might be finding it hard to remember their names and faces. We said farewell to Shirley and Arthur in May, then Jenni in June as all head south to Victoria to dance. No more migrations please.

CANADA & ALASKA

AUGUST 2014

Plans for our Canada & Alaska tour are coming together slowly.

Initially leaving from Vancouver we will cruise the Inside Passage for 7 nights.

On our return to Vancouver we will head off to experience the fabulous Canadian Rockies travelling by coach and the world renowned Rocky Mountaineer Train for a further 7 nights. During this tour we will visit places such as Banff, Whistler, Lake Louise & Kamloops and much more.

At this stage the price will be approximately \$6000.00 per person twin share excluding air fares which are unobtainable at this time.

By registering your interest even though it is not a commitment it will assist us greatly in being able to source a better price to hopefully secure group discounts.

Prices are based on an outside cabin on the cruise ship. All meals on the cruise with breakfast every day during the Rockies tour plus some other meals.

At the conclusion of the Canadian section of the tour there will be an opportunity to continue on to beautiful Hawaii.

South Australian News

Firstly we would like to congratulate the organising committee of the 54th Australian National Square Dance Convention for a great and memorable event. South Australia was well represented with good numbers of dancers, callers and cuers attending. Two SA clubs, Adelaide Outlaws and Sunset Twirlers, had dressed sets and looked fantastic and really did us proud.

Congratulations also to Les Tulloch who whilst at the national convention received his Silver Microphone Award from the ACF for twenty five years of club calling. Les is the fifth SA recipient and one of three who are still actively running clubs so we are truly grateful to have such calling experience available to us.

We also welcomed from Queensland recently John Casey. John is a very experienced caller and will be a most welcome boost to our caller numbers. John has also been appointed to call regularly at Paddlesteamer Squares located out of Adelaide at Victor Harbor. They had previously danced to records with assistance from Les Tulloch.

We are not running our State Convention this year. It is usually held in August. Instead we have a group of dancers who are enthusiastically organising a dance in the country town of Freeling. Freeling was the home of McLeod's Daughters and we are playing on the theme a bit by organising buses to transport dancers, having a meal in the hotel used in the TV show and finishing off with a dance in the Freeling Hall also featured in the TV show. It is not our usual style of dance but are hoping that is what will attract the dancers.

Happy Dancing from Anne & Les

Western Australian News

Well we are back into part mode here in the west. We ended the month of May in style celebrating Whitegum Valley's 50th birthday, officially the oldest continuous club in WA. A great evening set to the gold theme was had by all and it was good to hear and see some of the old stories and memories of the past. Congratulations to Kevin and his team of supporters for a successful evening.

Next we all travelled off to York on the 8th of June for a great afternoon of dance in the York Town Hall to celebrate the 33rd birthday of Avon Squares. Brian, Lorraine and their small band of helpers again showed us country style hospitality with a fabulous afternoon and not to mention a good old style afternoon tea.

Jo-King Cloggers celebrated their 24th birthday on the 17th June and on the 22nd June Northern Stars will celebrate the 15th birthday. With a theme of Tramps, Tarts and Transvestites I guess it will suit the three callers of that club Steve, Paul and Jim. Who's the tramp - Paul? Who's the tart - Jim? Who's the Transvestite - Steve? All will be revealed. And coming up Riverside, Happy Wanderers and Kiwilers will all celebrate birthday events.

IDS is up and running in the West. Many clubs have registered to take part and it's encouraging to see so many embrace the concept in an attempt to promote and increase participation in Square Dancing in WA. Some clubs have opted to run an event every month which is even more encouraging and the support of the clubs is appreciated. For more information check out the clubs and dates on the WA web pages at <http://squaredance.org.au/Associations/State-Societies/Western-Australia/Perth/Introduction-Dance-Sessions-IDS>.

Riverside continues to report success in running a dance on the public holiday Monday instead of closing as in the past. Seems some dancers take the opportunity to visit and enjoy a dance on the long weekend. The latest event was on the Western Australia Day (formerly Foundation Day) long weekend Monday. In the theme of "Like a Sand Groper" and a pie and sauce supper four sets danced the evening away and from all reports had a very enjoyable time.

Western Australian News

June 16th saw the State Society celebrate twenty years since the inception of the current headquarters building in Midvale, Willandra Kotara. In conjunction with a our co-inhabitants the Progressive Axemen's Society (unfortunately the Pigeon Club didn't arrive) and ourselves we enjoyed an afternoon of fun with dancing and wood chopping. Some Square Dancers took part in trying their hand

at sawing with a crosscut saw, Vic, Corinne and David gave it a good shot along with Brian and the visiting City of Swan Councillor Mark Elliott taking a chip off the old log. Well done.

So with that in mind it was only fitting that we offer the opportunity for our co-inhabitants and Mark Elliott to take part in our activity. So with three sets made up off we went. Mark did very well in his set and even jiggged around like a natural. They laughed and enjoyed and isn't that what we are all about? Fun and Friendship! If you dance it right well that's a bonus. Thanks to Chris and Celia and their band of Convention Committee helpers they roped in to provide the afternoon tea. They sure look like they are a good team to pull off yet another great state convention.

Don't forget the 35th State Convention on 21st and 22nd September. Registration forms are now out and available either by contacting Chris Karas on 08 94561266 or email Chris at aristi2@bigpond.com for a copy.

Until next time
Cheers
Greg
