## Your Society

The application form for positions in the Society Management Committee is the last page in this Bugle. **Don't dismiss this without giving it some consideration.**

The positions open for nomination are:

Vice-President

Secretary

Registrar

Country Regions' Coordinator

Executive Assistant

Promotions and Publicity Officer.

Any dancers required as in 12 (m)

The **Vice President** does not have any specific duty other than keep up to date on what is happening in the various areas of the administration because the Vice-President is the stand in for the President if the person in that position is not available.

### **What does the Secretary do?**

What is listed looks a lot but if you are an organised person it will be accomplished with not too much difficulty and help is available.

Secretaries are an exceptional breed but they are a necessity.

### **The bottom line is without a Secretary the Society cannot exist. That is the law.**

The Secretary coordinates and keeps records of all correspondence. The most obvious job is to keep full and correct Minutes of the proceedings of meetings in a Minute Book. All Minutes are confirmed at the succeeding meeting of that type as an accurate record and signed by the presiding Chairman.

Copies of AGM minutes must be sent to Fair Trading within two months of the meetings. Alterations to the Constitutions must be dispatched to Fair Trading in a similar time frame.

Now we come to the other duties of a Secretary. What is listed seems to be a big job: but in reality it is housekeeping.

The Secretary shall have custody of all books, documents and records of the Society other than those required to be kept and maintained by, or in the custody of, the Treasurer and the Registrar.

The Secretary shall take charge of, and keep secure, the Common Seal, comply with the Act in all matters concerning:

(i) The Rules of the Society

(ii) The recording of Office

Bearerers of the Society

(iii) The use of the Common Seal

(g) Perform such other duties as are required by the Act

(h) Perform, or have performed, all such other duties as directed by the Management Committee in accordance with the Constitution.

In past times there was some big mail outs the Secretary had to arrange and complete. I remember one such 'mail out' cost in excess of \$400. Today the computers have really lightened the load in this respect.

A Secretary needs to be computer literate to a certain extent. They don't need to be a real guru but they do need to be able to write letters, email documents etc. The Society supplies an external hard drive containing all recent past records and makes any needed arrangement for the use of the computer.

This move to the electronic age has had its hurdles. Some question such a move but the Society is well on the way to completing this method of operating.

There are the odd form that needs to be sent out and we will have a calendar for such activities in the very near future.

**Registrar** is a position which only 'comes to life' in the period June – July when Memberships are due for renewal. The Bugle assists in this process and the Department of Fair Trading stipulate what has to be recorded and how it shall be done.

The **Executive Assistant** position is a stand by position to assist any Executive or the Registrar if such a necessary arises. The Executive Assistant is the Queensland web master on the National Square Dancing web site. It sounds daunting but if you are familiar with a computer at all it is not difficult and you get all the help very willingly give by the person in charge of the Australian web site.

Continued from page 2

The Red Book is a publication of which all Clubs have a copy. It contains the Society Constitution and the bylaws. There is a lot of the procedure in Queensland dancing: history, other forms of dancing etc. It was physically distributed and every year each Club was in receipt of updated pages. This will be distributed electronically in the future and will be updated as is required. It will probably come out under a few titles such as history, function guidelines, associated bodies, etc.

### **The Country Regions' Coordinator.**

There are no specific responsibilities for the person who holds this position but in the coming year this position will be examined and more meaning put on the position.

### **Promotions and Publicity Officer.**

This is a position which has been dormant publically but work has been done in the background. Cost of presenting/advertising square dancing is the big hurdle. The job is to do exactly what the position says:

Promote Square Dancing.

Publicise Square Dancing.

**Several dancers are required** to attend about four meetings per year.

Explanation: - Four people namely President, Vice President, Secretary and Treasurer are the persons responsible for the Society. They are assisted by the Management Committee. To convene a Management Committee Meeting the Executive members present must be out numbered by non-Executive members.

Similarly, to conduct a General Meeting the Management Committee must be outnumbered by non-Management Committee members.

Therefore we need a few dancers who are prepared to attend about four meetings a year.

These meetings are conducted, usually on a Saturday morning or whatever time is convenient to the majority of attendees at a location central to the members attending.

AND THAT'S IT. IT IS NOT EXCITING STUFF BUT IF YOU WANT TO SEE THIS ACTIVITY CONTINUE TO EXIST IT IS NECESSARY TO HAVE NEW MEMBERS ON THE COMMITTEE.

## **THANKS.**

At every function we attended we received thanks and compliments for our efforts in compiling and distributing the Bugle. One does not do these things to receive compliments but it is much appreciated when some THANKS comes your way.

Queensland Square Dancers deserved their own newsletter and at present we have one, thanks to the people who send in articles, receive, print and distribute the Bugle, and support the Society who provide the funds to cover any costs involved.

There will be a second newsletter going out in a day or so and that will be for the contributors to the BBB. We have decided to change a few things to bring us into line with other like publications.

Noel Miller, Editor.

The children were lined up in the cafeteria of a Catholic elementary school for lunch. At the head of the table was a large pile of apples. The nun made a note, and posted on the apple tray: 'Take only ONE . God is watching.' Moving further along the lunch line, at the other end of the table was a large pile of chocolate chip cookies.

A child had written a note, 'Take all you want. God is watching the apples.'

### Ten Commandments

Some people have trouble with all those 'shall's' and 'shall not's' in the Ten Commandments. In middle Tennessee they translated the 'King James' into 'Jackson County ' language.....no joke.

Posted on the wall at Cross Trails Church in Gainesboro , TN.

- (1) Just one God
  - (2) Put nothin' before God
  - (3) Watch yer mouth
  - (4) Git yourself to Sunday meetin'
  - (5) Honor yer Ma & Pa
  - (6) No killin'
  - (7) No foolin' around with another fellow's gal
  - (8) Don't take what ain't yers
  - (9) No tellin' tales or gossipin'
  - (10) Don't be hankerin' for yer buddy's stuff
- Now that's plain an' simple

## STEPPING OUT WITH CLOGGING

With a new year of dance ahead of us, our first thoughts are for those friends and their families who suffered during the December-January storms and floods. We hope you will be able to resume your normal lives as soon as can be, and offer any assistance possible to you.

Two of our dancers, Cathy and Bevan, joined with members of their family and friends to hold an event at Burpengary in aid of the Premier's Flood Relief Appeal, raising over \$4,500 from the afternoon's effort.

It was all put together in a short week, and those members of the Get Rhythm Dance Team who were available performed twice during the afternoon and were very pleased to be asked to be a part of it all.

2010 finished on a high with The Get Rhythm Clogging Team rising to the occasion following their invitation to be part of the entertainment at the Lord Mayor's Seniors' Christmas Parties.

Five days in a row, two parties per day, and performing two dances each session before an audience of about 800 each time, saw the Team carried through the week of precision performing by the overwhelming response from the audiences at each and every performance, with spectators lining up after each show to heap congratulations on the Team. It's occasions like this which makes one proud to be a Clogger.

The many Christmas Parties held as our Clubs went into recess for several weeks were, as always, occasions of happy dancing, lots of chatter and jokes, and lots of great food. Thanks to all for the effort put in to make these occasions so enjoyable.

The Party at Chug-A-Lug Cloggers saw the drawing of our annual Brisbane Cloggers' Raffle in aid of Pink Ribbon Day.

The generosity of the Clogging fraternity showed up in aces once again with the donation of all items to make up the prizes, plus the buying (and selling) of tickets, allowing us to forward a cheque for \$665.00 to Cancer Council Queensland who were most appreciative of our efforts. Well done!!

As a P.S. the gentleman who held the winning number for first prize was so excited he had won that he made a personal donation of \$20.00 to the CCQ.

An oldie (in terms of the number of years it has been held) but a good, good, goody is one of the many joys in Clogging- STORM KING CLOGGING CAMP!! To be held at Joyner, just outside North Brisbane, Edith & Jenny are eager to hear from you so that you can be with us on the 11<sup>th</sup>, 12<sup>th</sup> and 13<sup>th</sup> March. For those who can't make it for the full weekend, session tickets will be available.

This year sees a number of dates already taken up in the diary for events to which we have been invited so as to show off Clogging, including a full-on weekend at the Urban Country Music Festival at the Historical Village, near the Caboolture Showgrounds, Beerburum Road, on the weekend of 30<sup>th</sup> April/1<sup>st</sup> May.

The top team of Cloggers who are organising the National Clogging Convention in Cairns due to take place on the first weekend in July, are still accepting registrations and expect a stream of enquiries now that the Christmas-New Year break is behind us.

Two busy bees are the ACA's new Secretary, Kingsley Dawes, and our new Treasurer, Jasmine Dawes. (Those in the Square Dance world will recognise them as off-spring of a Square Dance legend, Ivan Dawes) Kingsley and Jasmine- Welcome aboard H.M.A.S. Clogging.

Sincere thanks to Kathy Hedger and Jan Collins who have served their respective terms on the ACA Executive with distinction and will continue to assist the Association wherever possible.

Dance away, and let the World follow in your footsteps.

Best wishes always,

Frances

#### FRONT PAGE.

I often refuse to include full page ads. I will continue to do so but because of recent events the dance advertised on the front needs as much support as possible.

The floods have devastated many people including a number of dancers in Ipswich. There will be an article in the March Bugle giving a graphic report.

#### Control Tower Talk

Tower: 'TWA 2341, for noise abatement turn right 45 Degrees.'

TWA 2341: 'Centre, we are at 35,000 feet. How much noise can we make up here?'

Tower: 'Sir, have you ever heard the noise a 747 makes when it hits a 727?'

Murphy told Quinn that his wife was driving him to drink. Quinn thinks Murphy's very lucky because his own wife makes him walk.

#### Kay's Plus Update.

Unfortunately our delightful Graceville venue by the river is currently drying out. A metre of muddy water covered the dance floor, then when that receded there was 5 cm of slimy mud to be removed. Downstairs the ooze was about 40cm deep. A day later the grass in the "car park" looked normal, what deception, the saturated ground swallowed any foot placed on it. Between the den (hall) and the river there is a 17m motor launch, high and dry. Most of the scouts' camping gear and other equipment was beyond recovery. The building seemed to have survived, unlike its fate in 1974.

During the clean up (the day before Kay's scheduled January Dance Day) I happened to ask my mud encrusted fellow helpers if they knew of any hall that could be used temporarily by Kay's Plus. The closest den was storing the salvable items and rescued equipment from the Graceville den. The next day Kay and I looked at the Kurilpa Scout Group den at Yeronga. This is where we will be dancing for ..... don't know. Maybe a couple of months.

Kay's Plus first dance for 2011 is on the Sunday 6<sup>th</sup> February at, a temporary venue, Kurilpa Scout Group, corner of Park Road and Villa St., Yeronga. Starting at 1:00pm the teaching and workshop session. Details on [www.kay'sclubs.com](http://www.kay'sclubs.com)

Those affected by the floods are in the thoughts of Kay's Plus dancers.

### **Rambling Eights News**

Thirty Two dancers attended our Planning Meeting BBQ on 9<sup>th</sup> January. Our chefs, Arthur and Julian brought out the tremendous flavour and aroma of the sausages and stakes.

The club made plans for 2011, including our 25<sup>th</sup> Anniversary Dance Celebration February 18<sup>th</sup>, The Lake Perseverance Camp March 18<sup>th</sup>-20<sup>th</sup>, The State Convention (Toowoomba in May), a Soup Night, a Pizza Night, and an end of the year club outing. We also discussed how we will include new dancers and what type of brackets we will include to present "Plus" on a Friday night.

Contacts from the friends nights we held in November indicate that a good number of prospective dancers will give Square Dancing a try in 2011.

Rambling Eights is combining with Salad Bowl Squares to host the Qld. Square Dancing Society Christmas Party this year. Dancers were nominated to meet with a group of Salad Bowl dancers to form a sub committee to do this. It was great to see so much enthusiasm and offers to be part of the Christmas Party planning.

We reluctantly say "Goodbye" to two very supportive and loyal dancers who are relocating to New Zealand.

Sharyn and Maurice have always been ready to help the club, to encourage dancers and to support the activity. We will miss them but are confident we shall see them from time to time.

We start the year off with a dance on Friday 28<sup>th</sup> January, catering for newer dancers from 7.00pm.

Our thoughts and prayers go to our friends and dancers who have suffered in flooding recently. We know of Club members who have been affected and many dancers in the north of the state. We wish you better times ahead.

David & Faith Pearce

### **Comment.**

Some readers tell me the print size of the Bugle is too small, they can't read it.

The Bugle is sent out on a page that is a metric equivalent to the old foolscap page.

The font size (print size) is usually about a 12 font. Some clubs reproduce the Bugle as A5 size pages. This reduces the print size by about 70%. That is this size font.

There is not too much I can do about that. Talk to the people in charge.

## TOWER TALK.

While taxiing at London's Gatwick Airport, the crew of a US Air flight departing for Ft. Lauderdale made a wrong turn and came nose to nose with a United 727. An irate female ground controller lashed out at the US Air crew, screaming:

'US Air 2771, where the hell are you going? I told you to turn right onto Charlie taxiway! You turned right on Delta! Stop right there. I know it's difficult for you to tell the difference between C and D, but get it right!'

Continuing her rage to the embarrassed crew, she was now shouting hysterically:

'God! Now you've screwed everything up! It'll take forever to sort this out! You stay right there and don't move till I tell you to! You can expect progressive taxi instructions in about half an hour, and I want you to go exactly where I tell you, when I tell you, and how I tell you! You got that, US Air 2771?'

'Yes, ma'am,' the humbled crew responded.

Naturally, the ground control communications frequency fell terribly silent after the verbal bashing of US Air 2771. Nobody wanted to chance engaging the irate ground controller in her current state of mind. Tension in every cockpit out around Gatwick was definitely running high. Just then an unknown pilot broke the silence and keyed his microphone, asking: 'Wasn't I married to you?'

## **Explanation.**

I had planned to send out a February Bugle and devote most of it to explaining the need for and duties of Society office holders and duties of others required to keep square dancing in Queensland an organised activity. Then an ad came in; then another one; as Robert Burns' said to the mouse:- The best laid schemes o' mice an' men Gang aft a-gley, [*often go awry*] Please read page 2 of this Bugle.

Noel Miller.

A little boy opened a big old family bible with fascination looking at the old pages as he turned them. Then something fell out. It was an old leaf from a fig tree pressed between the pages. He picked it up and examined it carefully. "What have you got there?" his Mum asked.

With astonishment in the young boy's voice he said,

"Its Adams Suit".

A little boy was overheard praying;  
"Lord, if you can't make me a good boy, don't worry about it. I'm having a real good time like I am".
