## Bugle - May 2016

*A Mother's Love - Helen Steiner Rice*

*A Mother's love is something  
that no one can explain,  
It is made of deep devotion  
and of sacrifice and pain,*

*It is endless and unselfish  
and enduring come what may  
For nothing can destroy it  
or take that love away . . .*

*It is patient and forgiving  
when all others are forsaking,  
And it never fails or falters  
even though the heart is breaking . . .*

*It believes beyond believing  
when the world around condemns,  
And it glows with all the beauty  
of the rarest, brightest gems . . .*

*It is far beyond defining,  
it defies all explanation,  
And it still remains a secret  
like the mysteries of creation . . .*

*A many splendored miracle  
man cannot understand  
And another wondrous evidence  
of God's tender guiding hand.*

## **SUNCOASTERS SQUARE DANCE CLUB**

Suncoasters' beginners for the year are progressing well and enjoying their dancing. We will do more promotions for new dancers from the middle of June.

Club members are sad to hear of the passing of our member, William Rowbury. William and his wife Faye danced at the club regularly at our Wednesday sessions. We pass on our condolences to Faye and her family at this sad time.

Preparations continue for the National Convention to be held on the Sunshine Coast at the end of June. We hope you are all looking forward to it as much as we are.

Cairns City Square Dance Club

Our Club has continued to dance each Friday night Mainstream and Plus although numbers have been down. Members are all happy with our new venue.

Col and Jean have been away all month on a fishing trip and hopefully bring home some worthwhile catches.

Our newest member Wendy is about to leave us to travel to various places overseas for the next 3 months. Also leaving us next month for 3 months is Diann and Henry who are cruising and then travelling the UK.

Margaret and Graham continue to travel up from Innisfail and Graham is looking so well now he could be dancing again very soon.

Debbie dances most nights with us inspite of her having to start work very early the next day.

That is all our news for this month until my next report.

### **Gumdale Grandsliders**

A great night was had by all when we celebrated our club's 29th anniversary on the 20<sup>th</sup> April. Jeff Seidel and his wife Susanne from South Australia, were guests of the club with Jeff giving us all a very enjoyable night with his exceptional calling. It was great to catch up again with the number of visitors that attended.

During the evening recognition was given to our longest-standing members. Dawn Savage, Marie McMillen and Mavis Willcock were each presented with a framed certificate. Dawn, over the years has been involved in various committees, taking on the positions of Vice-President and Treasurer. During their memberships, all three ladies have been loyal and committed to the club and its activities. We wish them many more years of dancing with us.

### Hervey Bay Square Dance Club

Hi from Hervey Bay,

Our learners are still doing well. Thank you to all the angels who turn up to help every Saturday. They really are angels.

We had a very successful Birthday get-together at one of our local hotels for those whose Birthdays were in March and April. Although it was a bit hot under umbrellas, everyone seemed to enjoy themselves. Pavlova cake topped with strawberries, other fruits and whipped cream was delicious.

Quite a number of us went to Maryborough to dance to Michael Mills from Rockhampton. We all thoroughly enjoyed the night - great calling from Michael, lovely supper and wonderful company.

Our pancake night turned out a great evening. Everyone brought toppings and made their own pancakes in frypans provided. They say "Too many cooks spoil the broth" but in this case everything looked beautifully tasty. The night finished off with games of table tennis, darts and Rummykub.

James Reid is our next caller on Saturday, 14th May. Theme, "In the Pink" at our usual times of Plus at 2pm till 4.30pm and Mainstream at 7pm.

Catch us at [www.squaredancingherveybay.com.au](http://www.squaredancingherveybay.com.au).

Bye for now, Glenda.

### CITY HALL CLUB

We have some great people in our Club which meets every Tuesday from 10am to 12 noon at City Hall. If you have any enquiries, please phone our caller Kay Walker on 0419 717 520.

One of our members Annette is an Occupational Therapist and she and her husband have put together a list of why they enjoy coming along the our City Hall Club:

1. air conditioned comfort
2. fresh, recently renovated facilities
3. free hot drinks and chilled water
4. \$7 for two hours - very affordable
5. go at your own pace and own level, rest whenever you like
6. no partner required
7. gender does not need to be specified (!) as we mix up the "boys" and "girls" roles anyway
8. exercise at a "civilized" time of day - for those who don't like getting up early or going out at night
9. no pressure to commit to weekly attendance - you are not letting down the team if you have a week off
10. low performance pressure - the group doesn't expect you to to "get it right" all the time

Annette has also give us a list of some of the personal benefits to an individual's well being based on her skills as an Occupational Therapist, that can be gained by participating in square dancing. We will include some of those in the following months editions of this Newsletter. This information will be invaluable when talking to friends about the benefits of square dancing.

## Rambling Eights

Like many other clubs, Rambling Eights has been taking in beginners lately, with "Come and Try" nights finishing at the end of April. So far, about ten of these enthusiastic learners have stayed regularly, with only a few not returning. We start the night at 7 with a half hour teaching basics, then alternate with mainstream till 9pm, finishing the last half hour with full mainstream or plus, depending on numbers, then supper for all before cleaning and packing up.

We have enjoyed the company of visitors from other clubs lately, and are really appreciative of the boost in numbers, with many of our own dancers off the floor for various reasons. Faith is over her foot problems and we are all hopeful that her arm will not need to be in a sling anymore, then she will have both arms free for dancing. We still miss Doug, unable to join us on the dance floor with his injuries, and help out when short of ladies. Even when every available woman has been on the floor in the past few weeks, Kevin, Les and Dougal have all had to take turns dancing the right hand dancer to help fill the mainstream sets. We are so fortunate to have versatile men as well as ladies when needed, but their "skirt work" needs a bit of imagination. At least it has given our new ones a good laugh and not put any of them off. They have expressed fascination and great enjoyment after seeing how we improvise.

Our first lucky numbers have been drawn, with the winners both being ladies again! Congrats to winners Ros and Jan Lucky squares are available every week at \$2 each until the 50 numbers are full, then drawn. If the winner is not in attendance, the prize is put aside for them to receive the next time they walk through the door. All visitors are asked to supply their phone numbers when purchasing a number so that we can contact them if they win. We also run other fund-raising events, with all profits going to Children's Charity at the end of the year. Last year after just six months our total donation to the Children's Hospital Foundation was \$548.

Dancers have also been travelling during April, Christine and Kevin to Maryborough club, and David, Faith and Denise making the big trip to Glen Innes, NSW for Glen Squares 35<sup>th</sup> birthday. This was a special night for David as he was the club's original caller, travelling up from Armidale fortnightly, with Barry Knight running the club with tapes and records on the other weeks. After a number of years Barry was finally able to take over the club and call unassisted. For the special nights celebration there were six sets dancing with visiting callers, David, Wilma, Les, Margaret, Frances and Karen and Barry finished with one of his well-known easy fun mixers. Congratulations to all at Glen Squares on achieving 35 years.

## EZ SQUARES

Our party night on Tuesday 29th March was an outstanding success. We had up to seven squares on the floor during the program. There was a great variety of callers and calling combined with some very colourful and original outfits for our "Down on the Farm" theme. In all, it was a great night and our club was very happy with the outcome.

Thank you to our fellow dancers from other clubs who supported us. Unfortunately, the next party night planned for May 31st will be postponed due to the hall being unavailable. Our next theme night will be "Cross Dressing" on Tuesday 30th August. Watch this space.

Y Brittingham - Secretary
