Every now and then we read a tribute to a real character . And so it is in this edition of the Bugle. We first met Bill McHardy in Ayr about twenty five years ago where he and the late Don Prollocks were the regular callers at 'The Inner Circle Square Dance Clubs' May Day events. The wit and calling ability of these two attracted many dancers from Cairns to Ayr and all points in between. You can share a well written article on pages 10 & 11. It is well worth a read, Noel M.

## STEPPING OUT WITH CLOGGING

Apart from a few frozen Koalas falling out of gum trees during Saturday afternoon, which made our visitors from Victoria feel right at home (the temperature, not the plummeting Koalas), the Aussie Clog weekend camp at Redland Bay kept up it's reputation as a Winter wonder- wonderful cueing and dancing, wonderful friendship and happiness, a wonderful relaxed feel about our surroundings, wonderful food and accommodation and- well you get the picture. It was just WONDERFUL!!

Thanks to Olive and the wonderful (there's that word again) helpers without whom it just plain wouldn't happen. Pats on the back to you all. Very impressive was the number of intrastate and interstate visitors who joined their Brisbane friends over the weekend.

Next year's Aussie Clog may have a change of date later in the year due to the ACA National Clogging Convention in Cairns, but you will all be advised in loads of time so as to organise your weekend at Redland Bay.

A return invitation from Cazna Gardens Retirement Village at Sunnybank Hills for the Get Rhythm Team to once again 'do their thing' for the residents who are an enthusiastic audience. Date is the morning of Wednesday the fourth of August.

Don't forget the **Seniors' Expo** at Strathpine on Tuesday, 17<sup>th</sup> August. We'll be there at 10 a.m. It's a great day of stalls, entertainment and activities. The Centre is in Mecklem Street. Free admission and parking. Ten minutes stroll from Strathpine Railway Station.

Live and enjoy the moment- come Clogging.

Until next month, Frances

## Hervey Bay Square Dancers

Our long standing member, Joan Miller passed away on June 14th, after spending several months in hospital. Through the years Joan was a valued member on our Committee, in the role of Vice President, Treasurer, Assistant Treasurer and Assistant Secretary. As well as being active in these roles, Joan could always be relied on for the great variety of behind-the-scenes jobs in any Club. In honour of Joan we present the following:

*Small in stature, big at heart*

*'Tis sad we are, you must depart*

*A quiet achiever, always there  
So many chores were in your care.*

*Each week you opened up the door,  
Without a thought WE took the floor.*

*Whilst in the kitchen a busy bee,  
Preparing the cups, coffee & tea.*

*Without complaint you joined a square  
Despite the pain you had to bear.*

*A gentle nod, a wary smile  
We shared your life just for a while.*

*Commendable as a committee member too  
Privileged we are to have known you.*

*We, the Hervey Bay Square Dancers salute you,  
God Bless, Joan.*

# Round Dance Corner - QRDA.

[We are looking forward to our upcoming International teaching weekends with Curt and Tammy Worlock.](#) They will be using the first of their two weekends, August 28-29, with us to hold a “Boot Camp” on Waltz, starting from the very beginning –hold, posture-etc– thru to the Phase IV movements. It will include all the movements used in “Square Dance Waltzes” and should be an eye-opener to most of us who usually just learn a new dance, but don't learn correctly how to use body flow, posture, and the connection between dancing partners to allow us to float through the routine. The whole weekend will be based on the Waltz, whilst the Saturday evening dance will be the usual club level mixture of rhythms.

The second weekend, September 4-5, will see teaching at the phase V level and see several rhythms taught over the two days. Again there will be a club level dance on Saturday night, as with the first weekend. Both weekends will be catered for – lunch, dinner, and coffee breaks – with the registration forms available on the website- [www.rounddanceqld.com](http://www.rounddanceqld.com). Venue for both Worlock weekends is Clairvaux McKillop School Hall, Klumpp Rd, Mt Gravatt.

Valentine Rounds hosted the annual Beginner dance at the end of June and despite an unexpected change of venue saw about 20 couples enjoy an evening of mixed dancing. Hemmant Community Hall was the new venue and we all discovered how good the hall is, especially the huge supper room out back.

Bev McLachlan was made a Life member of the Australian Round Dance Association during the recent Convention at Wodonga. Congratulations, Bev. A fitting award for someone who has worked tirelessly over many years to assist in making Round dancing the activity we enjoy today.

## OPEN-TOED SHOES

On a number of occasions I have been asked,  
“Are ladies allowed to wear open toed shoes to conventions and other large dance occasions ?”

I made enquiries and received the following answers.

First from the representative of the Qld. Callers Association which is the body who set the rules for the Qld State Convention :- “There is no rule against open-toed shoes. The only rule is heel size, ie more than 1 square inch or 25mm square”.

*And Quoting from the Manual for Operation of Australian National Square Dance Conventions clause (120.6c) “Clean, low-heeled or flat heeled shoes or jiffies of a type that will not mark or damage the floor shall be worn. Spike or small type heels are banned (heels must be a minimum of 25mm long in all dimensions in contact with the floor surface)”.*

*I hope this clears up any doubts about which ladies shoes are allowed on the dance floor at major functions.*

*Noel Miller.*

## CANE COUNTRY SQUARES BUNDABERG

Our Club is having a very busy year. On 30<sup>th</sup> July, we are having a Winter Woolly Night, where we will dress in our warmest winter woollies and a prize will be given to the person with the most appropriate outfit.

Following that on the 6<sup>th</sup> August, we will hold our annual “Jeans for Genes” night. We will wear our jeans and have a sausage sizzle, commencing at 6 pm. Members are requested to bring a salad or sweets and the committee will organize the sausages.

There will be no dancing on the 20<sup>th</sup> August, as several of our members are looking forward to attending the 30<sup>th</sup> Qld State Square Dance Convention in Rockhampton on 20, 21 and 22 August.

Matthew Mills has started a Plus and A1 Class Wednesday nights at the Marching Girls Hall in Quay Street from 7-9 pm for anyone wishing to learn.

We've had several visitors from other Clubs recently and it has been very good to see them. So if you're up this way call in and see us, we love to have visitors.

The children were lined up in the cafeteria of a Catholic elementary school for lunch. At the head of the table was a large pile of apples. The nun made a note, and posted on the apple tray:

'Take only ONE. God is watching.'

Moving further along the lunch line, at the other end of the table was a large pile of chocolate chip cookies.

A child had written a note, 'Take all you want. God is watching the apples.'

## GUMDALE GRANDSLIDERS

### BASTILLE BALL

On the 14<sup>th</sup> July to celebrate the national holiday of France, Gumdale Grandsliders held a successful Bastille Ball.

Around 60 dancers attended the special evening at Alexandra Hills Community Hall along with our resident caller Alan Evans, and guest callers Margaret Baines and Glenn Wilson from North Brisbane.

Dancers were attired in everything French from Upstairs Maids to Prison Jailers and included our Club President as Napoleon, his wife as Marie Antoinette, many Parisienne gentleman with berets and a Can Can dancer complete with garter.

Appropriate French music was played between the Square Dancing which included the special move GUILLOTINE – defined as HEADS ROLLAWAY.

The hall was decorated in the colours of "Le drapeau tricolore" (The French Tricolor), Blue White and Red, with a large drawing of the Eiffel Tower as a backdrop, and also two cannons placed at the each side of the stage.

Dancers sat at individual tables of eight decorated with tablecloths and French Flags where they ate nibbles and drank Punch and Non alcoholic wine.

Supper was served and consisted of French Onion soup, French sticks, Pastries and petit fours, plus sumptuous cream horns made by our own Mavis.

Peter Storey – Vice President.

### **SUNSHINE SQUARES AND ROUNDS**

After a lot of asking and pleading the caller of Sunshine Squares and Rounds at Clontarf finally gave in and ran a night of Round dancing.

It was held on the 3rd July at the Clontarf hall with 12 couples having a great night. Some of the new Square Dancers had seen Round dancing and were keen to give it a go.

The night was a mixture of teaching and dancing nostalgic rounds such as Kontiki, Roses for Elizabeth, My Wife's House to name but a few. A great supper followed with much discussion and a hope that more of these nights might follow.

**Lyn MacPherson**

**Caller, Sunshine squares & Rounds**

### **Wavell Whirlaways**

Some members of Wavell who are keen Round Dancers attended a night of Rounds with Lyn MacPherson at Clontarf. On Saturday 3rd July we enjoyed a night of teaching and dancing some Golden Oldies. Twelve couples had a great night and look forward to the possibility of more nights like this.

The following weekend a few of us again joined Lyn and her dancers to walk the Ted Smout Bridge. The majority of us (21) walked from Clontarf to Brighton and back again. Lots of photos were taken along the way. A little bit of rain fell towards the end of our walk but it was a fun afternoon for all.

Dancers now finalising plans to attend the State Convention in Rockhampton.

The hall at Wavell now has a brand new stainless steel kitchen with some things still taking a little getting used to.

Margaret and June

## **Rambling with Rambling Eights**

July has been a very active month for our club members.

We had a superb Soup Supper Night with five pots of homemade soup and a variety of bread rolls. Faith made a chunky "Free Vegie Soup", Norma did a "Mulligatawny", Kim created a tasty "Tomato", Elaine came up with a superb "Pea and Ham" while Peter Worthington came up with a special creation from his kitchen. Lionel and Robyn supplied the bread. These recipes will be available on our website shortly ([ramblingeights.org](http://ramblingeights.org)).

On July 9<sup>th</sup>, the hall bounced with music from the 60's and 70's. David called hit tunes from that era and we held competitions to see who knew the original artists.

Wednesday 21<sup>st</sup> saw 2 sets of Rambling Eights visit Kay Walker's "Uniting Squares" at Kenmore. A good dance evening was had by all as Kay and David kept the night moving along (sorry Ms Gillard) in a party atmosphere.

Our "Christmas in July" Party Dance on 23<sup>rd</sup> turned out to be an exceptional "Dance Party". Over 70 dancers attended as well as callers from other clubs. Noel McKenzie, Graham Brandon and Peter Story joined the programme to give dancers a variety of "Christmas" calls. Barbara O'Connor débuted at a party night with a fine call to "Unto Us This Holy Night".

The hall was decorated with Christmas decorations, the Supper table was laden with "Christmas" fare, and there was a "Super Raffle". Our thanks go to all who contributed prizes to the raffle and those who helped set up and made sure the evening went well.

Our Trainee callers enjoy their spots on the programmes several times each month. Barbara is especially fired up following her attendance at the Brian Hotchkies Callers' School and is practicing enthusiastically for the Amateur Callers' Session at the QCA Gala Dance in August.

We have nominated the Letter "C" as the camp theme for 2011. This should open all sorts of doors for the imagination of campers to dress for the theme and present ideas for the after-party. Camp registrations will open in October when registration forms will be available on the website, in the Bugle, as well as from David & Faith. Con'td

Hazel is now collecting names of club dancers who would like to attend our end-of-year outing. We are going to the "Stage Door" theatre for a show, (Movie Madness) and dinner.

Salad Bowl Squares have agreed to combine with us to make a bid to host next year's Society Christmas Party. More planning will take place later in the year and early 2011.

We look forward to this cooperation between clubs.

David & Faith Pearce

## **PINE RIVERS SENIOR CITIZENS**

By the time you receive this report we will have held our Christmas in July dance. Our next dance will be on Saturday 30<sup>th</sup> October and our final dance for the year will be our New Year's Eve dance on 31<sup>st</sup> December.

Our October dance is a "Pre Melbourne Cup" theme. We thought it time to get away from the Halloween. Can't wait to see the variety of outfits being worn that night. As usual the commencing time is 7p.m. at the Community Hall, Anzac Ave. Kallangur, Cost \$6. Should you have any further enquiries please phone either Margaret 3285 2130 or Jan 3385 9947.

Despite the colder weather, we are still dancing 3 squares most weeks with the occasional 4. We are very grateful to our band of loyal dancers.

We have a very busy month of dancing with the Convention in Rockhampton commencing 20<sup>th</sup> August followed by the Gala Dance and Sunshine State Round up the following weekend.

Looking forward to seeing you at one of these abovementioned dances.

Jan Hay

## **BAR K CIRCLE W**

A club social picnic at Clontarf was well attended. Club members travelled to Wodonga for the National in June. Maurie & June joined with Nev and Bev on their travels of the Gibb River Road. A social outing at the Winery at Maleny was also very well enjoyed by those who attended. Next club function is a visit to The Square Dance Centre in Buderim to help them celebrate their 25<sup>th</sup> Anniversary

## HERVEY BAY

Here's a little snippet from Hervey Bay to inform dancers around the traps of our activities.

Hervey Bay members are enjoying great dancing on Monday and Wednesday nights and Thursday afternoons to a great variety of callers on our many CDs. These are being transferred to our new laptop. Already it is paying off as we can now choose from various play lists and run a dance programme with little effort. It's a work in progress as we have a huge number of CDs and tapes to transfer and transcribe. Thanks goes to our committee for all this great effort.

We are running two learning classes, one on Wednesday night with 2 couples and a lady, and the other on Thursday afternoon with 7 ladies and 2 juniors learning Basic. Both are held before the Mainstream sessions. They are all enjoying the fun in a casual and relaxed atmosphere. As always, a big thank you must go to all the angels who tirelessly assist with the learners everywhere.

Hervey Bay has a guest caller every 2nd Saturday of the month, with a PLUS session in the afternoon and a Mainstream at night. In August there will be no special caller as some of us will be going to Buderim to dance to Jerry Jestin, and two weeks later we'll be in Rockhampton for the State Convention.

Nev McLachlan will be up here on the 11th of September, with PLUS at 2pm and MS at 7pm. The theme for the evening will be Whale Watch, the colours of the sea. If you are travelling through this way, come and join us for a square-up, you will be most welcome. You can drop us a line at: [squaredance4u2hb@gmail.com](mailto:squaredance4u2hb@gmail.com) to check for upcoming callers. Happy dancing everyone.

## SUNCOASTERS:

For those of us who attended the National Convention we had a great cold time. Unfortunately we were unable to put in Club news last month as we had a quick turn around between the National and leaving for the trip to the Gibb River Road.

Congratulations to our dressed set who represented Suncoasters as it was the only one from Queensland in the dress set parade at the National in Wodonga.

A very special thank you to Gene and Gary for stepping in whilst Nev was away. The dancers had a great time so hopefully Nev and Bev will be able to do a bit more travelling now?

All dance sessions going well and promotion will be starting soon for our next round of beginners.

Hope to see many of you at our 25<sup>th</sup> Anniversary Week-end for the Centre and also in Rockhampton at the State Convention - don't forget we have changed our week-ends in August ( see Notice in this Newsletter).

Congratulations to our newly weds Paul and Natasha (Mr & Mrs Green).

## SUNSHINE COAST

### SQUARE DANCE CENTRE:

Will we have celebrated our 25<sup>th</sup> Anniversary, or will it be just about to commence when the Bugle comes off the print line? What new tricks will Jerry have planned for us this year?

Our guest caller for the week-end, Jerry Jestin from the USA, offers a fantastic programme in all levels - really gets the brain into gear. Many bookings have been received by campers from near and afar for this week-end.

Our new kitchen is in place and working rather well. Our usual group of travellers have started to arrive for the warmer weather.

What major project will they complete this year? Last year they painted the inside of the hall and the year before the roof.

A very big thank you to these folks.

## With a Do Sa Do

The music begins and Bill McHardy, Square Dance caller extraordinaire announces, *'Take your partner and Promenade round the floor.'*

Another weekly U3A Square Dance class has begun. As usual, Bill is keen, enthusiastic and ready for a good time – aren't we all! With a wicked gleam in his eye he says, *'If you want to dance in the top set (nearest him on the stage) it will cost you \$50.'* Bill, a canny Scotsman, hasn't told anyone how much extra cash he's made from such blatant corruption, but we are lead to believe it's a small fortune.

Bill and his wife Beth have been Toowoomba Square Dance stalwarts for over forty years. In 1966 they began a square dance class in the very hall we now dance in, Laurel Bank Park Hall and in 1970 formed the Garden City Promenaders which continued successfully for forty years. Obviously they have a wealth of experience to draw on and any number of stories to share. However, separating fact from fiction can be challenging at times because Bill is such a story teller, and some of his stories are almost as tall as Bill.

*'Did I tell you about my son, Malcolm? He's been square dancing all his life; in fact he began square dancing nine months before he was born. Mal's memory is so good he remembers going to a weekend square dance with me and coming home with his mother! Now you think about that for a moment,'* says Bill.

The reason I enjoy square dancing so much is due largely to the McHardy's. Bill is an outstanding teacher; with him learning is always fun, there are never any put-downs, everyone is encouraged or gently corrected, everyone is kept busy and interested the whole time, nobody is asked to do anything more than they want, instruction is clear and uncluttered, giving dancers time to process the dance sequence before acting upon it. Bill is full of praise when he's particularly pleased with everyone and is passionate in his desire to pass on as much square dancing knowledge as he feels we are capable of grasping. His positive attitude encourages everyone to try their best; *'I've never seen that done so well,'* he'll say, or alternatively, *'I've never seen it done quite like that before.'*

Beth is quiet and attentive, always ready with a smile and a friendly word. Like Bill, Beth is small and petite and as light as a feather when she dances. Beth reminds me of a good fairy; in fact I'm almost convinced she is one.

As well as 'calling' the dances, Bill sometimes sings a call. These are entertaining episodes. There's no need for a whole lot of technical paraphernalia either – with his trusty leather boxes of singles, a portable record player and a microphone, Bill is equipped and ready for action. Requests – with a covering note of \$50 - are encouraged. *The Toilet Song* (as Bill calls it) or *First Thing Every Morning and Last Thing Every Night, Ain't Misbehavin', Green, Green, It's Green They Say, Over the Rainbow* are crowd favourites.

That reminds Bill of another joke that comes from his good friend, Kevin Kelly. *'If you weigh a whale at a whale-weighing station, where do you weigh a pie?'* The words of this last song tell you: *Somewhere over the rainbow, way up high (weigh a pie).*

Together Bill and Beth have travelled to many parts of Australia participating in square dance conventions, where hundreds of appropriately dressed dancers twirl and turn almost non-stop for three or four days. What a sight! What stamina! What a lot we have to learn!

The intricacies of square dancing become more apparent as new routines are learned. Four sets of partners face each other forming a square, men on the left of their partner. As Bill explains; *'the top couple ( with their backs to the caller) are the best dancers, the second couple (on the right side of the top couple) are the next best dancers of the set, the third couple (facing the caller) are the best looking couple and the fourth couple are the leftovers.'* Besides your partner, it's important to remember who your 'corner' is (the other person nearest you) because you are frequently asked to *allemande* with your corner.

As the caller controls the sequence of movements, dancers need to listen carefully. Bill might say, *'And who are you facing now? It should be the darn corner.'* As routines are learned, skills develop and confidence increases; nonetheless mistakes are easily made. When all runs smoothly, each set of dancers become part of a well honed machine – the effect is almost magic

! *'And look who you're facing now – it's mother!'* (Bill's term for 'partner')

After 2½ years of instruction, Pete and I can now make an ocean wave, roll away, do a grand square or a grand slide, a California twirl, a right and left through, a square through, a ferris-wheel, a star turn, weave the ring, scoot-back, a tea-cup chain, do-sa-do, sashay, flutter-wheel and even rip and snort! These American terms add a dash of flavour to square dancing, which, after all developed in the United States about 100 years ago.

Despite ongoing health problems, it's obvious Bill loves doing what he's doing. *'With square dancing, you never stop learning,'* he says. *'It keeps you mentally agile and physically fit.'* Every one of the U3A Square Dancers would agree.

Bill always has the last word: *'Thank your partner, corner too. All join hands, walk into the middle of the circle and say 'thank you.'* *Promenade your partner off the floor, 'cause there ain't no more. We'll see you next week.'*

## SUNCOASTERS ROUNDS:

Tuesday Learners still going well under Paul's leadership as are the dancers with Bev on Wednesday mornings. Seems the trick of the trade is to promote it as Ballroom dancing. Our Intermediate and Advanced Groups are going well and have started on the new dances from Wodonga. All looking around to find dances to add to the 40 new dances wanted for the National List.

**CENTRE CLOGGERS** are still clogging along and had a great time whilst Bev was away. Suddenly had to learn to read cue sheets and use the equipment, but by the sounds of it had a great deal of fun doing it. We meet every Wednesday night at 6.00 pm and are slowly, and with a lot of fun, proceeding through the Convention list.

## Ten Commandments

Some people have trouble with all those 'shall's' and 'shall not's' in the Ten Commandments. Folks just aren't used to talking in those terms. So, in middle Tennessee they translated the 'King James' into 'Jackson County' language.....no joke.

One Sunday in a Midwest City , a young child was "acting up" during the morning worship hour.

The parents did their best to maintain some sense of order in the pew but were losing the battle.

Finally, the father picked the little fellow up and walked sternly up the aisle on his way out.

Just before reaching the safety of the foyer, the little one called loudly to the congregation, "Pray for me! Pray for me!"

**A little boy was overheard praying:**

**"Lord, if you can't make me a better boy, don't worry about it.**

**I'm having a real good time like I am."**
