Recent events in my own home life have made me realise again the great value that is inherent in the support systems of family and friends. When unexpected events happen and 'normal life' gets away on us, these support systems become even more important, and we must remember to remind ourselves to be grateful for their existence, where ever they may be.

Anyway, on the topic of support, the subject of how to support new callers continues to be much under discussion by the Board. Of course, this is more than just music, equipment and training, and includes encouraging the formation of new clubs and incentives for callers to expand to new areas. The ideas I mentioned last time that are still under consideration include scholarships and start-up funding for new callers wishing to start, or who have recently started, a new club continue to gather momentum. The board is currently finalising how these ideas can be implemented. So, watch this space!

Meetings, meetings, and more meetings are also under discussion. These are among the 'delights' of board membership and new ways of structuring the annual requirements for these is frequently reviewed. There may even be danger that some of us are dragged kicking and screaming into the age of skype.... Current ideas also comprise including some caller training sessions into what is now normally a full day of meetings. Some exciting new training prospects have been proposed, and I hope to be able to tell you more next time.

The makeup of the ACF Board and how board members are nominated has also recently come under discussion. As a third of the board is up for nomination each year, this is a significant subject. The ACF is here to represent callers in Australia and tackle issues that affect these callers in an open, transparent, honest and democratic way. In keeping with my first theme, Board members also make a serious commitment regarding their time and energy, and it means the support of family, friends, dancers, peers, colleagues and the like becomes even more valuable to those ACF members who take on Board membership.

Lastly, recently changes from Callerlab means we are now teaching and calling thars, ³/₄ and ¹/₄ Tag in Mainstream. Enjoy. Happy dancing – and calling!

Cheers Alannah

Tasmania President's Report

The Tasmanian Square Dance Society invited Les Tulloch from South Australia, to be the guest caller for a dance held in Lindisfarne on 22nd September. WOW, what a fantastic time we had. Les showed his skills in Mainstream, Plus and Rounds. He certainly put us through our paces. The event also featured our amateur callers. Well done Nadine, Renae and Merilyn. They showed a lot of courage and talent by picking up the microphone. Paul also entertained us with his calling and playing his baritone ukulele. Wow, fantastic. Well done all.

Les also gave Di a one-on-one callers' clinic on Sunday. They covered many aspects including a number of computer programs. Thank you Les.

Our Society Committee is hard at work going through the Constitution and bringing it up to date. There haven't been any amendments for many years and it is felt that with the decline in numbers that we are encountering we need to make some changes.

Our next Society Dance will be our Christmas Dance which will be held in November in Launceston. We look forward to welcoming Janet Cook from Victoria as our special guest caller.

On club notes: Casino City is still dancing every Monday night. John Weatherburn continues to put his dancers through their paces. What a great past time. Launceston Club have had a 'footy colours' and a 'medieval' theme night in October. Both had great attendances.

On a National note, the Early bird ticket price concluded at the end of September so now the Convention Registration is \$120. Registration numbers are going really well, so if you haven't registered yet come on. DO IT! The decorations committee are on track and their next working bee is in early December. Hopefully Shar, our Decorations Coordinator, will have recovered enough with her broken leg to be able to participate and not just supervise. The Committee has their planning on-track. Deloraine is certainly going to be the place to be in April 2019.

A.C.T. President's Report

With the Canberra square dancing year finishing up at the end of November, we look back on the year and see that it has been quite a successful year in the ACT with square dancing and other activities.

At the end of September, a square of Canberra Dancers went down to the SARDA NSW Betsy Gotta Dance weekend held in Woonona which also incorporated a Callers' school. Raymond and Allen attended the Callers school, where Raymond said that he got a lot from it. Betsy was wonderful to dance to and it was great on Sunday to be able to dance to the callers who attended the school. Our new callers are definitely improving! Thank you to SARDA NSW for putting on a great dance weekend.

With only one more month left of dancing in the ACT until the Summer break, I would like to congratulate the 2018 Kerr-Ly-Qs beginner dancers for going through the Basic/Mainstream programme this year and we look forward to the 2019 beginner intake in February. The Society is winding up to end the year off with a Special Society Christmas dance that was brought forward to the middle of November. For more details on the Society Christmas Dance and other events happening in November, please go to http://squaredancecanberra.org.

Victoria President's Report

The past few months have been quite busy with visits to most of the clubs, promoting the Victorian State Convention to be held in March 2019, at the Kingston Arts Centre, Moorabbin.

We held our annual Free Members dance in the western suburbs at Altona, and this venue was well received by the dancers, with most of the clubs being well represented. Several clubs have held Birthday dances, which were well attended by dancers from many parts of the state.

Late October was our annual dance with Brian Hotchkies calling for the dancers in Victoria, at the Riviera Round up, held in Bairnsdale. By the pictures featured on Facebook everyone had a great time!

The end of year Supper dance, will be the last VSDA run function for the year, to be held in November, before the onset of the club Christmas dances.

Regards Carmel Sinclair VSDA President.

A.C.T. President's Report Continued

We hope that dancers have a lovely break and recharge those batteries and we look forward in 2019 to celebrating Kerr-Ly-Qs 40th year of dancing. On behalf of the ACT Square Dance Society Committee, I would like to wish you all a very Merry Christmas and all the best for the New Year.

Helen Bates. (President - ACT Square Dance Society)

Twelve Days of Christmas

On the first day of Christmas my true love said to me I'm glad we bought a turkey and a proper Christmas tree. On the second day of Christmas, much laughter could be heard As we tucked into the turkey, a most delicious bird. On the third day of Christmas, we entertained next door, The turkey tasted just as good as it did the day before. On the fourth day of Christmas poor Gran is looking old, We finished off the Christmas pud, and had the turkey cold. On the fifth day of Christmas, outside the dry leaves flurried, But we were nice and cool inside, we had the turkey curried. On the sixth day of Christmas, the spirit almost died, The children fought and bickered, and we had the turkey fried. On the seventh day of Christmas, my true love he did wince He sat down at the table, and was offered turkey mince. On the eighth day of Christmas, the dog had run for shelter, I served up turkey pancakes, with a glass of Alka Seltzer. On the ninth day of Christmas, our dad was getting blotto, He said he had to have a drink, to face turkey risotto. On the 10th day of Christmas, we were drinking homemade brew, And if that wasn't bad enough, we suffered turkey stew. On the 11th day of Christmas, the Christmas tree was moulting, The fruit mince pies were hard as rock, and the turkey was revolting. On the 12th day of Christmas, my true love smacked his lips, The guests had gone, the turkey too, and we dined on fish and chips. Sent in by Barrie Evans NSW

NSW President's Report

Last month SARDA NSW hosted a Caller Clinic and dance with visiting US caller coach Betsy Gotta. Seventeen callers from NSW and the ACT spent three days honing their skills on a myriad of subjects. The callers who

attended ranged from novice to highly experienced and Betsy worked hard to keep everyone challenged and successful at their level. During the evening dance sessions Betsy entertained us demonstrating the techniques she had been teaching during the day. While Roy, Betsy's husband cued the rounds every second bracket On the Sunday morning those attending the clinic had the opportunity to practise their new skills to an appreciative audience. Many thanks to Betsy and Roy for sharing their knowledge and to Barry & Sue Wonson for organising and hosting Betsy & Roy while they were in NSW.

Rosalind and I enjoyed dancing to the calling of Matthew & Michael Mills and cueing of Ed Coleman at the Armidale New England Square Dance Festival organised by the Northern NSW Square Dance Association.

Promotion of our past time is becoming increasingly more important when you go back through the NSW archives and read the biggest problem with square dancing is there were too many teenagers. Well, those teenagers of yesteryear are still dancing today and we yearn to have those young people involved. But how do we gain their interest? I believe it is important to showcase square dancing at every opportunity (car shows, markets, schools) you never know who is watching. Cruisin' Country is a great example of a consistent program being run over many years and how great it is to read that they had nine squares on the floor this year.

Christmas time is rapidly approaching and I hope to catch up with as many of you as possible before the end of the year. On behalf of the NSW Executive I would like to wish everyone a safe and happy Christmas.

Tips for New Dancers

When the music starts head out onto the dance floor. Get up and dance! Don't let the caller and dancers wait while we're finishing treats or are deciding about dancing.

You don't need a dance partner. Ask someone to dance! You can go on the dance floor and form your own square or enter an incomplete existing square; step into the position you're dancing and hold up your hand to signal you're looking for a dance partner.

Introduce yourself to the other dancers in a square. It's nice to be nice.

Listen to the caller. It's okay if you miss a call, but listen for the next call and try to catch up. Talking while dancing distracts both you and other dancers, it can cause the square to break down.

Always let the caller explain the call. It's hard to hear the caller when other people are talking or noisy.

If you are having trouble with a call in a class or workshop, ask your caller or an experienced dancer to run through it between tips.

Be gentle with other dancers. Use a gentle handhold. Most experienced dances will touch, but not grasp, other dancers' hand. Never push or drag a person into position. Some dancers don't like twirling. Get to know the people in your square!

Queensland President's Report

What a day and night of great dancing with all callers doing a brilliant job of entertaining the dancers that attended the Sunshine State Roundup and the QCA Gala Event held at Burpengary on 22nd September. There was a good attendance for both sessions and a good time was had

by all. Thanks to EZ Squares for hosting this event, with Elaine Davis the MC for the afternoon and Sid Leighton compering the evening.

The amendments for the Constitution were successfully passed by those who attended the meeting and has been duly registered.

We are now looking forward to the Christmas Dance which will be held on the 10th November at Albert Waterways Community Centre, Mermaid Waters, with a new format being trialled, with an hour of Plus to start the night off from 6.30pm and Mainstream from 7.30pm.

Good to see the bumper 1800 stickers we produced showing up on cars around the place. We are hoping this publicity will bring in a show of interest in square dancing and result in an increase of dancers.

There are reports from clubs that attendance numbers are steady, with a number of clubs running beginner's groups and are hopeful this will result in a boost of attendees at the regular club dances.

The Queensland State Convention is being held in Rockhampton on 6-8th September next year and planning is well on the way. We hope that plenty of people from interstate will consider joining us at this event in sunny Queensland.

South Australia President's Report

Hi Folks,

It's been a busy three months with sad news and happy news from South Australia. Let's start with the sad news which was the passing away of Zaree Sullivan. Zaree was a popular and well-known dancer, who was the founder and Life Member of the Paddle Steamers Club in Port Elliot.

The good news was that we've had great feedback on how enjoyable our State Convention was. As Co–Conveners, Karen & I thank our hard-working committee and all the local & interstate dancers, callers & cuers who came along. A big thank you to our guest caller Mel Wilkerson for giving us such a fantastic, fun time.

Karen & I have been busy travelling around to most of the clubs. We had lots of fun meeting people and enjoyed the dancing. Congratulations to all the Clubs who have celebrated Birthdays – Acey Squares 12th, Yorke Promenaders 3rd, Adelaide Outlaws 33rd, Paddle Steamers 10th and Pine City Twirlers 35th. A job well done guys, keep up the fantastic work

Solo Dancers

Recently I attended the Hunter Valley weekend in Newcastle. Apart from the much valued down-pouring of rain, all went smoothly with everyone having a great time dancing to the well-loved calling of Brian Hotchkies and the excellent cueing of Ed Coleman for Rounds. It was interesting to see, again, an excess of men (a few years ago the Hunter Weekend achieved an all-male set) and this time at the end of one General Round-up it was the men who were in need of women to fill the last set. Luckily there were enough women on hand so no man had

to dance the right hand position. Generally, through-out the weekend, the women were able to dance in their usual position and were only occasionally needed to don a sash. Thank you to all the Hunter Society people for ensuring we all had a good time. It's on again next year and because it's the long weekend it is advisable to start booking accommodation now.

2019 is around the corner and I hope to attend the following conventions, the 50th Victorian State at Moorabbin in March, the 60th National at Deloraine, Tasmania in April and the 40th NSW State at Berry in August. A Solo Dress-set will be arranged for the National and the NSW State. If any dancers would like to participate please contact me and put your name down. I've only ever entered a Solo Dress-set in these two Conventions. It would be nice if a Solo Dress-set could be organised for the other States' Conventions. Any Solo Dancers from Queensland, Victoria, South Australia, Tasmania or Western Australia who would like to take charge of putting together a Solo Dress-set, for these other State Conventions, please contact me. Since putting the Solo Dress-sets together I have met, and formed lovely friendships, with many Solo Dancers (male and female) who I wouldn't, otherwise, have got to know. I am very grateful and do appreciate all the dancers who have participated, over the years, in the Solo Dress-sets.

Summer is gradually coming and Christmas will soon be here. Wishing everyone the very best for the Festive and Holiday Season. Enjoy the break from Dancing. Please feel free to Email ejboyd@bigpond.com or phone 0409457342.

EMERGENCY CALL FOR MEDICAL AID

- When a dancer goes down, a second dancer attends him/her.
- Remaining couples join hands and take a step backward. This will allow the injured person and attendant air and room.
- Raise joined hands as high as possible in the form of an arched circle.
- On seeing this signal, the caller or hall monitor will immediately place an Emergency Call for Medical Aid.
