GOT2DANCE

Gene Medford conducted the Square Dance sessions of the GOT2DANCE afternoon's programme in a most successful manner.

Gene had three sets of dancers, one on stage with Gene and two on the floor, to firstly show what Square Dancing is all about, (when was the last time anyone saw a set of Square Dancers dancing on the main City Hall stage?), and then invited audience members to get up, form a square and go to it. (Nine sets got up).

Gene led them through the movements from the stage, assisted on the floor by experienced dancers. Everyone was in high spirits and the dancers who came along and assisted Gene were a credit to dancing.

The laughter and fun from the many who got up and tried Square Dancing was a joy to hear. Hopefully they will have another go, and when they do visit a Club will be welcomed as openly as they were at the GOT2DANCE afternoon.

There is a clear lesson to be learnt here, and that is if you show off dancing to a wide audience with a smile on your face and a song in your heart assisted by keen experienced dancers, you will give the transfusion that Square Dancing needs- new blood!!!

P.S. New people, from the GOT2DANCE event, turned up on Monday at Redland Bay Senior Citizens Hall to start learning.

Snakes Alive Weekend

Well another great Snakes Alive Weekend has come and gone yet again. A big thank you to all those who attended, and I believe from your feed-back that you again had a grand time with our resident guest Caller Brian Hotchkies and thank you Brian for your excellent programme.

But there was an added excitement to this year's event. For the first time, during the Saturday afternoon "Plus" session there was a very special visitor. The visitor was a real live snake about 18"-20" long. We tried to herd him out of the hall but he slithered into the corner and stayed put. Brian stopped the dancing and came down to see if he could entice the snake out with another snake - albeit that the other snake was supposedly a red belly black and made of silicon, that didn't help much either. At the time we were unaware of the type of snake it was and so we called for an expert to have the snake removed. In the meantime while waiting as can be seen from the photos that Kaye and David were left in charge to keep the snake where it was with a broom bigger than the snake. Oh - there were many comments about were you going ride the broom etc as you can imagine. The Wild Life Removal chap arrived with only a pair gloves and a small bag he had the snake within a minute of his arrival, informing us that it was a "Keelback". Most of us at the dance had not seen or heard of this particular species. Sam McKenzie had her laptop at the dance "googled" the name for information on this particular species. It was a non-venomous species, lives in swamp areas and feeds on small "cane toads and tadpoles". So for the first time the event really was "SNAKES ALIVE" weekend!

Please note your diary for next year's event is to be held in the Morayfield Community Hall, Morayfield from 23-25 April 2010. Look forward to seeing you all there again.

Cheers

STEPPING OUT WITH CLOGGING

A great boost to identifying Cloggers, and what we are all about, are the badges designed and produced by the Beitzel family. Very well received previews were held at the QUT Urban Country Music Festival and Chug-a-Lug's recent Birthday celebrations.

Club Leaders have received an email showing the 'Queensland Cloggers' badge which can be ordered through your Club.

Going to Perth? Order now and wear one with pride. They can be collected in Perth. Cost? \$3.00 each.

As to Chugs' Birthday party- once again a great day with a whole list of Leaders and Cuers getting the dancers up and going. Thanks to all who assisted with the pre-dance setting-up and clean up, brought goodies for lunch, and a BIG THANK YOU to the dancers who came from near and afar and danced your little tootsies off- WELL DONE!

The Get Rhythm Team were part of a morning of entertainment at the Tri-Care Centre at Chermside. Along with the Cloggers were the three place getters from last year's Senior Superstars who added to the morning with a wonderful medley of songs. Wow! can these three vocalise beautifully.

After the show we were all besieged with requests to come back and perform again. A date has been set in late November.

Thanks to Ann B. and mum Betty for giving us the opportunity to meet such lovely people.

Late June will see the Team stepping out at Sandgate and Salvin Park, Carina.

The ginormous GOT2DANCE event at the Brisbane City Hall sure got Clogging out there and visual as we, along with Line Dancing, started off this 12 hour event as part of Queensland's 150 years celebrations. Congrats to all those who came along and made it so great.

"See you in Perth" has sure become the catchcry for Cloggers all over our State as we take up the challenge to "GO WEST" for an extra long weekend of the magical **three F's**- friendship, fun and fantastic dancing at the National Clogging Convention.

Best wishes to the Queensland entry in the SHOWCASE segment of the Convention.

Clogging- it's a shoe-in.

Cheers,

Frances

An older, white haired man walked into a jewellery store one Friday evening with a beautiful young girl at his side.

He told the jeweller he was looking for a special ring for his new girlfriend. The jeweller looked through his stock and brought out a \$5,000 ring. The old man said, 'No, I'd like to see something more special.'

At that statement, the jeweller went to his special stock and brought another ring over. 'Here's a stunning ring at only \$40,000' the jeweller said. The young lady's eyes sparkled and her whole body trembled with excitement. The old man seeing this said, 'We'll take it.'

The jeweller asked how payment would be made and the old man stated, 'by cheque. I know you need to make sure my cheque is good, so I'll write it now and you can call the bank Monday to verify the funds and I'll pick the ring up Monday afternoon,' he said.

Monday morning, the jeweller phoned the old man. 'There's no money in that account.' 'I know,' said the old man, 'but let me tell you about my weekend! All Seniors aren't senile!!!'

GUMDALE GRANDSLIDERS SQUARE DANCE CLUB 22 nd BIRTHDAY

The occasion was celebrated on 13th May. Our numbers were swelled by past members and dancers from other clubs.

Life members, Betty Otto Beryl Bortnowsky, and Margaret Meany were also present.

We were delighted to have six squares plus dancing the night away. Alan Evans, our resident caller of 17 years was also joined by Graham Brandon, Gene Medford and Peter Story to celebrate the occasion.

One of our senior couples, Doris and Charlie Boyd who (still in their 80's) trip the light fantastic, and have recently celebrated their 63rd Wedding Anniversary, did us the honour of cutting our Birthday cake.

The evening was completed with supper and lively conversation. A good night was had by all.

PINE RIVERS SQUARE DANCE CLUB

Hello to all. I am filling in for Jan as Malcolm & Jan are enjoying their holidays overseas, our United Friends Square Dancers at Wavell on Monday afternoon is doing well with 2 – 3 sets.

Our learners are enjoying it very much. We have 4-5 sets at Pine Rivers Square Dance at Kalangur on Tuesdays including some learners

There and all are enjoying the dancing and it's great to see. It also gives the caller a great feeling.

KATE.

Notes from Rambling Eights.

Now that our camp is fading into the background, we are thinking about and planning other events for the rest of the year.

We are holding our annual "Christmas in July" dance on July 31st. Rambling Eights has held this dance for quite a few years and we always enjoy the company of visiting dancers and callers from other clubs. The Club members will decorate the ball and supply a "Christmassy" supper. There will be a raffle and lucky door prizes.

These types of events help to encourage club members to work together for the sake of their club and to bring dancers together at a fun evening of dancing.

We are already planning a "Black Friday" dance for 13th November. Dancers can get their costumes ready and prepare to face up to Witches and Spiders.

Clubs would realise that many events have to be arranged and booked well in advance. We are now examining options for our end of the year function. Some suggestions that have come forward so far are: Attending a Show with a dinner and enjoying a night at an "Interactive Theatre".

Next year's camp theme has been chosen. "Carnival" is described as a festive period marked by merrymaking. We can expect some bright costumes and plenty of merry making in March next year.

We were pleased to welcome a couple of dancers from the White Horse club in Melbourne recently. David and Patricia were in Queensland for a working holiday and promised they would try to visit again later in the year.

We also had the pleasure of extra dancers from Noel and Merle's "Town & Country Squares" at Ipswich. It is good to see this relatively new club growing so well and producing some very keen dancers.

Several couples are heading to Perth for the National. Christine and Kevin are then going to the US to experience the huge US National Convention in Long Beach, California. We wish these dancers happy trips and expect that they will come home with some interesting stories to tell.

The "Workshop BBQ" that David and Faith hosted at their home last month was a success. We saw many moves from Basic/Mainstream and Plus levels, analysed and danced through from different and sometimes unusual formations. This workshop time gave dancers a better appreciation of the moves and the complete definitions of them.

We also had a opportunity for a couple of budding callers to get some mice time with a bunch of their friends in a relaxed atmosphere.

While the weather cools off for our Queensland winter, we plan to keep warm with the Fun and Friendship that is Square Dancing.

Kind Regards

David.

THE KISS

She is pregnant; he had just saved her from a fire in her house, rescuing her by carrying her out of the house into her front yard, while he continued to fight the fire.

When he finally got done putting the fire out, he sat down to catch his breath and rest.

A photographer from the Charlotte, North Carolina newspaper, noticed her in the distance looking at the fireman.

He saw her walking straight toward the fireman and wondered what she was going to do. As he raised his camera, she came up to the tired man who had saved her life and the lives of her babies and kissed him just as the photographer snapped this photograph.

MORETON BAY S.D.C.

Not a great deal to report, things having been pretty quiet for the last couple of months with several members away on trips or ill. Our most revered member, Bill McCoy, whose health has been not the best of late, spent a few weeks in hospital recently. Happily he is now home, rather better but still needing constant care. Mary, as always, is an absolute pillar of strength (give her a call when you have time).

We're at last back up to two squares with the return of the 'wanderers' and hopefully it will continue that way. The Islands are having a Winterfest this month so hopefully we shall welcome some visitors who will be interested in joining the Club. Time will tell.

Do come over and dance with us anytime....don't wait till October when we have our next big dance. You know you're always welcome at our place !!

Sorry folks but on the 27th of August there will be **no dance** as the Hall will be **unavailable**. The Church have asked us very nicely, if we would mind not dancing on that night. There is a big wedding in the Hall on the Saturday and the people want to start decorating early. We apologise for any inconvenience and we'll be back dancing as usual the following Thursday.

CANE COUNTRY SQUARES, BUNDABERG

May is the month our club has a "Dance for Heart" to support Heart Support, Bundaberg with a donation towards much needed equipment, literature etc to assist people prevent heart problems or to support those who have already suffered. Our Annual "Dance for Heart" went off well. We had 83 raffles donated by dancers covering the tables. It leaves a good feeling when a function goes off well. We made \$287.00 profit – a little down on last year – but still a good result for our club. Seven members of Heart Support, Bundaberg attended and went home with some of the prizes from the continuous raffle. Red was the colour most popular in outfits on the night.

Our present Mainstream learners will complete their programme of movements on 10th July which includes a couple of weeks of revision. This will be followed two weeks later by a new class for learners commencing 31st July.

We have a competition going for members to design a club business card with a \$20.00 voucher from Bunnings for the chosen design. All members are invited to put pencil to paper and start drawing.

18th May was Bright Shirt Day and members were encouraged to wear their brightest shirt – or maybe one they hadn't worn for ages.

Each Friday Alma Grills does a wonderful job organising a produce stall with much of it grown in her own garden and all proceeds go to the club. Last year her efforts raised \$383.85 for club funds. Thanks Alma for a job well done.

SALAD BOWL SQUARES JUNE 2009

The club continues with its beginners who are progressing really well. A recent demonstration at Wellington Point State School fete has brought us a few more beginners so Kay now has a bit more work to do. Club dancers vary between brackets of mainstream and plus. It has been marvellous to have David and Veronica back dancing with us. This month's theme night is Rock 'n Roll so we expect to see lots of bobby socks for the girls and maybe some stove pipes and slicked hair for the guys. Next month's night is Soup Night, a real favourite for everyone.

An Extract from a Nelson Mandela Speech

Our deepest fear is not that we are inadequate. Our deepest fear is that we are powerful beyond measure. It is our light not our darkness that most frightens us.

We ask ourselves, Who am I to be brilliant, gorgeous, talented, fabulous? Actually, who are you *not* to be? You are a child of God. Your playing small does not serve the world. There is nothing enlightened about shrinking so that other people won't feel secure around you. We are all meant to shine, as children do.

We are born to make manifest the Glory of God that is within us; it's in everyone. And as we let our own light shine, we unconsciously give others permission to do the same. As we are liberated from our own fear, our presence automatically liberates others.

THE BARBER

One day a florist goes to a barber for a haircut. After the cut he is asked about his bill and the barber replies, 'I cannot accept money from you. I'm doing community service this week.' The florist was pleased and left the shop.

When the barber goes to open his shop the next morning there is a 'thank you' card and a dozen roses waiting for him at his door. Later, a cop comes in for a haircut, and when he tries to pay his bill, the barber again replies, 'I cannot accept money from you. I'm doing community service this week.' The cop is happy and leaves the shop.

The next morning when the barber goes to open up there is a 'thank you' card and a dozen donuts waiting for him at his door.

Later that day, a college professor comes in for a haircut, and when he tries to pay his bill, the barber again replies, 'I cannot accept money from you, I'm doing community service this week.' The professor is very happy and leaves the shop.

The next morning when the barber opens his shop, there is a 'thank you' card and a dozen different books, such as 'How to Improve Your Business' and 'Becoming More Successful.'

Then, a Member of Parliament comes in for a haircut, and when he goes to pay his bill the barber again replies, 'I cannot accept money from you. I'm doing community service this week.' The Member of Parliament is very happy and leaves the shop.

The next morning when the barber goes to open up, there are a dozen Members of Parliament lined up waiting for a free haircut.

And that, my friends, illustrates the fundamental difference between the citizens of our country and the Members of Parliament.

On a couple of occasions we have asked for all ads/flyers submitted to the Bugle to be A5 Landscape. The reason for that request is demonstrated on this page.

The flyer on the right was submitted as an A4 Portrait and reduced to an A5 portrait size. There is no usable area remaining beside the flyer for a club report etc.

Page 9 has two A5 size flyers admittedly turned 90deg. but the info is still all there and legible.

A4 Flyers take a whole page and are often not reproduced at the user's end particularly if they are considered as of not a lot of interest, hence members are not informed about that event.

A second reason for not using A4 submissions is it makes too many pages to send electronically and to reproduce in quantities to serve the needs of some clubs.

A5 Landscape ads/flyers please.
