HERVEY BAY SQUARE DANCE CLUB

Hervey Bay are full of smiling faces. A C.D. Social was held on Saturday, 4th Feb. Everyone, including the learners, had a great time, so much so we have decided to schedule one on a bi-monthly basis. Each club member is invited to pick their favourite dance and so we end up with a very enjoyable night of dances via the C.D.'s

A number of us attended Maryborough's 28th Birthday dance with Gary Petersen. Although it was extremely hot, we all had fun, watched Jeanette and Gary cut the cake and enjoyed a great supper. Elwyn won the Appreciation Award perpetual trophy. Well done Elwyn. Unfortunately, Elwyn is not at all well so our best wishes go out to her. God bless you Elwyn. You are one lovely lady

Our Sunday lunch to celebrate Birthdays in January and February will be held at Kondari Hotel on 26th Feb. and our A.G.M. is scheduled for 6th March followed by a dance for all members.

Our next caller night will be our 28th Birthday dance with Matthew Mills. Please help us celebrate this occasion on 11th March. Everyone is most welcome. The hall will be decorated and a birthday cake and supper will be provided. Plus is in the afternoon at 2p.m. before we start to celebrate with Mainstream at 7p.m.

Please don't forget our combined Bundaberg, Maryborough and H/Bay Triple Scoot weekend with Brian Hotchkies on 26/27/28th May. This will be a big one so get your registrations in early at triplescootbhm@gmail.com.au. \$35 for the weekend up until 30th April then \$40. An accommodation list is available so you can organize yourselves to stay for the whole weekend in Maryborough, our lovely heritage city. If you are not into this modern "way of life" please feel free to ring myself or Coraleen on 41942159 or 0417754401.

Cairns City Square Dance Club

A late happy New Year 2017 to all other Square Dancing Clubs.

Our Club has only been dancing for a couple of weeks and numbers have been down. Beryl is recovering for an eye operation. Yvonne is in Brisbane visiting family and Dian and Henry are away on holidays.

Over the Christmas period 2 of our ex members died – Kevin Savena and Tom Turner. They had not danced for some years but were members for many years prior to this.

NOT SO HAPPY DANCER

I'm writing because of personally experiencing/witnessing at Logan's Birthday Dance the perennial problems of couple/s pushing single dancers out of a square and sets breaking down significantly because of dancers lack of competence at mainstream level.

In one set the couple in question were politely spoken to by a dancer from another club who has many years dancing experience and who politely explained it was a breach of ethics to push out another dancer already waiting in a square up. Said couple did not appear to take the advice seriously and proved to have a poor level of dancing ability. Whilst I appreciate we all started somewhere, I also appreciate that there are standards and ethics for the comfort and pleasure of all dancers, although I am at a loss to know where they are printed or are they just inferred?

Can callers, long standing dancers/clubs please make a concerted effort to reiterate these fundamentals for all to benefit. I know there were others just as appalled at this behaviour, and realize most of us are guilty of talking but not sticking our neck out to raise issues that need to be discussed, can we all be little more pro-active??
