STEPPING OUT WITH CLOGGING

Noticed a great poster in a certain Credit Union branch near us. Very colourful, and it was titled 'Zest- The Wonderful World of Fifty Plus'.

No, it wasn't a promotion for the '50 Plus Activity Centre' at 157 Ann Street, Brisbane City, where we Clog the morning away every Monday, but it could well have been, because if you have visited us there you will know just how energised the Dancers are- and if you haven't joined us (visitors always welcome) come along and join the throng, you'll love our company!

The nice group of ladies at the Older Women's Network Group made us very welcome once again at a Clogging demo. put on for their members a couple of weeks ago at Loganlea.

Several got up and found how easy it is to learn the basic steps of this great pastime.

Olive and her helpers are rarin' to go as this year's Aussie Clog once again will bring together Dancers from near and afar amongst the relaxing setting which is Kindilan at Redland Bay. Olive can still fit you in. Talk to her on 3345 3066. If Max answers the 'phone don't hang up- he's one intelligent dog!

The Get Rhythm Dance Team will be back in Strathpine on the 17th August for the Dickson Seniors' Expo in the Strathpine Community Centre, Mecklem Street.

As well as lots of other entertainment, there will be an impressive line-up of stalls, many with info., advice and assistance for the over-fifties. The canteen will be open. Admission is FREE. Plenty of off-street parking.

Welcome back to our ranks to Kay Walker who had a break from Clogging due to her heavy workload as a noted Square Dance Caller. But- as they say, once a Clogger, always a Clogger. Great to see you stepping it out, Kay, with friends old and new.

Continued:-

Dell S., as our ACA State Rep., has been busy getting the results of voting for the Queensland 'SHOWCASE' entry at this year's National Clogging Convention in September in Bendigo. Having made our choice, we are now busy practising the chosen dance.

Happy times,

CANE COUNTRY SQUARES

Our annual Dance for Heart was held on 21st May. It was a really great night. We had 40 people attend, and we had 120 raffles. We always have continuous raffles that night, with the members donating items to raffle. All our new learners came along and really enjoyed themselves. We raised \$305 which we donated to our local heart support representatives, who also came along and enjoyed the night.

On a sad note, Alma Grills has decided to hang up her square dancing shoes. Alma, who celebrated her 90th birthday with us last year, decided it was time to retire. Each week Alma contributed flowers and veges from her garden, to sell at our dances. All money raised was donated to the Club. Alma has been dancing with us for 22 years.

Our new learners are still very keen, and most nights we have 3 squares. They also attend Shirley's afternoon group, where we have 3 squares as well.

We had a soup and pasta night on the 4th of June, with our members contributing soup, pasta or dessert. All the food was yum and the dancing was great.

Friday 18th June, we got dressed in our country and western gear for a Country and Western Night, and a great night of dancing.

Doctor: "What happened?"

Woman: "Doctor, I don't know what to do. Every time my husband comes home drunk he beats me to a pulp."

Doctor: "I have a real good medicine for that. When your husband comes home drunk, just take a glass of chamomile tea and start gargling with it. Just gargle and gargle."

Two weeks later the woman comes back to the doctor looking fresh and reborn.

Woman: "Doctor, that was a brilliant idea! Every time my husband came home drunk, I gargled with chamomile tea. I gargled and gargled, and nothing happened!"

Doctor: "You see how keeping your mouth shut helps?"

Correction

Last month in the article "WHY YOU SHOULD CONSIDER BECOMING A MEMBER OF THE SQUARE DANCING SOCIETY I wrote:- "about half of the money goes to providing you with personal accident insurance. This is a legal requirement of being a member of an incorporated body such the Society".

The underlined bit is incorrect. The insurance is a benefit for the dancers introduced by the Society to encourage members to become individual members of the Society.

Noel Miller.

News from the Quiet North

Cairns City Squares held our Annual North Queensland Square and Round Dance Convention on the Long Weekend in May.

Guest Caller was Mike Davey, helped out by Kevin Clive, Darryl Burrows and Graham Durose. Our Cuer was Julie Jensen.

What a wonderful weekend of dancing it was. It was great to catch up with dancers and non-dancers that we have not seen in awhile. We also enjoyed a visit from Noel Miller and his wife Margie.

Congratulations to Cairns City Squares for running a terrific weekend. Townsville is the host next year with Nev and Bev doing our Calling and Cueing.

The weather up this way is now really nice to dance in, not too hot or not too cold. If anyone is travelling up this way we would love to see them visit our clubs.

Townsville is getting ready for their Birthday dance this year with Kevin Clive and Darryl Burrows doing the Calling and Julie doing the Rounds. We are dancing on the Friday night, Saturday afternoon and Saturday night.

Anyone wishing to join us for the weekend, please ring Julie on 47888762, or Kevin on 47887393, or Darryl on 47752854.

Cardwell is also on the 7th August this year. The afternoon sessions start at 1.00pm and the night session from 7pm. This year our guest QCA Caller is Glenn Wilson.

For more information contact Julie Jensen on 47888762.

"Upbeat Ch.a.o.s." Club News

Like most clubs numbers are down a bit as we head into the winter months but we are still averaging 2 to 3 squares each week.

Our last Party Night was a Country and Western Theme and well received by the dancers.

Only a couple of us ventured to Wodonga to brave the cold at the National Convention and it was a very enjoyable Convention.

Glenn Wilson is filling in for me at Deception Bay for 4 weeks while I am filling in for Nev McLachlan in Buderim while Nev and Bev are on holiday in WA.

One of the difficult things in running a club is when you do not have a backup Caller or Co-Caller to fill in when the main Caller goes on holiday or gets sick, it makes it harder to keep the club running and can affect the harmony within the club.

I sincerely thank the dancers for their understanding and support during June and July. Our next Party Night is the ever-popular 'Vice Versa' on the 30th August. For some reason dancers really love to dress up and have a blast with the cross dressing theme.

Dare to be Square, It's Fun with Flair!

Never forget that you are unique, just like everyone else.

Why be a volunteer ?

It's not for the money,

It's not for the fame,

It's not for any personal gain

It's just for the love of your fellow man,

It's just to give a helping hand;

It's just to give a little of ones self,

That's something you can't buy with wealth;

It's not for the medal worn with pride,

It's not for the feeling deep inside;

It's that feeling that you have been part of helping far and near,

That makes you a volunteer.

How to get to Heaven from Scotland ...

I was testing children in my Glasgow Sunday School class to see if they understood the concept of getting into heaven.

I asked them, "If I sold my house and my car, had a big jumble sale and gave all my money to the church, would that get me into heaven?"

"NO!" the children answered.

"If I cleaned the church every day, mowed the garden and kept everything tidy, would that get me into heaven?"

Again, the answer was 'No!' By now I was starting to smile.

"Well, then, if I was kind to animals and gave sweeties to all the children, and loved my husband, would that get me into heaven?"

Again, they all answered 'No!'

I was just bursting with pride for them.

I continued, "Then how can I get into heaven?"

A six year old boy shouted, "Yuv goat tae be deid"

Kinda brings a wee tear tae yir e'e....

Rambling Eights – News and Notes

Rambling Eights had a very successful BBQ and meeting last month.

Twenty Nine dancers came along for the food, to socialise and to discuss the best way forward for the club for the rest of the year. Several important topics were highlighted and decisions made regarding our camp in 2011, Christmas breakup dates, an offer to host next year's Society Christmas Party and special events club nights.

July will be an active time for the Friday night dances. On 2nd July we will have our "Soup Supper"- six dancers have volunteered to bring their favorite soups and bread rolls. We will have to work up an appetite for supper that evening.

On July 9th music from the 60's and 70's will be featured. Dancers are invited to name their favourite tunes from that era. David will try to find Square Dance records for those tunes. Not forgetting our "Christmas in July" Party Dance on 23rd. Dancers and callers from other clubs have been invited to join the fun. Decorations and party night activities are being planned as well as a Super Raffle.

Our regular dance nights are going well with three and four sets taking to the floor most nights. Our newer dancers are coming along well and progressing towards the magical "Mainstream" plateau.

Details of the 2011 camp should be available next month, but registrations will not start until the end of October.

David & Faith Pearce

PINE RIVERS SENIOR CITIZENS REPORT

What a great night we had on 29th May at our 'Country and Western' themed dance. There were 90 dancers in attendance and they kicked their heels up to some great calling by Margaret Baines, Lynette Macpherson, Glenn Wilson, Gary Petersen, Peter Storey, Bruce McKenzie and yours truly.

There were cowboys and cowgirls in abundance but only one lonely Indian squaw. It was great to see so many dancers put in the effort and dress to the theme.

Speaking of that, our next dance is on 31st July and the theme is "Christmas in July". It gives you all a chance to dig out your Christmas outfits, and the callers can dust off records that are otherwise only used once a year. We commence 7p.m. at the Community Hall, Anzac Avenue, Kallangur and the cost is \$6-00. If you require any further information please phone either Margaret on 32851230 or Jan on 33859947. We look forward to seeing you there.

We're still dancing 3 sets and sometimes 4 each week which is very pleasing. Hopefully we can maintain our numbers over the coming months. A few of our dancers are on the sick list and we wish them a speedy recovery.

Till next month, happy dancing.
Jan Hay

Always keep your words soft and sweet,
Just in case you have to eat them.

Always read stuff that will make you look good
in case you die in the middle of it.

Drive carefully. It's not only cars that can be
recalled by their maker.

If you can't be kind, at least have the decency
to be vague.

If you lend someone \$20 and never see that
person again, It was probably worth it.

It may be that your sole purpose in life is
simply being kind to others.
