GUMDALE GRANDSLIDERS

CALLER: ALAN EVANS

The cooler weather is with us. More pleasant for dancing but there is the worry that people will stay home in the warm. Our new dancers are coming along and seem to be enjoying themselves. This month we celebrated the 85th birthday of Jean Clarke. Jean hasn't done much dancing lately but she is an old friend. Two other old friends, Joyce Marks and Glenie Routledge joined the celebration. Doris Boyd, our 92 year old dancer was with us of course and will continue to be for a while yet. Happy dancing to all.

CONGRATULATIONS SID LEIGHTON

As I read the list of "Half Century Certificates" presented by Callerlab at this year's convention a name jumped out at me.

Sid Leighton was recognised as an active caller who has been calling for 50 years. Sid was the only Australian caller to receive this award this year, I am not sure if others have received one previously.

Sid with his wife Betty has made a great contribution to Square Dancing in the past and continues to do so. Well done Sid.

EZ SQUARES CABOOLTURE

On Saturday afternoon 18th May, on our "Snakes Alive Weekend" thinking that live snakes were on display after reading our "SNAKES ALIVE" sign at the front of the hall one lady asked where the live snakes were. Sadly we had to explain that we had no snakes to show her, after explaining that it was a square dance event we couldn't persuade her to stay and watch the dancing which was a pity as the weekend was a lot of fun and laughter.

Our feature caller David Cox kept the dancers on their toes with his exuberant calling which really enthused the dancers to listen and dance the weekend away dancing many different formations to varied genres of music.

Friday and Saturday nights started with Round dancing sessions called by Phyllis Stewart followed by square dancing for the remainder of each night. Saturday morning arrived with David back again to call mainstream with a difference followed after lunch by a session of plus.

The afternoon saw the basic/beginners show how well they have progressed during the year. They danced to our own Glenn Wilson calling alongside David Cox which was to the delight of the newer dancers having the opportunity to dance to a world renowned caller during their first year of dancing.

We welcomed our visitors from clubs far and wide who we thank for their attendance and we are sure they enjoyed the dancing as much as we at EZ Squares Caboolture enjoyed having them dance with us.

SALAD BOWL SQUARES, WELLINGTON POINT

With our beginners sufficiently advanced to join mainstream dancing, Salad Bowl Squares are reverting to the starting time of 7:30pm as from 24th May.

Our "Come to the Caribbean" theme night in April with Gene Medford calling was an outstanding success. Gene's daughter, Hazel, paid a surprise visit and accompanied Gene in calling and singing for us. Interpretation of Caribbean dress was colourful and dubious. Enjoyment of the evening was unquestionable.

Salad Bowl Squares will be celebrating their 43rd birthday in June. Originally planned for 28th June, due to a large number of our members travelling overseas and interstate it will now be held on Friday 21st June commencing at 7:30pm. Come one, come all.

SUNCOASTERS

About 100 people turned up to help celebrate Suncoasters' 43rd Birthday, and what a great night we had. Our visitors came from NSW, Toowoomba, Gympie and Brisbane and we had a fun night of dancing in which everyone could join, including the old favourite Strip the Willow. At one stage our hall, which is quite large, was so crowded that it was difficult to stay within your own square, which caused a few minor mishaps. Nev and Gary outdid themselves with their calls, and we had more round dancers than usual following Bev's cues. The evening started with complementary nibbles and drinks at 6.30, providing a wonderful way for members and visitors to socialise before we started dancing at 7.30. Although they weren't able to

50 Plus Club

The Brisbane City Council, for many decades, has provided facilities for the relaxation and entertainment of Brisbane residents who have attained their fiftieth year. Square Dancing at 50 Plus Club was started by Eric Wendell in the early 1980s and currently the principal caller is Kay Walker supported by Gene Medford.

The Brisbane City Hall opened recently after being closed for several years for refurbishment. Now you have the opportunity to dance in the nicely appointed "Wynnum Room" on Tuesdays at 10:00am. The level is from learning Basic through to Mainstream and Plus.

More information may be obtained by visiting the B.C.C. web site and searching for "fifty plus" or contact Kay on 07 32028723 or Aaron on 07 33780825 or visit Kay's web site on <http://kaysclubs.com>.

Bugle Entry Hervey Bay June 2013

We would like to extend a warm 'Thank You' to those who travelled from far and wide to join us for Nev & Bev McLachlan's visit to Hervey Bay. It's great to have visitors, shared fun is double the fun, we say. We'll have to report back on the success of the weekend as this issue goes to print on the day. We've been very fortunate to have Bev agree to include a Round Dance workshop on the Sunday. Hervey Bay is hoping it will also attract dancers from outside the club.

We are rounding off the Mainstream teaching to our last learners, so the plans to start a new crop are underway. Gary Petersen has agreed he visits us in July. We will use our Saturday social. From all accounts the stay on, comes from those who knew let you know in 8 months time how we

In spite of many of our dancers being others due to ill health, we have managed sessions, apart from the time during the National Convention, but nearly all our members were elsewhere then.

A big Thank You to everyone who came and joined us to boost the numbers, much appreciated.

In June we are holding a Soup and Sweet night, Sunday 16th, 6pm., this will be a fun night with games, dancing and food, glorious food. If you happen to be in the area, come along, you are always welcome. For session times, caller visits etc. visit www.squaredancingherveybay.com.au

UNITING SQUARES

Uniting Squares beginners' classes started successfully. Two squares have danced each Wednesday since the first dance on the first of May. The smiles on the dancers' faces during the last bracket each day indicate that the dancers enjoying the dance and feel they are dancing as a team in the set. Keen dancers and the superb calling and patient teaching of Kay Walker have made this new club a success.

On the 5th of June the group is moving to a bigger hall. The new address is:

Pamphlett Sea Scouts, Simpson Playground, Graceville Avenue, Graceville. (where Kay's Plus Sunday club dances are held)

All are new dancers and beginners are welcome to join the group on each Wednesday at 10:30am to 12:30pm. Uniting Squares also meets on the 1st, 3rd and 5th Wednesday of each month at The Girl Guide hut, 32 Ellen St., Oxley at 7:30pm where Kay calls Mainstream and Plus.

Contact Kay on 07 32028723 or Aaron on 07 33780825 or visit Kay's web site on <http://kaysclubs.com>.

A highway patrolman pulled up alongside a speeding car on the freeway. As the officer peered through the driver's window, he was astounded to find that the blonde behind the wheel was knitting. The trooper cranked down his window and yelled to the driver, "Pull over!" at the top of his lungs. "No!" the blonde yelled back, "Scarf!"

Rockhampton Square Dancing Clubs

Rocky Twirlers caller Michael Mills

Capricorn Waves caller Bevan Titmarsh

Our club dances on Monday, Wednesday and learners on Friday evenings are a lot of fun. It is good to see the group of young square dancers enjoying themselves, they are our next up and coming Mainstream dancers.

Our dance nights start with Rounds, then we get into Mainstream, plus and A1

Our clubs held a special memorial dance for two of our regular dancers Fred and Avian Jacobs who sadly passed away during 2012. We had three squares and all dancers wore their beautiful and best outfits and danced to the tunes both Avian and Fred enjoyed. The hall was decorated with old photos and colourful Square Dance outfits it looked great and we had a lovely supper to celebrate Avians love for dancing while Fred kept an eye on the door.

Three of our dancers travelled to Gosford for the Nationals, they had a great time catching up with dancers from far afield.

Date claimers: Bundaberg Square Dance weekend the Theme "Showtime Ball" on June 15th and 16th Michael and Matthew Mills will be calling along with local caller Shirley Kelly

Rocky Twirlers Birthday Dance will be held on July 15th and 16th at the Rockhampton Square Dance Hall. Guest Caller Kay Walker along with our callers Michael Mills and Bevan Titmarsh will call while we dance the night away. Should you be in our area we would enjoy your company at our Birthday celebrations.

From our club to yours Happy Dancing.

The Urban Country Music Festival at the Caboolture Showgrounds was once again a great weekend, with Cloggers, showing their usual sense of fun and enthusiasm, doing two sessions on both Saturday and Sunday, plus a successful Social Dance on Sunday night. Clubs on the north side of Brisbane will benefit from our 'Give-Clogging-a-Try' segments.

Following on from last month's 'STEPPING OUT WITH CLOGGING', it is with great pride and pleasure that I acknowledge the terrific effort put in at Chug-a-Lug's 26th Birthday celebrations.

Congratulations to the Cloggers who came along from all over full of their usual happy eagerness to dance, the organisers and their helpers who set up the Hall at Greenslopes and then ensured the smooth running of the day including the laying out of the fine fare for our lunch break, the Cuers, whose numbers included 'guest' Cuers, all of whom did a great, professional job. **Thank You** everyone- just another example of why we are so wrapped up in Clogging.

"The Get Rhythm Dance Team" have been booked to dance at the Terry Scott Concert at the Wynnum-Manly Leagues Club third Tuesday in May; followed by a performance at RSL Veterans' Care Caboolture on the last Tuesday of this month. Also in the diary is the Sixties and Better Club, Cannon Hill on the 3rd June.

The "Team" will also be at the Salford Waters Retirement Estate, Victoria Point in mid-July.

There are a number of other venues coming up for "Get Rhythm" about which we will keep you posted as they draw nearer.

Public appearances are a great way of attracting Beginners to Clogging, and a recent nice surprise was a call from a lady who had seen the "Team" perform in the Queen Street Mall two years ago. She has recently retired and recalled the event and how much she enjoyed it. Now she wants to be part of the activity we love.

Registrations are still open for AUSSIE CLOG, so whether you are a regular or a 'newbee' give Olive a call (07 3345 3066) 'cause the last weekend in July will soon be upon us.

Hope to see you on the dance floor soon as you tap your inner love of Clogging.

'Bye for now,

Frances

One beautiful December evening Pedro and his girlfriend Rosita were sitting on the beach by the side of the ocean.

It was a romantic full moon, when Pedro said, "Hey, mamacita, let's do Weeweechu."

Oh no, not now, let's look at the moon!" said Rosita.

Oh, c'mon baby, let's you and I do Weeweechu.

I love you and it's the perfect time," Pedro begged.

"But I wanna just hold your hand and watch the moon." replied Rosita.

Please, corazoncito, just once, do Weeweechu with me."

Rosita looked at Pedro and said, "OK, one time, we'll do Weeweechu."

Pedro grabbed his guitar and they both sang....."

Weeweechu a Merry Christmas, Weeweechu a Merry Christmas, Weeweechu a Merry Christmas, and a Happy New Year."

MERRY CHRISTMAS!!!!!!
