April 2007

My Scribble

## Calendar of Events

The last couple of BBBs have had some problems. Hopefully, with copy coming in early and me not trying to get too much into to small a space these problems should be avoided in future. It may mean a couple of extra pages but that is better than mucked up articles. Where it is necessary to have full-page forms included they will go towards the last pages and it will be left to the reproducers as to how many they print.

Our dancing movement prides itself on being friendly and fun. It came home to me that at times the BBB does not stick to these requisites. It gets too serious so there will be an effort made to 'lighten up' in the future. I have a mind to include a little article away from our activity. If you don't like this idea please let me know. This is your communication channel and without your contributions it will not exist so please have your say.

Contributors are getting accustomed to having correct copy in two weeks before the end of the month and that is a great help. Thank you. The extra time is needed for spelling, language and grammar checks. I am normally 'politically incorrect' and a bushy to boot so these checks are necessary. Between this 'correct language' and TV shows the Australian vernacular is disappearing and that is a real shame. We need a bit of the old polite 'colour' in our exchanges. It is part of the Australian character, in my opinion.

Lack of new dancers is still a widespread problem so if your club is enjoying an increased enrollment let us all know how you did it. It encourages other clubs to have a go.

If you have an article, add or whatever for the next BBB please have copy in by 17<sup>th</sup>. April. Have a Happy Easter and have a look at the meaning and origin of this period. It is not just another holiday. Stay safe and well.

Noel Miller

## NEWS FROM CANE COUNTRY SQUARES

Cane Country Squares wish Rachelle Kelly and Michael Mills all the best for their future together. They were married in Bundaberg on 10<sup>th</sup> March 07. Rachelle is the grand-daughter of our caller Shirley Kelly and Michael was one of our younger callers. Rockhampton club has now gained two of our previous members due to work commitments.

Our Club is back into dancing again and welcomes new members who are coming to our learner's classes. We are trialing a new approach to classes this year. New members will be given 10 lessons for the price of 8 and have been requested to pay in advance. We hope they enjoy dancing so much they will be motivated to keep coming back for more lessons. They are advancing very well and we hope they will integrate into club nights soon and still keep learning something new under this system whilst enjoying the friendship of our club.

Pam Garson  
Publicity Officer/Cane Country Squares

## Burleigh Square Dancing Inc.

This club is dancing every Saturday evening at the Senior Citizens Hall, 42 Matilda St, Burleigh Heads.

Beginners are welcome and intermingled with mainstream from 7pm -. 9.30pm. Around about 9.30 supper is enjoyed and we close is at 10pm. Plus is interspersed throughout the night, depending on numbers available.

Alan Evans is our main caller, with the effervescent Andrew Reid filling in on various occasions. We will be in recess over the Easter weekend.

We are looking forward to our club special Birthday in July.

Club Secretary,  
Susan Mackley

## STEPPING OUT WITH CLOGGING

Alterations to our Clogging venue at the Brisbane City Hall- the beautiful Sherwood Room- were completed on time for us to enjoy once again our Monday morning classes. Olive, Dian, myself and a great bunch of dancers enjoy the grand surroundings. Come and experience it with us, even if only for a look-see as we continue to attract beginners and experienced Cloggers.

A Clogging Club has started in Maryborough. Best wishes to Sarah and her dancers for a happy future as members of the Clogging community.

The Storm King Camp was yet again another WOW of a time with the programming and organising skills of Edith and Jenny continuing to make it a special part of our Clogging calendar. Congratulations all round to local and interstate dancers who ensured the camp's success.

Next out of the blocks in the Queensland Clogging stakes is Aussie Clog weekend, with Olive and her helpers hot on the trail of some exciting programming. Apart from Queensland Cloggers, dancers from 'down south' will be joining us in mid-July.

Practising for a number of events continues apace- thank goodness cooler weather is on the way!

Preparations are under way for CHUG-A-LUG CLUB'S 20<sup>th</sup> Birthday celebrations on Sunday 20th May. More news in the next edition of the BBB.

Up on your feet, out on the floor-  
LET'S DANCE!!

Best wishes,

## DAYBORO FUN SQUARE DANCE REPORT.

Operationalwise, it was a success. Margaret Baines, as usual, did an outstanding job teaching the beginners and was very well supported by 31 club members.

New memberwise, it was very ordinary and despite the fact that square dancing is taught as part of the curriculum at Pine Rivers High school, their total lack of interest stood out and was quite disappointing.

Apart from coverage in the " Bugle," notices were posted as follows;

Dayboro tourism office ... Dayboro police station ... All local supermarket notice boards

Pine Rivers Shire local activities website .... 1 month

Dayboro State school newsletter .... 3 editions

Pine Rivers High school locker handouts .... 180

Dayboro Grapevine newspaper. classified .... 1 edition

Valley Whistler. detailed news articles  
& display advert. .... 2 editions

The Westerner newspaper. classified .... 3 editions (circulation 12,000)

The Northern Times newspaper

Detailed news article with full colour picture & front page colour header .... Coverage in 2 editions (circulation 87,667) Over 100 handouts through club members.

Results. 10 beginners, (possibly 5 new members throughout various clubs) and 4 telephone enquiries.

Comments invited. Brian & Carol Newman

### **Gumdale Grandsliders Square Dance Club inc.**

Gumdale held their AGM 27<sup>th</sup> Feb. and a good roll up of over 65% of the club were in attendance at this day meeting. The outgoing committee was congratulated on their efforts on behalf of the club. Past President Harold and Bev were present at just about every dance during their year as was Carole MacKinney the outgoing Treasurer. Well done.

The result of the election was :-

President Kevin Mahoney  
Vice President Harold Liley  
Treasure Dawn Savage  
Secretary David Rogers.

President Kevin emphasized that duties would be distributed more and the forty plus members present were happy to be involved. Some of the feature events for the club are well into the planing already and will be advertised in the Bugle.

### **Heritage City Hoedowners Square Dance Club.**

Damper and Lamingtons and the Australian Flag signaled Australia Day dance on 26<sup>th</sup>. January. The hall was decorated by President Daniel McCarthy and David Habler our caller was in fine form for the night.

Our next Theme dance was a Birthday Celebration for those who had Birthdays while the Club was in recess. Another jolly night with the dancers from Hervey Bay swelling the numbers. Good Dancing, Sparklers, Balloons and a Birthday supper provided another good night.

The Club then celebrated the 18<sup>th</sup> Birthday on 3<sup>rd</sup> March. Andrew Reid from Brisbane was the caller. Plus dancing in the afternoon, a BBQ tea, then Mainstream and a variety of dances until 11pm capped off a good time.

The Clubs Appreciation Award for 2007 went to Elwyn Garvey a lady who always helps whenever possible with the running of the Club and is a worthy member of our Organisation.

Our sincere thanks go to those members of the Hervey Bay Square Dance Club who support us with our Plus Dances and are always with us when we have Theme or Special Caller Dance.

Thanks also go the Cane Country and Mothar Mountain Square dancers who help us enjoy our functions.

Regards to all. Helen Meyer Secretary.

## Square Dancing Around OZ

I love touring this great country of ours and I also love Square Dancing. As I travel, I frequently time my visits to towns and cities, to coincide with a dance that I can visit, especially if there is a big weekend event or a convention happening. I have found that there are many others who do the same thing. A few of us have discussed the idea of forming a contact group of such people with the view of sharing itineraries and information about events and possibly arrange to meet at certain places.

I know that there are quite a few Square Dancers traveling this country, perhaps we could organize gatherings to dance and chat at caravan parks and the like. I have volunteered to start a data base of interested parties, then we will establish a group if there are sufficient numbers.

Any Square Dancers who are interested should send their contact details to:  
Don Gillespie - (D'on the Wallaby)

PO Box 102,  
Para Hills,  
SA 5096

Or preferably by email to

## The Silent Treatment

A man and his wife were having some problems at home and were giving each other the silent treatment. Suddenly, the man realized that the next day, he would need his wife to wake him at 5:00 AM for an early morning business flight.

Not wanting to be the first to break the silence (and LOSE), he wrote on a piece of paper, "Please wake me at 5:00 AM" He left it where he knew she would find it.

The next morning, the man woke up, only to discover it was 9:00 AM and he had missed his flight. Furious, he was about to go and see why his wife hadn't wakened him, when he noticed a piece of paper by the bed. The paper said, "It is 5:00 AM. Wake up."

Men are not equipped for these kinds of contests.

## It Could Be Anyone Of Us.

Many people go bald because of cancer. Some have no choice because of chemotherapy, which they have to have to help them fight this disease. The others who go bald do it voluntary to raise money to help find a cure for this disease. Rod Dente is such a volunteer and it would be great if we all got behind him and throw a few dollars his way to help. Rod will lose his 'curly locks' publicly at the Snakes Alive Festival (and I was told he is a quiet retiring person).

All that is needed is for one person (the mysterious someone) in each club to get going and organise a 'pass the hat', raffle, two up game out the back or some easy fund raising effort and send the resultant funds raised to Rod. I reckon it would take about thirty minutes of 'someone's' time. Let's put your name there instead of 'someone' but **DO IT NOW**. Let it go for a couple of days and as we all know nothing will happen in your club. I wonder who the next poor individual will lose their hair non-voluntary?

We will let you know how much the Square Dancers of Queensland raised for this appeal.

Any cheques to be made out to the **Leukaemia Foundation of Qld.** and sent Rod Denti, PO BOX 124, Golden Beach, 4551. He will post an official receipt back to the Clubs who contribute if they include their postal details

## Moreton Bay Squares

A big Hello to you all out there from Moreton Bay Squares. It's great to be back in the saddle again so to speak. Hope and pray you are all coping with the heat a bit better than I am. (I think it is something to do with the age thing). Now I look forward to winter I am afraid. Humidity and all joking aside it is great to have the rain.

Our club has had a great start to the New Year, with a number of new members joining us on a Saturday morning. We all know how hard it is to recruit new dancers these days. We have heard all the excuses for and against recruiting drives etc and I must add Moreton Bay have tried all angles, including flyers in letter boxes. So it is with a sense of satisfaction I share with you our latest attempt.

We recently have received a new small News Rag, unique to Russell Island mainly for business advertising and selling of goods, bits of local news and gossip etc. One of these little papers is dropped into all letter boxes once per month so I thought it was a new way to try again for our cause. A quick word to the editor and a well worded ad in the February addition has to our delight realise five new dancers and three more still thinking about joining us. We have started a basic learners course which has been incorporated into our Saturday dance time. With the wonderful help from our caller Noel McKenzie and our club angels and mentors we are now into our fifth week of this course. I thank our angels, mentors and our caller, for their patience and time taken to make our new friends feel at ease and most of all welcome.

All the new dancers are enjoying their time and are doing very well. We will probably run another of these courses at a later date.

I would like to invite you all to attend our 16<sup>th</sup> Birthday party. We are sweet sixteen this year and look forward to a great day. Please check your club boards and this paper for our advert. See you all at the party soon.

Regards and happy dancing.  
Nellie Forbes (President)

## The Small Land owner.

A man owned a smallish property out near Cunamulla. A union official dropped by, on a routine check to see if he was paying proper wages to his help.

"I need a list of your employees and how much you pay them," said the union bloke

"Well," replied the farmer, "There's my offsider who's been with me for 3 years. I pay him \$600 a week plus free room and board.

"Then there's the cook. She's been here for 18 months, and I pay her \$500 per week plus free room and board.

"Finally there's a half-wit who works 18 hours every day and does about 90% of all the work around here. He makes about \$30 a week, pays his own room and board, and I buy him a carton of beer every Saturday night."

"That's the guy I want to talk to, the half-wit," says the official.

"That would be me." replied the farmer.

## The Right Thing.

Marty wakes up at home with a huge hangover after his office Christmas Party. He forces himself to open his eyes, and the first thing he sees is a couple of aspirins and a glass of water on the side table. He sits down and sees his clothing in front of him, all clean and pressed. Marty looks around the room and sees that it is in perfect order, spotless, clean. So is the rest of the house. He takes the aspirins and notices a note on the table: "Honey, breakfast is on the stove, I left early to go shopping Love you."

So he goes to the kitchen and sure enough there is a hot breakfast and the morning newspaper. His son is also at the table, eating. Marty asks, "Son, what happened last night?"

His son says, "Well, you came home after 3 A. M., drunk and delirious. Broke some furniture, puked in the hallway, and gave yourself a black eye when you stumbled into the door."

Confused, Marty asks, "So, why is everything in order and so clean, and breakfast is on the table waiting for me?"

His son replies, "Oh that! Mom dragged you to the bedroom, and when she tried to take your pants off, you said, "Lady, leave me alone, I'm married!"

A self-induced hangover - \$100.00

Broken furniture - \$200.00

Breakfast - \$10.00

Saying the right thing at the right time - Priceless
