

## **Vacancy in the Executive Committee of the Society**

Due to ill health the Secretary has had to resign from her position on the Square Dancing Society of Queensland inc. Committee.

In the past this Secretarial position has been a big job but an effort has been made to distribute the work more equitably among the members of the Management Committee. This has been successful in making this position not such a daunting job. This process may continue further as the present Management Committee have been prepared to distribute the load between willing members.

There is provision in the Bylaws for the Secretary to request and receive assistance from the Executive Assistant. This person is there to assist members of the Executive along with other duties.

If you are interested in the position of Secretary please contact me and I will put you in contact with the knowledgeable people involved at this time. All necessary equipment, computer etc, electronic connection and expenses is provided by the Society.

Location is not such an important consideration these days with all the available means of communication. The ability to operate a home computer is an essential requirement. There are no exotic programmes involved.

**The bottom line is we do need a Secretary for the Society** and this need has to be met in the not too distant future. If you want to find out more about this position or if you have a desire to help, assistance will be made available to anyone to settle into this position.

## **Individual Membership**

The Constitution of the Square Dancing Society of Queensland inc. was altered to offer membership to every dancer in the hope that the majority of dancers would join the Society.

A large number (400 +) have taken out membership and we thank them for their support.

At first individual insurance was emphasized as the 'big' benefit of individual membership in the Society. Individual insurance was always meant to be a bonus of membership. Another hoped for benefit of Society Membership was a discount for members at Society functions. E.g. Roundups and Christmas Parties etc. When enrolment reaches a significant point we may be able to offer these and other benefits to members of the Society.

**The important component of individual membership is your opinion, moral support, some attendance at meetings if possible or just an interest in the future of square dancing in Queensland.** If you are not a member please give membership some consideration. For the price of two and a half cups of coffee or a couple of beers per year you can be a member of the Society. I'll bet you obtain more fun from dancing for a year than a couple of coffees or beer.

A glaring mistake in the present Constitution was only allowing for one general meeting a year. This is in the process of being corrected. It will make attendance of individual members' welcome at more meetings and giving them voting rights at those meetings. Actually, members are welcome at any meeting now but they only have a vote at Special and General Meetings. Mind you it would be a very silly committee that went against the obvious feelings of a meeting.

If you attend a meeting you won't be lumbered with a job. Everything is voluntary. A polite "No thank you" is a good enough reason to not accept a nomination for a position or a particular task.

Some will say membership is 'not my problem'. Well, you are entitled to your opinion, but it would be beneficial to square dancing if you gave your support to those dancers who willingly do make the effort to help the activity. If you enjoy this pastime please think generously about joining the Society when you are having your next cup of coffee. Application forms are on page 10.

## Martin Klibbe Memorial Dance 2008

The PCYC North Mackay again provided the perfect venue for the annual Martin Klibbe Memorial Dance. Although numbers were down due to many reasons, the event certainly didn't lack enthusiasm. Two full days and nights of non-stop dancing was unforgettable, with the return of the world's top and most sort-after Callers, Jerry Story and Tony Oxendine from the United States of America calling exclusively here in Mackay.

The Dance Off on the Saturday evening was won by Michael Bowden, Tricia Gibbins, Peggy and Bill Toon, Helen Hawkey, Steve Turner, Robert Wing and Anita O'Pray. In the inaugural Dance Off in 2006 Anita and Robert were also winners. The winning dancers came from Mackay & District Mackay Qld, Wild Frontiers Adelaide SA. Suncoasters, Buderim Qld, Kiwilers, Perth WA and Top Cats, Sydney NSW.

The perpetual trophy for this event was donated by the late Rae Baldwin of Bakers Creek.

Julie Jensen did an excellent job cueing the Rounds each evening.

A Thank You also goes to Ed Coleman, NSW, for cueing Cherokee two Step on Friday evening.

Martin was a member of the Australian National Youth Square Dance Council.

Martin's young square dancing friends, Daniel Sedgman and his partner Natalie from the Gold Coast, and Andrew Reardon and his partner Lilianna from Melbourne attended.

Martin was a former State President of the Young Nationals now known as the LNP.

His list of amazing achievements include graduating from the Army Reserves in 1997 in Townsville after serving almost five years. He was a Senior Electoral Officer for the Federal Member for Dawson, then De-Anne Kelly. In 2001 he graduated with a degree in Public Relations, Journalism, and Communications.

The present Federal Member for Dawson, James Bidgood, attended the dance on the Friday evening.

Martin was the Caller for the Mackay & District Square Dancing Club which will have been in existence 35years in Mackay on the 7<sup>th</sup> February 2009.

Congratulations go to Western Australia Caller Steve Turner who joined us during the weekend in Mackay and is now the first in Australia, and only the 40<sup>th</sup> Caller in the world, to be Callerlab Accredited.

Co-ordinator,  
Martin Klibbe Memorial Dance.

### You Need To Be Appreciative of Others Work.

Apparently, a self-important college freshman attending a recent football game took it upon himself to explain to a senior citizen sitting next to him why it was impossible for the older generation to understand his generation.

'You grew up in a different world, actually an almost primitive one', the student said, loud enough for many of those nearby to hear.

'The young people of today grew up with television, jet planes, space travel, man walking on the moon. Our space probes have visited Mars. We have nuclear energy, ships and electric and hydrogen cars, cellphones, computers with light-speed processing...and more.'

After a brief silence, the senior citizen responded as follows: 'You're right, son. We didn't have those things when we were young.....so we invented them. Now, you arrogant little sh--t, what are you doing for the next generation?'

The applause was amazing.....

## STEPPING OUT WITH CLOGGING

ON WITH THE SHOW- and what a showcase of Clogging, laughter, friendship and good times it will be as we head off to the 2008 National Clogging Convention in Sydney.

Best wishes to all our Clogging friends from near and far for a safe journey and happy Convention.

WOW! What a response to the Get Rhythm Team's demo at the Seniors' Expo at Strathpine. Multiple requests for info and brochures was great to witness as we say WELCOME TO CLOGGING to our Beginners.

Many in the audience echoed the same remark- "You all are having so much fun."

As Jenny Neal in Gympie recently observed "If you want serious dancing, don't come Clogging." And it's true- we're in it to ENJOY ourselves- you're welcome to join us.

The Gympie Muster was a great venue once again with Clogging doing it's part in keeping the masses entertained, involved and (I'll say it again) 'havin' fun!"

Senior Superstars? Not this year. The Team just missed a place in a line-up of talent which was perhaps the best yet in a Final.

Taking part in Superstars did result in enquiries both from prospective dancers and requests to perform at functions.

Toowoomba is back on line with a Clogging Club starting up on the Downs lead by Vanessa Byrne. Give Vanessa a call on 463 07 777 if you would like to join her classes or are visiting the area.

Keep Saturday the eleventh of October free- it's Sunshine State Round-up time, with Clogging, Square Dancing and Round Dancing all on the programme.

Venue is the Coorparoo College, Cnr. Cavendish Rd. and Stanley Street East, Coorparoo. Plenty of off-street parking. Council buses stop right there, and Coorparoo train station is an easy five minute stroll.

A smile on your lips, a swing of the hips, a tap of the toes and away we go!!

## Round Dance Corner

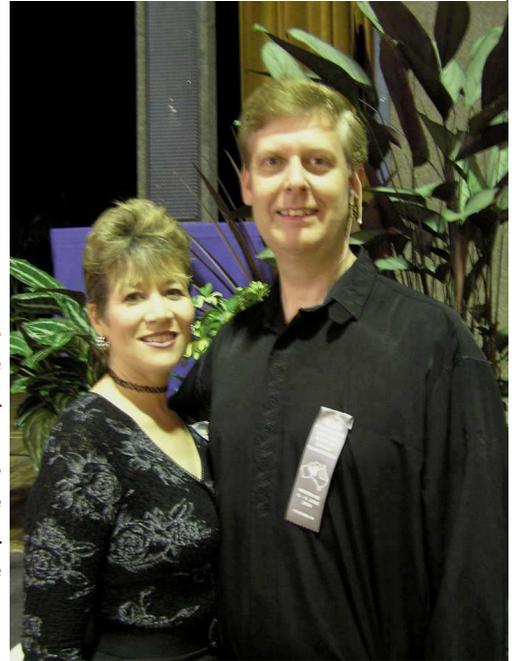

The Allemander Sunday Afternoon Workshop conducted by Paula and Warwick Armstrong has been awarded the status of a **Carousel Club**. These clubs are run under the direction of the International Choreographed Ballroom Dancing Association (Curt and Tammy Warlock are founder members) and there are over 100 clubs worldwide.

The purpose of the National Carousel Clubs is to promote choreographed ballroom round dancing at the intermediate and advanced levels and to promote a common repertoire of dances that is taught and programmed across the world-wide dance community through the publication of club teaching activities and most popular routines.

Some of the requirements for membership of NCC are:  
To promote dancing at the intermediate and advanced levels:  
To be willing to report monthly dance favourites and teaches :  
To dance at least 5% phase VI .

**At the other end of the dancing scale, the Allemander Club is starting a beginners class on Thursday Sept. 4th. at the Calamvale Community Hall. The cost is only \$ 4 per dancer and the class runs from 7—to 8pm.**

QRDA has now completed production of the set of DVD's covering all the Round Dance workshops and the demonstrations of the Experimental and Showcase rounds from the National Convention. If you didn't order a set but would like one please contact Linda Williamson or Sylvia Pitt.

Next year , 2009 , a **“Big Day of Dancing”** “will take place on the first Saturday in October– 12 hours of dancing and teaching ; finishing with a big dance after the evening meal break. Mark your diary now, 3rd October, 2009. More details in the new year.

### **Can YOU Help?**

Under the new structure for the Square Dancing Society of Queensland inc, dances such as the Sunshine State Round-Up and the Society Christmas Dance are coordinated by the Functions & Events Coordinator. This coordinator, (at the present time, yours truly), is now seeking help from Individuals, Clubs and other groups to carry out the basic jobs needed to run the dances.

For the Sunshine State Round-Up on 11<sup>th</sup> October and the Society Christmas Dance 22<sup>nd</sup> November we require helpers in the following areas:

Running the Canteen and organising Supper – Logan Square Dancers have volunteered.

Handling the Door ticket sales for the evening dance – Rambling Eights have volunteered.

Assisting with sound set up - Maurice Pearce and Alan Evans.

Booking the halls for both events, Jane Rayner has done this.

Arrange keys and access on the day, Jane Rayner will do this.

Programming the dances – Alan Evans and David Pearce are doing this.

#### ***So.....we are seeking offers to:***

Coordinate and put up the decorations for both the Round up and the Christmas dance. (The theme for the Round Up is "Black & White"). The Society is prepared to buy appropriate decorations for the decoration team to put up.

Arrange Raffles for both dances.

Help set up the halls and to pack up at the end of the night.

If you have a group who would like to look after the same job for both events, please feel free to volunteer for both days.

Every dancer can make a difference by offering to help now.

Please contact David Pearce, Phone 3263 1408 or email: [davidp8@bigpond.net.au](mailto:davidp8@bigpond.net.au). Or Jane Rayner Phone 32997717 or email [j.rayner1@optusnet.com.au](mailto:j.rayner1@optusnet.com.au) by September 6<sup>th</sup>.

Yours in Square Dancing

David Pearce (Functions & Events Coordinator)

## **THANK YOU**

As many of you know, Keith Bradshaw was recently working as a volunteer at the Quamby Rodeo near Cloncurry when he was trampled by a bull and badly injured. He was not attempting to ride the bull as he did in his younger days on the rodeo circuit. After 3 weeks in Townsville Hospital he is now at home and on the slow road to recovery. On behalf of Keith and myself I would like to thank all of our square dancing friends and family for your overwhelming support during this traumatic time. Your care and concern are very much appreciated. See you on the dance floor.

Helen Hawkey

## SUNCOASTERS - BUDERIM

What a grand way to start the month!! Our 23rd Anniversary Weekend from 1st to 3rd August was a real blast and our featured caller, Graham Elliott from S.A. did a fantastic job. *Thanks a million, Grham.*

The mainstream dance on Saturday night saw 14 squares of enthusiastic folk on the floor and with sessions at all levels over the weekend there were plenty of interesting moves to really test the mettle of even the most seasoned dancers

Our Tuesday night gang can be rightly proud of themselves with last year's beginner intake now dancing the full mainstream programme and this year's starters really surging ahead in leaps and bounds with undiminished fervour. Most Tuesday nights we are seeing 6 or 7 squares of keen-ites, even when the temperature makes it tempting to stick at home by the fire.

The Plus boot camp in July has swelled the ranks nicely and we had 4 squares last Monday.

We enjoyed a delicious potluck dinner before our 5th Saturday mainstream dance on the 30th to end the month in the same festive style we started in.

The theme for our 5th Saturday in November will be "GOLD" and planning is underway to make it a great night -

COME JOIN IN THE FUN!!

## CANE COUNTRY SQUARES

A full set of members from our Club travelled to Maryborough for the QCA Meeting. We were dancing both afternoon and evening. Once again a variety of callers gave us plenty of exercise and lots to think about on the way home. We hope our Caller, Shirley Kelly returns rested after her well earned holidays. Matthew Mills and other local callers Norm and Arch have provided enjoyment and variety for all who attend on Club nights.

PAM GARSON

## Salad Bowl Squares

We continue to enjoy our dancing with Kay and numbers are slowly but steadily increasing past the two squares. Is this because nights are starting to warm up again??

The club's 38th birthday party night was a raging success with 4 squares dancing the whole night, interspersed with a Monte Carlo and some cued rounds from Linda Williamson. Jim and Kathy cut the cake.

We welcomed two German visitors – Sarah and Nessie – and they were presented with "I Danced With An Aussie" badge as a memory of their visit to the club. Thanks to Anne and George for the badges. We were extremely fortunate to dance to a song recorded by their club caller.

The next club theme night is International Food Night – members will bring supper dishes from around the world and everyone is always welcome. Chris Heyworth

### **Happy Trails Leads to Southport.**

I read a copy of your Bugle last Thursday at our dance class held at The Meals on Wheels hall on Queen Street in Southport. We dance every Thursday morning from 9:00 until 11:30. Everyone is a senior. We usually get about 2 and a half squares each week. We used to dance with Norm Friend and Charles Watson but Norm died and Charles has retired.

We sometimes visit other clubs. We used to dance in Canada but have been living in Australia for nearly 34 years and have been dancing off and on ever since. We call our club Happy Trails.

Best regards Fred & Elaine Ellis.

P.S. These days Peter Storey drives down to the coast to call for this group. As requested Fred & Elaine are on the Bugle recipient list. NM

### **Logan City Square Dancers Inc.**

On 23<sup>rd</sup> August, a Personal & Homewares Products Expo was held at Logan City Square Dance Centre. It was a great day with a variety of stalls displaying all sorts of products from lingerie to jam. A short fashion parade was held and the sausage sizzle proved a winner. A raffle of a fruit tray was won by member Alice McKeen and a few stall holders donated items which will be used as raffle prizes. A few square dancers were on hand to dance a bracket or two and this was well received by those watching. There were a couple of enquiries from people wanting to know more about learning to square dance.

Patron for Logan City Square Dancers Inc., Cr. Phil Pidgeon popped in to cap off the day. It is hoped this will become an annual event. It's a friendly, social day and open to the public. Thanks go to the Committee and members who helped out on the day.

Alan Rayner celebrated his 70<sup>th</sup> birthday with a party at the hall. A great day was had by all. On 13<sup>th</sup> September, Alan & Jane Evans' son Scott will marry his fiancé Megan. The reception will be held at the hall. Our congratulations to Scott & Megan.

The next Saturday dance at Logan is 20<sup>th</sup> September with Margaret Baines.

The square dance year is fast drawing to a close. With only a couple of months left, it's time to turn our attention to planning next year. We'll have our usual New Year's Eve Dance with a "Tropical" theme. Then the 5<sup>th</sup> Anniversary dance of the centre will be held on 14<sup>th</sup> February 2009 with Mike Davey from Melbourne as feature caller. Watch your club notice boards a little later in the year for further details.

Till next time, happy dancing,  
Jane Rayner

### **DON'T MAKE ASSUMPTIONS.**

A woman was flying from Seattle to San Francisco. Unexpectedly, the plane was diverted to Sacramento along the way.

The flight attendant explained that there would be a delay, and if the passengers wanted to get off the aircraft the plane would re-board in 50 minutes.

Everybody got off the plane except one lady who was blind. The man had noticed her as he walked by and could tell the lady was blind because her Seeing Eye dog lay quietly underneath the seats in front of her throughout the entire flight.

He could also tell she had flown this very flight before because the pilot approached her, and calling her by name, said, "Kathy, we are in Sacramento for almost an hour. Would you like to get off and stretch your legs?"

The blind lady replied, "No thanks, but maybe Buddy would like to stretch his legs."

Picture this:

All the people in the gate area came to a complete standstill when they looked up and saw the pilot walk off the plane with a Seeing Eye dog!

The pilot was even wearing sunglasses. People scattered. They not only tried to change planes, but they were trying to change airlines!

This is a true story... so I'm told.

## **Wavell Whirlaways:**

Sad news for the Square Dance world with the sudden passing of Tom Phillip. Tom will be greatly missed at Wavell for his great calling and dry wit.

Club members are saying they have lots of great photos of the ocean after visiting Flinders Reef on our Whale Watching expedition on Saturday 23rd August. Thirty two of us set sail on the EYE-SPY with Captain Kerry to find the whales.

We found the whales along with a Hammerhead Shark and Dolphins. It was just a little hard to get the whales to stay long enough to get their photos. A few travellers got just a little sea sick due to choppy seas. The staff were just great and nothing was too much trouble. The meal was great. We would recommend this trip to anybody who has not already taken it.

Happy holidays to members who are travelling near and far. Get better soon to those who are not feeling well.

Margaret and June

## **Thank You**

I would like to express my sincere thanks to all my square dancing friends who joined in my 70<sup>th</sup> birthday celebration on 30<sup>th</sup> August. The words "thank you" don't seem to be enough to convey my feelings for your overwhelming generosity in the form of gifts of currency for my return trip to Viet Nam.

As there are no other appropriate words that come to mind just now, I say "Thank You" once more to everyone.

## **PINE RIVERS SENIOR CITIZENS REPORT**

What a great dance we had on 30th August. 84 passed through the door and we had 7 callers to entertain us, and we were certainly that.

Many of the dancers dressed in 'theme' which was A.A.A. (Animals, Actors or Angels). As usual our stage decorations were terrific and thanks to all those who helped in any shape or form in the running of the dance. Our next dance is on 29th November and the theme will be "Dancing with a Difference". Included in the night will be a 'surprise wedding' so why not come along and see who is taking the plunge. More details later.

Our club had a surprise visit from Barry Wonson on Tuesday 26th. Barry was on his way up to Rockhampton for the weekend and called in on us and really gave our dancers a thrill.

Our numbers are holding well this year again, and despite all the sickness that is around everywhere, we still dance at least 3 to 4 squares each week.

We were deeply saddened by the loss of a dear friend of our club, Tom Philip. Tom and Connie never missed one of our Saturday night dances and filled in as caller as recently as June while Margaret and Jan were tied up with Convention and Mini Lab commitments. Our most sincere condolences to Connie and the family. Tom will be greatly missed. May he rest in peace.

'Til next time  
Jan Hay
