REPRODUCED COURTESY OF

Sid Leighton

Sid Leighton was born in Brisbane on 11th March 1945 and has spent most of his life within the Square Dance movement.

Sid commenced dancing in December 1960 in the British Ladies Club hall, Sandgate. The club was called

“B-Bar-L Hoedowners and was run by Peter and Evelyn Johnson.

Sid commenced calling in March 1962, when he entered the State Amateur Callers Competition at the S-Bar-B Square Dance Club. By his own admission, he did not call well but in 1963, he won the same competition and was off and running. Early calling experiences included one night shows and a Friday evening club at the Petrie School of Arts Hall. During these years of calling, Sid has operated clubs in Stafford, Petrie and Banyo. He also ran a club called Sunshine Stars at Toombul.

Sid credits Peter Johnson and Graham Rigby as his mentors.

Sid met his wife Betty at Peter Johnson’s Saturday night Club at Greenslopes and they married on the 29th April 1967 in the St Margaret’s Church of England, Sandgate. Sid and Betty have two daughters, Cindy, born 23rd January 1979 and Kristy, born 17th August 1984.

On 19th March 1969, Sid and Betty started their current club “Wavell Whirlaways” at the Wavell Heights Community Hall, Edinburgh Castle Road, Wavell Heights. This caller run club has been run by Betty & Sid from its inception and 44 years later, is still running at the same venue. Wavell Whirlaways is a strong club, full of atmosphere and happy, loyal dancers and is a credit to Sid and Betty.

Sid has held positions on many committees over the years and in 1979, he convened the 20th National Square Dance Convention, held at Cloudland in Brisbane.

Sid was the 2nd President of the Square Dancing Society of Qld (after Graham Rigby) from 1973 – 1976. He has also held the position of Vice-President. In 1975, Sid was awarded the Square Dancing Society of Qld’s Silver Spur Award and was presented with his Silver Microphone Award in 1999.

Sid was driven to be to be a Square Dance Caller, because of his love for the movement and his desire to work with people. He has watched the activity evolve - from the boom years of its heyday of overflowing halls to clubs of one or two squares and from the children and teenagers to the older generation that now frequent our dance floors, he has seen it all. Always a thinker, his main fears for Square Dancing’s future are the lack of numbers now being attracted to the activity and also the way Calling and Dancing standards have changed, possibly even declined. Never far from his mind are questions like – Where will the activity be in 10 years time?, What can we do to ensure that Square Dancing has a future? and, to quote George Jones, Who’s gonna to fill their shoes? when veteran callers retire. It is because of these concerns that Sid continues to promote the benefits of Square dancing and Calling by mentoring newer Callers and encouraging dancers of all ages to enjoy the activity.

After many dedicated years to the activity, in 2012, Betty Leighton was presented with the Square Dancing Society of Qld’s Roll of Honour Award and Sid was presented with Life Membership to the Square Dancing Society of Qld.

Sid, Betty and Lyn Macpherson, another Brisbane Caller, are co-convenors of the 33rd Qld State Square Dance Convention being held in the Moreton Bay Shire on 27th-29th September 2013. Sid and Lyn are also Co-Callers for Brisbane’s newest Saturday night club, Taigum Twirlers, which commenced dancing on 11th February 2012. Sid Leighton has achieved many milestones in his lifetime. He is a successful business owner, a loving husband and father, an engaging mentor and a loyal friend.

He has been committed to providing quality entertainment on the dance floor and, in 2012, celebrated 50 years of Calling. Sid has recently been honoured by Callerlab for this achievement. A fitting tribute to a man who has provided many hours of happiness to many people throughout those 50 years.

DANCING ALL NIGHT IS OUT OF SIGHT!

The Rocky Twirlers Square Dancing, Rockhampton Qld

Caller Michael Mills

Our club nights are going well , we have 1 to 2 squares doing mainstream, plus and A1. Friday night learners are progressing well ,some are ready to step up to full Mainstream also a group of dancers are doing rounds on club nights. We have just started a Friday day time class for those who do not drive at night but would enjoy square dancing.

On the 29th July we held a Country and Western dance night, everyone got into the swing of things all dressed in a western theme and we even had a couple of Indian Apache's it was a good fun night, topped off with a lovely supper

Happy Dancing from our club to yours.

Cairns City Square Dance Club.

Our yearly Golden Memories Night was on last Friday night. We hold the dance in memory of those people who cannot dance with anymore because of age or ill health and those who are no longer with us. We had 2 sets, with Elaine and Peter visiting from Brisbane, while Peter called a few tips. Good to have a visit from Hilda and Tom. Everyone seemed to enjoy themselves and a lovely supper provided.

Everyone enjoys our Pizza Nights and the social aspects it brings, so another one is on at the end of this month.

Jenny and Ian are away on holidays for about six weeks down Melbourne and Canberra way. Bev has returned from her Queen Mary 2 Cruise and tour of England and Europe.

Cardwell Dance hosted by Ulysses Club has been on this month. It is a get together for Cairns and Townsville Clubs. There were two sets with a few people over. Glenn from Brisbane along with local callers and Julie as Cuer, made this an enjoyable weekend for those who could attend.

Ass. Pub. Officer Beryl Moon.

U3A SQUARES, CAIRNS Caller Graham Durose

We celebrated our first anniversary on 8th August. There were visitors from the other Square Dance clubs in Cairns and special party food for afternoon tea.

We dance Thursday afternoon from 1.30 to 3.30 at the U3A premises 129 Mulgrave Road, Parramatta Park near the Cairns Showgrounds. At the moment we have some dancers who are close to achieving Mainstream Level. However there are dancers at differing levels starting from early Basics, We welcome any new dancer who wishes to attend, whether or not they have previously square danced. No partner is required.

The club has been steadily growing from the one square with which we started twelve months ago. We now regularly dance three squares each Thursday afternoon. There has been a steady stream of newcomers with the latest dancer starting just this week. Over the twelve months we have lost very few dancers as each week we create a party atmosphere.

Visitors are most welcome.

For information contact Graham and Alison Durose; Ph 4054 4885

Hello from Hervey Bay,

We can now say "We have danced on stage at the Brolga Theatre in Maryborough". This is after the very successful and happy opportunity to dance in the 'Dance for a Difference' concert on the 3rd of August. It is held each year to raise money for the Forget-Me-Not orphanages in Nepal and Uganda. Nine ladies did themselves proud, dancing two tips in the first half, then a change of costume and two tips in the second half. The audience clapped along in time with our songs and we showed everyone what fun Square Dancing can be.

The following weekend we hosted the Q.C.A. Callers School. Plus dance in the afternoon saw the various callers excelling themselves and that night for Mainstream we had two trainee callers among the more experienced. A great night was had by three squares and spares, thanks to our visitors from Maryborough and Gympie.

Our Sunday Social on the 18th of August was Soup & Sweets (by popular demand), followed by games. It turned out a fun night with our new learners joining in.

Our learners of last year are doing their last move and we now have two more 'newies', as a result of the "bring a friend" campaign. We hope they enjoy the company and dancing, enough to make them STAY!

Some of us took ourselves off to the Gala Dance and Round Up. These events create more opportunities to dance to great callers and catch up with all our friends. Thanks to all the volunteers who make this possible. Our dancers made it a long weekend and enjoyed the sights and relaxed on Bribie Island while there. Excellent location!

All this hectic activity will be followed by a "Cowboys & Indians" social dance on the 7th September. Come dressed in your best Cowboy or Cowgirl or Indian outfit and dance to the calling of Glenn Wilson. A little bird told us he is bringing Margaret Baines along for the ride too, so join us if you can. It should be a cracker of a night. What a busy life we all lead!

Unfortunately, we must end on a sad note – Terry Spall passed away on Saturday, 10th August after a long battle with cancer. We have Terry to thank for bringing Square Dancing to Hervey Bay 25 years ago. In the early days he was an excellent caller and, 3 years ago, introduced his wife Vivienne to Square Dancing. We extend our condolences to Vivienne and his family.

For club sessions & caller dates visit www.squaredancingherveybay.com.au
Till next month, everyone take care,
keep well and happy dancing.

WATERFALL SQUARES, MALANDA

Our club dances on the third Saturday of each month from 2.00pm to 4.00pm in the CWA hall Malanda, on the Atherton Tablelands. There is afternoon tea after the dancing. The dancing is at Mainstream level with a combination of recorded dances and live calling.

Recently there have been a number of dancers travelling from Cairns along with the usual dancers who travel from Innisfail each month to dance with us. The last couple of months we have been just one dancer short of two squares.

Next year we will be celebrating our 10th anniversary. The exact date has not yet been decided but it will be most likely in April or May. We will advise the exact date later.

Visitors are most welcome.

SUNCOASTERS

Suncoasters' August weekend was wonderful - the weather was kind to us, and we had a number of northern and southern visitors who came to enjoy the cueing and calling and celebrate with us. At one stage we had 8 squares on the floor, and it seemed the more dancers there were the more fun there was. Even the evenings were fine, just right for the campfire and dampers after dancing.

Nev and Bev McLachlan are on holidays at the moment, and Helen and Barry Ball have been taking the lessons for our many new round dancers and Gary Petersen has kept up the challenge for our squares by himself during this time. Most of the visiting dancers who take advantage of our great camping facilities have joined in Suncoasters' "extra" activities including our sausage sizzles and have contributed to the Club, as well as acting as angels for our basic workshops. Our basics are more than half way through the curriculum now and as they keep coming back for more, obviously enjoying themselves.

Lyn

CANE COUNTRY SQUARES

Our August Deluxe Sausage Sizzle before dancing is an annual social event - a casual dress night with good food, good music, good calling and good dancing for all. We were pleased to have Karla, one of our new dancers join us for the barbecued meal.

A special event for Anita and Matthew Mills (our caller) was a naming day for their daughter Mia (now an official member of our Club with her own name badge). It was a lovely afternoon sitting at the back of his house and listening to a special ceremony naming the various generation categories in a different format to what we are used to hearing, performed by David Smythe, a long-time friend and caller from Caloundra. As from 30th August 2013 we will be dancing at the Rum City Silver Band Hall, Targo Street, opposite Dan Murphy's as our usual venue at the Norville Hall will be demolished at some stage in the future. RAMBLING EIGHTS Caller David Pearce

With the weather warming up the dance floor is filling up. With three sets on the floor most weeks, the atmosphere has been just great and all appear to be having fun to music. Our soup night was well appreciated and our next themed supper will be a hot potato night on 13th September. Visitors are always welcome but please make contact in advance for this night as we are planning lots of extra fillings for the spuds and will need an indication of numbers.

Our newest dancers have been keen to get out and about, some visiting other clubs as well as the QCA Gala and the Sunshine State Roundup on Bribie Island, and plans to get to the State Convention. It is so good to see them enjoying themselves so much while mixing with other dancers, and gaining confidence and experience. Many have also made a wonderful effort to kit themselves out with square dance style, and also get a club outfit, which we wear on the first Friday each month. For past dancers who are no longer wearing their outfits, we are hoping they will recycle their skirts, blouses and/or ties if in good condition. Perhaps if reading this and you know someone who used to dance at our club, you could ask them if they might like to make arrangements to pass on their pre-loved gear.

Arrangements are being made for our club members' Christmas outing – dinner and a stage show in November. Don't leave it too late or you will miss out, bookings are essential! This is a great time for our members to have a night out together before the Christmas period gets too hectic, and David and Faith get a night of relaxation and fun, mingling together with everyone and no microphone duties.

CHARLES IS LEAVING TO LIVE IN VICTORIA
GUMDALE GRANDSLIDERS SQUARE DANCE CLUB INC

is having a Farewell Party for Charles on

Wednesday 25th September 2013 at 7.30pm

Cnr Finucane and Windemere Roads, Alexandra Hills.

Charles Lawson has been square dancing since he was fourteen and for the last twenty years has lived in Brisbane. Recently Charles's wife passed away and he (together with his little dog Marbles) has decided to return to Victoria where he has family. He has made many friends in square dancing and this is your opportunity to say goodbye to him. We will all miss our jovial friend and his fantastic cheese scones.

Any queries please contact
Heather 3219 1725 or Dianne 3824 3899

EZ SQUARES CABOOLTURE.

What a great year so far at Caboolture. Our beginners have now finished all the basic moves and have started learning mainstream; they are all doing really well especially our junior dancers.

Our club recently enjoyed a breakfast of pancakes followed by a morning of barefoot bowls.

The next social event we are having for our members and friends is a car observation run, followed by a picnic at the destination; these have proved very popular in the past and are a lot of fun especially if one gets lost.

A few of our members have been really missed lately due to sickness and operations; we wish you all a speedy recovery and hope to see you back dancing again soon.

Most of our travellers have returned from their adventures, just a few still enjoying the scenery overseas.

We will soon be getting ready for our next party night on 29th October and would welcome any visitors who would like to join in our theme of "Nautical but Nice". Our party nights are lots of fun with a couple of old time dances thrown in as well for the Monte Carlo, prizes for the best dressed, lucky door and a great supper to end the night.

Salad Bowl Squares, Wellington Point

There is a **BIG** change at Salad Bowl Squares.

We have thought about it for long enough. Now we are acting. **From Friday, 6th September 2013**, Salad Bowl Squares will be **Dancing in the Daylight**. Still at the same venue on the same day – St James Anglican Parish Hall, 17-19 Station Street, Wellington Point on Friday - just the time has changed to **1:00pm – 3:00pm**. We are looking forward to a sunny success with the new hours.

Due to family commitments I missed the deadline for the August Bugle, hence the belated news. At our Soup & Damper Night on 26th July, we were delighted to have Glenn Wilson calling. He filled in at the very last moment for Kay who was unable to call due to illness. Colleen is recovering brilliantly after her big op in July. Charles is already packed ready to return to Victoria in October to be with his family. We will so miss those scones. Why would he want to leave the Sunshine State? We will catch up with him in Canberra 2014.

Welcome back to our overseas travellers who are returning in driblets and drabs, all having had interesting adventures and/or happy family reunions.

LEIGHTON BLOOMFIELD—Society Meeting

Due to unforeseen circumstances, I have to change the next Society meeting from 6 October to Tuesday, 1 October 2013 from 7.00pm-10.00pm at the McDonalds at Kallangur. The address is corner of Anzac Avenue and Duffield Road, Kallangur.

Hope to see you all there and I apologise for any inconvenience this change may cause.
