## What's Happening!

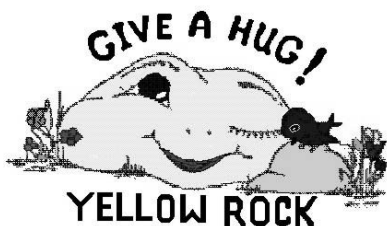

Welcome to this month's edition of the Australian Square Dance Review.

The National Square Dance Society are soon to take over the administration of the Australian Square Dance Review. This will mean that each State society will get a bill from the National Society rather than from the NSW Society. Advertisers will continue to get a bill from their state. The Coordinating Editor will remain as will the Distribution Officer. The changes will reflect that the Australian Square Dance Review is a National magazine.

So if you want your state information included send them to your state editor. You never know who will be passing through your town on your special dance night.

Remember to spread the word that square dancing is a great activity. The only thing square about it is the starting formation.

Till next time  
Rosalind

# Australian Clogging Association Inc. Report

Great news for Brisbane cloggers, and those who visit this city- CHUG-A-LUG CLOGGERS found a new hall in which to dance after being advised that the Red Cross Hall at Greenslopes was marked for demolition in the coming weeks.

Nineteen of the club's twenty-six years in existence have been spent there dancing every week. So it was with a sad farewell CHUGS held its final night of dancing there, and the very next week were treading the boards at the Coorparoo School of Arts Hall. The club is grateful for the help, from not only cloggers but the wider community, in locating and securing suitable premises for Tuesday night clogging.

Thank you to Olive and her sidekicks for once again staging a very enjoyable AUSSIE CLOG WEEKEND at Kindilan. The weather may have been chilly, but the company was warm and welcoming, and we genuinely did have a 'real good time'.

The Get Rhythm Dance Team has done another couple of successful demos.: Blue Care Centre at Mt. Gravatt, plus Salford Waters Retirement Estate at Victoria Point.

Membership of clogging clubs across Australia continue to grow and become an enjoyable part of so many people's recreational activities, and the making of oodles of wonderful friendships.

HAPPINESS is time spent with good friends, CLOGGING.

Best Wishes to All,

Frances

### STATE CONVENTION: Hobart

To be held October, 11th, 12th, 13th, 2013, St. Marks Church Hall, Bellerive. Registration forms are available from Barry Chandler at 134 Pitcairn Rd, Montrose 7010 or from your Club. Please register as soon as possible. It is our 25th. State Convention and will be featuring Tassie's newest caller, & WA's loss, Kevin Kelly.

LAUNCESTON – Glenn MacLaren & Di Ashton.

Good to have Di back from her American trip complete with some chocolates for us and a couple magazines. Mind boggling the number of clubs listed. ITS WINTER HERE with lots of heavy frosts causing some dances when out & about to end up on their posterior but no real damage. We wish Graeme all the best with his upcoming surgery. Charlie had his first dance at the club in his father's arms and now has a members badge. He only seem to cry when the music stops and has only missed one night in his short life so far. Hoping to see Roly & Jeanie soon at one of our functions and wish Jeanie all the best health-wise. Nadene celebrated a birthday with invites to Club members to join her for a Pizza & film. Jill & Brian home again after their mainland trip and birth of new grandson Koby on the Gold Coast. We thank Carolyn for her two years as secretary and welcome new committee member, Nelson with Norma taking on the secretary's job (again!) and Frank becoming Vice President. Other positions remain with same faces in the same jobs. Thanks to the previous committee for a job well done over the past year.

### KINDRED:

In recess until early September. Graeme & Shirley have been on a cruise in Europe where the amount of rain meant they had to exchange boat travel for coach at times because the rivers were running so high the boats couldn't get under the bridges! Is that still called cruising?

## Solo Dancers' Report

During June I spent two weeks in Darwin and was able to revisit the places I had been to during the June long-weekend in 2011 when I attended the National Square Dancing Convention in that city. This time, however, I was able to see more of Darwin and the surrounding area. I even saw the Ghan train arrive in Darwin. I am still amazed that a group of dedicated square dancers managed to successfully organise a square dance convention in Darwin. It gave me the opportunity to visit Darwin for the first time and thus encouraged me to go there again and see more of the city.

I have already registered for the 2014 National Convention in Canberra and will be looking forward to visiting Australia's Capital. Many dancers are unaware of the work and commitment that is needed to organise a convention. At each convention in the "stallholders" section the reports from each convention are on display. The folders contain information on everything that has been done. They make very interesting reading and are a great resource for future committees. I encourage all dancers to look at these folders. New dancers are often kept unaware of the bigger "Square Dance" picture and find it difficult to understand how the "Big Wheel" turns. The information on display at each convention provides a good insight into the "working mechanism". It is fortunate that these records are kept for all to see and lucky that someone has taken on the task of putting them all together. Have fun dancing.

## **N.S.W. Society President's Report**

Another Society Dinner Dance was held on the fifth Saturday in June and I feel it was a truly great night, we had Jouko selling his wares and a big thank you to all those who dressed up, it was fun to see the imagination running wild. Also thanks to our callers for the night, Vickie and Chris, who did a wonderful job keeping our toes tapping and brains spinning all through the evening. A big thank you also to my committee for their help and also to our past President and Vice President, Jason, for his input, pity I can't talk him into taking up the reins again. But a special thanks must go to all those who braved the wet weather and attended, without you it would have all for nothing. Sorry to hear there were a few that could not make it due to ill health and I hope you are all on the mend and will be back dancing again soon.

July, I was pretty busy with personal stuff, lots of running around with procedures and things but all is well so far. I still managed to go to Taree for Manning Prominaders excellent, as always, weekend dance. Thanks guys for continuing this annual July highlight, I look forward to it each year.

August, has Woolgoolga's annual weekend coming up quickly, another one I really enjoy attending and dancing to their different callers. This year will be their 21st so congratulations to all who have participated over the last 21 years, especially those helping with the organization well done! I personally have not attended all twenty-one but I have attended many and enjoyed everyone of them, I wonder how many people attended all of them, maybe I will be able to find out at the weekend.

Then, next month we will be celebrating a truly remarkable milestone, Newport Ocean Waves will be fifty years and still going strong. For a club to run that long takes some remarkably dedicated people and I want to thank you for the support and enthusiasm you have shown over the past fifty years. Of course I was not dancing during those first years but I have certainly had a lot of fun and friendship from the years since I started. I will definitely see you there, wouldn't miss it for quids.

Hope all the 'sickies' are on the mend and soon it will be Spring and we can all enjoy the warming weather. Remember to keep smiling everyone, pass them on as often as possible.

*Roslyn*

## N.S.W. Club News

### SUMMERLAND LARRIKINS

Caller: Wilma Flannery

Numbers are depleted due to operations and sickness. We are glad to hear Wilma is recovering at home from her kidney operation. Alma is also recovering from her bout of sickness and hospitalisation, and is also recovering at home. Karen and Frances are running the club and getting in lots of practice. Happy birthday to Leila and Fay Jeanne.

### CLOVERLEAF DANCERS

Caller: Neil Bryan

Despite the cold and state of origin, numbers have stayed up. However, may change our night for the deciding origin game. Tractor dancing email well liked by dancers. The square dancing DVD we purchased from America is also proving popular with the newer dancers wishing to review how to do the moves.

### CARPENTER & CO

Caller: Gary Carpenter

We had a little experiment towards the end of June using a hearing loop in the hall. I'm told by all the wearers of hearing aids that everything became so much clearer. So much clearer that we will approach the hall committee to see if we can install a loop permanently into the hall. Till then the experiment will continue.

### HILLBILLIES SQUARES Beecroft

Callers: Vickie and Steve.

We all had a great time at the Society Dinner Dance with good food, dancing and catching up with friends. Rhonda has been missing her dancing lately but will be back on the dance floor after her knee operation. Graeme and Doreen are just back from a trip to Europe. We heard that Bruce and Arrie have a big trip planned.

**HILLBILLIES CLOGGERS** Pymble and Hurstville

The big news this month is our 25th birthday. We had about 60 dancers and lots of fun with a scrumptious lunch. We even had a song to celebrate the occasion sung by the Hillbillies Ukulele ensemble and choir. Twenty five years is a long time for a club to stay together, congratulations to Vickie. Happy birthday Linda and Vickie.

Clubmembers have been saddened by the passing of one of our staunchest members, Ian Naismith, our hearts go out to Gwen and family. ## Casino Willi-Whirlers 30th Birthday

Congratulations to The Casino Willi-Whirlers in celebrating a milestone of 30 years of square dancing. This special birthday was celebrated on 29th-30th June.

Mike Davey was our special caller and he did a splendid job for the whole of the weekend. There were 4 squares Saturday afternoon and 5 squares on Saturday night. The Sunday morning and afternoon sessions were a combination of workshops and mayhem. We also greatly appreciated Jane Rayner for cueing the rounds over the weekend. We would also like to thank other club callers Les Lane, Barry Knight, Dougal Findlay, Karen Fenton and Frances McAlister who were able to call on the Saturday afternoon and help Mike celebrate the Willi-Whirlers birthday. Barry was also able to coerce Wilma into having a call on the Saturday night.

Past dancers were also invited to come along and join the celebrations and it was good to see several of these old familiar faces were able to be present. Unfortunately, Wilma could not be present at these proceedings due to her operation, but was able to make an appearance for the birthday cake cutting on Saturday night, which she shared with club member, Ian Webber.

Ian is the only original dancer from 1983 who is still dancing with the club today. At this ceremony, Wilma and the Willi-Whirlers were presented with certificates, one from the Square Dance Society of NSW, but as Roslyn Burrett, President of the Society could not be present, Barry Knight from the Glen Squares filled in for the presentation and congratulated the Casino Willi-Whirlers on reaching

## Casino Willi-Whirlers 30th Birthday Continued

their 30 years in square dancing. The second certificate was presented from the Northern NSW Square Dance Association, of which Wilma is President, and was presented by Frances McAlister, Secretary/Treasurer

The weekend went without a hitch, except for one small incident where someone forgot the bread for the BBQ, but a quick car run down to Aldi's fixed the problem.

Wilma can be very proud of her club dancers, as the weekend was a success with Karen Fenton doing a splendid job as co-ordinator, Barbara and Robert who manned the raffles (and a lovely lot of raffles they were too), and other club members - Heather & Ray, Glenyis & JD, Jessie, Ian, Des and Mya – all jumping in and helping in numerous ways over the weekend. Another special thanks to JD & Ian for their expertise in cooking the BBQ on Sunday, and lucky they were undercover due to the rain that fell that day.

We can only hope the Casino Willi-Whirlers can continue for another 30 years.

Congratulations.  
Frances McAlister

# Western Australia Delegate's Report

Wet and extremely cold here in the West. Most unusual temperature for this time of the year but the rain that comes with it is very welcome. We hear that it is also getting through to our friends in the wheat belt area so that is very good news indeed for our friends in the country. Maybe it's acclimatizing those delegates who will be travelling to Canberra next year for the National Convention.

Planning is well under way for our State Convention over the weekend of 21st and 22nd September. The theme is "Summer" and I believe a spectacular arrangement of summer theme decorations awaits us at the venue. Remember if you're thinking of travelling to the west soon that the September period would be a great time to take advantage of our spring weather, wildflowers all over the state, wineries in the Swan Valley and Margaret River region and then as a side trip you could attend the state convention.

The Annual Callers' Ball is being held on Sunday 11th August at the High Wycombe Community Centre. The theme is numbers so it will be interesting to see what numbers the organisers come up with. The afternoon commences at 2.30 pm through till 5.00 pm. Some of our callers are eligible for the State 25 Year Callers Award and these will be presented on the day as well as a Life Member presentations.

This month Rhythm Rounds will celebrate their 2nd Birthday dance and P&R Rounds will have a Father's Day Dance for all the hard working and deserving fathers. Other than that it's a very quiet month coming up for clubs in WA. September through to the end of the year will see an increase in activity as members slowly come out of their winter hibernation (and of course all the grey nomads with their caravans return from the North )

Until next month

## Northern Stars 15th Birthday

Put quite simply – we all had lots of fun at Northern Stars 15th birthday in June with the theme - Tramps, Tarts & Transvestites.

Our caller's put on an awesome display of talent with Stephanie the Tart (AKA Steve Turner), Mrs Brown the Transvestite (AKA Jim Buckingham) and Terry the Tramp (AKA Paul Long). There was also a guest call from another tramp called Richard Muir.

Not to be out done were a number of fellow dancers getting into the theme including yours truly Dr Frankenfurter (AKA Society president Steve) along with Bruce & Royce as Transvestites, Janet, Val, Mi, Faye, Julie, Suzann, Lorraine & Margaret J as Tarts and Colleen, Ron B, Margaret B, Marilyn, David, Ron C, Bill K, Trish & Kaye as Tramps.

This was truly a night to remember as Northern Stars partied hard from start to finish with lots of hilarious moments along the way. Stephanie flashed more than her legs around to the delight of Terry the tramp and Mrs Brown who could hardly contain herself.

Terry the tramp revealed his stash of useful goodies in his shopping trolley and tried some of his tricks without luck on a streetwise Bill who was not going to part with his real money for fake money. Mrs Brown was a show stopper with her pearls of wisdom and her motorized esky to hold all her appliances. This ensured that she was well equipped to deal with any outing and have a ball with the boys and girls I did notice that some of the ladies had difficulty knowing how to 'embrace' me but some of the boys needed no encouragement.

Who says square dancing is for the oldies....it is for the young at heart with a good fun time in mind for one and all without the need of alcohol and drugs to reach any artificial highs.

As well as celebrating Northern Stars birthday we were delighted to also celebrate Val Lowe's birthday and finished the evening with Val cutting the cake before enjoying a delightful supper to round off a fantastic evening.

Kind regards,  
Steve & Julie Longwood

- 2 Remaining couples join hands and take a step backward. This will allow the injured person and attendant air and room.
- 3 Raise joined hands as high as possible in the form of an arched circle.
- 4 On seeing this signal, the caller or hall monitor will immediately place an Emergency Call for Medical Aid.
