

THANK YOU

We, Graham and Margaret Brandon, modestly and sincerely thank the Square Dancing Society of Queensland Inc., and all individual Square Dancers, for the Honour extended to us in being awarded the "Silver Spur Award". The award was presented at the AGM Dance for participation and involvement to "selfishly" gain extreme enjoyment with and THROUGH all our wonderful Square Dance friends and the activity in total.

We commenced Square Dancing in 1972, and in that first year we realised that Square Dancing provided much of

our needs and enjoyment with physical and mental exercise, but more importantly a continuing supply of new and long time friends and friendships with wonderful people.

During our Square Dancing years we have had the privilege and Honour to be Caller Couple for five Clubs and still calling for one, the Carina Carousels. One Club in particular, "The Montrose Wheelers" who were crippled children dancing in wheel chairs, was an outstanding experience. These children danced at the Australian National Convention in Brisbane, June 1979. They had only been learning for three months but could dance the fifty basic moves.

We have represented Australia, dancing and calling at five Canadian National Conventions, including one on the lawns of Parliament House in Ottawa and one at the Calgary Stampede. Other activities in Canada were four British Columbia Square Dance Jamborees in Penticton, British Columbia; In the US of A, we were involved in three events including their 25th National and State Conventions. We were involved in New Zealand, and naturally the Australian National and State Conventions.

We have been a Committee couple in many instances, ranging from Club VP to President, and VP one year and President seven years of the Square Dancing Society of Queensland.

We have been National Tour Liaison couple for the 1979, Convenor Couple 1979, A Convenor Couple for the 23rd. National Convention 1982 plus Square Dance Expovention 1988: Yes, the Expovention in Brisbane.

Has all this happened in forty years? WOW!

We can only say THANK YOU Square Dance Friends, for we had to be chosen and voted into the positions to work with the Committees, the Friends and the Square Dancers in total.

To you all we say THANK YOU for the opportunity to participate and be involved in this wonderfully healthy and friendly activity.

We need one another to enjoy ourselves, for without one another there wouldn't be the opportunity or the need to do those things. In every Square Dance there are eight people- you and seven others, and each one of them need you as much as you need them.

STEPPING OUT WITH CLOGGING

Gold Coast Cloggers and Leader Diana put on a morning of sunshine with the recent celebration of their 10th Anniversary. It was great to be part of the friendly, fun atmosphere. A certain person was carried away with the cooking efforts of a couple of talented Club members, and is hoping for a repeat serving at CHUG'S DAY on the 19th May (nudge, nudge, wink, wink).

The GET RHYTHM DANCE TEAM stepped out for another well received performance for our PROBUS Club friends.

Even though GET RHYTHM are not eligible to enter this year's SENIOR SUPERSTAR Contest having won last year, you are encouraged to come along to this year's auditions at South Bank (beside the restaurants at the Melbourne Street end) on Saturday 12th May. Starting at 9 a.m. (free entry), maybe there are some Stars in the making amongst the BUGLE'S readers. It is a good morning's entertainment.

The URBAN COUNTRY MUSIC FESTIVAL will be bigger than big, and we are thrilled to once again be asked to be part of it.

The Festival gets underway on Friday 4th May, and the Cloggers will be there on both Saturday and Sunday with fun-time beginners' classes both morning and afternoon.

The Sunday night Social Dance, in the Stanmore Hall, will start at 6 p.m. and finish at 9:30 p.m.

PARKING for the Sunday night Dance **ONLY** will be available in the Historical Village Car Park in front of the hall, with entry from the northern end, off Beerburum Road. Ignore any NO ENTRY signs as we have been given permission to access it on Sunday night- it isn't a public road.

CABOOLTURE! HERE WE COME!!

Love the response to the open invitation to all Cloggers, families and friends to be at the Red Cross Hall, Newdegate Street, opposite Greenslopes Private Hospital on Saturday 19th May for CHUG'S ANNIVERSARY DAY. 25 big ones have come and gone for this long-established Club.

So.... we will throw the doors open at 9 for a 9:30 start, and dance all levels until fourish.

Entry is FREE. A plate of eaties would be appreciated for the breaks.

PINE RIVERS SENIOR CITIZENS

We have a couple of new, very enthusiastic dancers as well as retraining some of our ladies as "left hand" dancers. Where have all the men gone? There are a few of our dancers who have been regulars for many, many years, but have had health problems which have kept them from the dance floor this year. We wish them well in their recovery and hope that they will be able to rejoin us when they are able.

It has been a long time but our next 5th Saturday dance is on the 30th June. We would love to see you there.

Happy Dancing

Jan

You can't start the next chapter of your life if you keep re-reading the last one.

SUNCOASTERS

We had some very welcome visitors at Suncoasters' 5th Saturday dance in March, and after some discussion at a recent Committee meeting, we decided that as expenses for dancers just keep increasing, we should try to set up a home-stay billet system. We hope this may lead to an increase of visitors, and hopefully lead to reciprocal arrangements with other Clubs.

Burleigh Square Dance Club – Gold Coast

Over the past few months we have had several new dancers participate in our regular Saturday night of Square Dancing. Alan Evans was not able to be with us Saturday 21st April; therefore Andrew Reid was our Caller. I did feel sorry for Andrew: at one stage I thought he was going to fall off the stage, he was laughing so much at some of our mistakes (yours truly being among them). It was a great night and we had a lot of fun.

Alan and Andrew intersperse the evening with both learning brackets with workshops for mainstream and plus. This gives us all the occasional “sit down and have a chat” time out. It is pleasing to see so many of our more experienced dancers asking newer dancers to partner them for the next bracket.

While I have the chance, please mark in your diary the 21st July 2012. This is the date for our Club Birthday (24th) night. The theme being a **Masked Ball**, so get out your Glad Rags and the Bling. Come and join us for what is shaping up to be a fantastic night.

Until we see you on the dance floor, stay safe, and keep on dancing.

REMINDER – Various QCA Callers will be calling at Logan City Square Dance Centre on 12th May

The Queensland Callers' Association will be holding their 2nd Quarterly General Meeting, followed by a training session, on Saturday 12th May starting at 10 am.

Dancers, please mark in your diary the 12th May and come along and support your Callers at the Logan City Square Dance Centre, located at 161a Magnesium Drive, Crestmead.

Dancing will start around 7.30pm

Please come along and support the callers, they put a lot of hours into training and developing their skills, so that we can do what we love to do: that is, Square Dance.

From one Square Dancer to another, lets get behind our Callers and encourage them and the trainee Callers. After all, we are the ones that benefit from their skills.

I like long walks, especially when they are taken by people who annoy me.

The only reason I would take up walking is so that I could hear heavy breathing again.

PUBLICITY REPORT – MAY 2012

To assist clubs with advertising in the Australian Square Dance Review, the Society invites all Queensland square dance clubs to submit a brief description of their upcoming event in no more than 40 words – *no photographs, please*. This will be a **free** service. To try to accommodate everyone, if your advertisement exceeds 40 words, it may not be included. Your advertisement should be sent to me by 24th of the month to: -

WAVELL WHIRLAWAYS

What a year we have had. Beginning a dance class in conjunction with Sunshine Squares in February, over ninety people on the first night. This has tapered down to around sixty on most nights and everyone seems to be enjoying themselves. We have even welcomed back some Square Dancers from long ago.

Wavell also celebrated its 43rd birthday only a few short days before helping to run the AGM dance in March. A great night for all who attended. We have had a lot of dancers away on trips with some only just getting back now.

We welcome back to Wavell, Margaret and Michael and Lee and Robert who have been missing from our Dance family for too long. How many more dancers can we welcome back to the family this year?

June and Margaret

In the last Bugle I wrote that the Annual Reports would be out in a few days. I then found out that the Society was about to circulate this information to all members. Hence, I pulled in my head.

HERVEY BAY SQUARE DANCE CLUB

What glorious weather we are experiencing here in Hervey Bay! It makes you feel like dancing. Our learners too have settled into their new routine: some come twice a week using the second session to consolidate. Looks like we'll have 7 stayers, so we're happy. Having the Saturday morning session has also brought back previous dancers who could no longer attend on the Thursday. It is great to have better numbers again.

Gary Petersen was our guest Caller in April and as always with Gary, we were put through our paces and had a terrific time dancing. The Happy Hippie Theme brought in some interesting characters and made for lots of jokes and laughter. Gary's visit brought along several visitors, Steve and Margaret from Bundaberg, and Erin and Merv from the Gold Coast (well, maybe they are also from Hervey Bay). Lovely to have your company, thank you for making the journey!

Our next social is a Pancake night in May: it is publicised as a Club night, but as usual everybody is welcome. The pancakes are created fresh on the premises, made to order and while you wait, or make your own if you're fussy.

Yes, we still dance as well, and play games in between. Holding these social nights not only strengthens our Club and provides some extra funds for Callers, but they are always lots of fun. Anything goes (almost!)

The 2012 Qld State Convention registrations have been rolling in from people trying to beat the Early Bird special, which ended 30th April (if you were really quick, eg on-line, you could still squeeze in, don't tell the Registrar I told you). The numbers are looking very good and we have an awesome roll up of Callers. The Halls are paid up, the decorations are being created at this very moment and the caterers are on notice. The only place to go to this year for a spectacular whale of a time would have to be Hervey Bay on the **new** Queen's Birthday Weekend! But you don't have to wait till September, come and join us any time you're out this way. You'll be made welcome and you're assured of having an enjoyable time.

Check our website
www.squaredancingherveybay.com.au for session times and Convention info.
Keep well, and happy dancing everyone.

TAIGUM TWIRLERS

Well, what a great start to the beginners' course at Taigum. We had around ninety dancers on the first night. Most have stayed and are enjoying learning Square Dancing, Line Dancing and Old Time Dance as well. The floor is full for every dance.

What started out as a beginners' course has fast become a Club. A badge has been designed with most dancers now wearing them. We have had a few dancers return to Square Dancing after receiving flyers in their mail boxes.

They are even going through their wardrobes and bringing out skirts and petticoats that have not seen the light of day for a long time. Welcome back to all. Others are buying skirts and petticoats.

We have only missed one night, that being the State Election and also the AGM Dance. We are having to change halls this month for one night due to the Council election, but all will return to normal after this.

On Easter Saturday we had a sausage sizzle and Easter Bonnet Parade. What a great collection of hats. Best hats won by Ros and Peter. Looking forward to our Country and Western Night this week. Sid and Lynette you are doing a great job- keep up the good work.

A little boy was overheard praying: 'Lord, if you can't make me a better boy, don't worry about it. I'm having a real good time like I am.'

After the christening of his baby brother in church, Jason sobbed all the way home in the back seat of the car. His father asked him three times what was wrong.

Finally, the boy replied, 'That preacher said he wanted us brought up in a Christian home, and I wanted to stay with you guys.'

A Sunday school teacher asked her children as they were on the way to church service, 'And why is it necessary to be quiet in church?'

One bright little girl replied, 'Because people are sleeping.'

RAMBLING EIGHTS

Caller: David Pearce

With the heat of summer easing off the conditions are so much better for dancing in the evenings. Every month there is a birthday or anniversary to celebrate, but we make a little bit more fuss when someone has a special year to celebrate – ie a ‘zero’ birthday. In April we celebrated Mary Wright’s Zero Birthday with cake, helium balloon, and an individually made card signed by Club members, who also made an effort to bring something extra nice for supper.

Strangely, so far this year we have no new beginners. This means David can pay more attention to consolidating the mainstream moves for last year’s graduates. The results are starting to show, with more confidence and conviction in their execution of figures. The gap between our ‘easy mainstream’ and ‘full mainstream’ brackets is quickly closing.

We all wish a speedy recovery for Leon, who had an unfortunate DIY accident at home. Also, our commiserations for Teresa who has had to care for him during his recuperation and rehabilitation. We hope to see you both back dancing soon.

Kevin Lucas will also be absent from the dance floor while recovering from surgery. Hopefully he will be okay by the time he and Christine get to Tassie for the National, along with David, Faith and other Club dancers. The change in climate will certainly be noticeable.

With a large number of our Club members being retirees or grey nomads, our numbers can fluctuate greatly, so it is especially appreciated when people make the effort to support the Club and Caller as much as possible. It’s not about how good a dancer you are, but if you have a smile on your dial, are willing to give it a go and have fun, you are always welcome.

Happy dancing.
